SATURDAY 19TH OF JULY, 2014
ADULT MAINTENANCE DAY

The Australian Stuttering Research Centre, the University of Sydney will be running a maintenance day for adults who have previously completed a speech pathology treatment program (e.g. Smooth Speech / Camperdown Program).

The program for the day will focus on individual client needs. The emphasis will be on reviewing speech skills and practicing these in a variety of everyday speaking situations.

Student speech pathologists will assist throughout the day under the supervision of qualified speech pathologists.

Please note: Numbers will be limited. Places will be offered according to the order in which registrations and payments are received.
