INTERNATIONAL HOUSE SCHOLARSHIPS

Future Residents

All scholarships are awarded in the form of accommodation scholarships or bursaries. All scholarships should not have any effect on Australian Government benefits and payments, such as Youth Allowance.

IH Entrance Scholarships

IH Entrance Scholarships are open to both male and female applicants. Scholarships are awarded on the basis of proven financial need and potential contribution toward the life of International House. Preference will be given to Australian applicants from regional or rural areas. The value of each Scholarship is decided by a selection committee according to individual need, funds available and the number of scholarships awarded. Scholarships range in value between $1000 and $3000 p.a. Each scholarship is available for one year only. Residents will then have the opportunity to apply for Returning Resident Scholarships and may be eligible for a loyalty discount.
