

Master of Social Work (Qualifying) Supporting Documentation Checklist 2012

Supporting documentation required:

- Completed Master of Social Work (Qualifying) supplementary form (available from supplementary forms website) (http://sydney.edu.au/future_students/apply_supplementary.shtml).
- Referees reports – at least one (1) for domestic applicants and at least three (3) for international applicants (available from supplementary forms website) (http://sydney.edu.au/future_students/apply_supplementary.shtml).
To be completed by nominated referee(s).
- Statement of employment and/or voluntary service in human and community services for at least **three (3) full time years** (or equivalent) **within the past ten (10) years**.
To be completed by employer and/or volunteer organisation.
- Certified copies of two (2) forms of identification. One of these must include a **photo**.
- Results of an English language proficiency test, conducted within the last two years (if the majority of applicant's undergraduate study was completed in a country where English is not the first language).

Failure to submit all of the above required documents before the published cut-off dates will result in the application being rejected.
