

# Adult Maintenance Day

## **WHEN**

**Tuesday 31st October, 2017**

## **TIME**

**9am - 3pm**

## **WHERE**

**Woolcock Institute of  
Medical Research  
431 Glebe Point Road,  
Glebe, NSW 2037**

## **Catering**

**Lunch and tea breaks  
provided**

*Fully subsidised by the  
Freilich Foundation*

- The day is designed for adults who have previously completed a speech pathology treatment program (e.g. Smooth Speech or the Camperdown Program).
- The maintenance day will focus on individual client needs. The emphasis will be on reviewing speech skills and practicing these in a variety of everyday speaking situations.
- Student speech pathologists will assist throughout the day under the supervision of qualified speech pathologists.
