MY HEALTHCARE, MY CHOICE?
HAVE YOUR SAY
HEALTHCARE CHOICES: HAVE YOUR SAY!

- What choices do you make when it comes to your healthcare?
- Where do you get your healthcare information from?
- What are your reasons for having (or not having) private health insurance?

Researchers from the Faculty of Health Sciences at the University of Sydney want to hear about your healthcare experiences, the choices you make and how you make these choices. We are interested in speaking to men and women over the age of 18 years who would like to share their story.

We need to hear about your experiences!

Participants will each receive a $30 Coles Myer or iTunes voucher in appreciation of their participation.
