Kees van Raad (1946) is Professor of International Tax Law at the University of Leiden (The Netherlands), University of California (Hastings College of the Law (1996)), the University of Rome (La Sapienza) (1990), Emory University, USA (1981), Georgetown University (Washington DC - USA) he worked for several years at International Department of the Netherlands Ministry of Finance. In 1986 he obtained at Leiden University a doctorate in law (dissertation: Nondiscrimination in International Tax Law (Kluwer, 1986)) and was appointed to the newly created chair in International Tax Law at that university. In addition to his teaching, researching, and supervising doctoral dissertations at Leiden University, he serves as a judge at a regional Netherlands tax court, specializing in international cases, and acts as a consultant to Loyens & Loef, a leading Dutch (tax) law firm. In addition to his Leiden chair, he holds professorial appointments at the New York University Law School (USA) as a member of its Global Law Faculty and at Peking University Law School (China) as visiting Professor. Apart from writings on tax theory and policy, and corporate tax law, Kees van Raad has written extensively on subjects of international tax law: books, chapters for various loose-leaf editions, many articles in legal periodicals and a report on international tax nondiscrimination for which he was awarded in 1983 the Netherlands Biannual Award for Publications on Taxation. Currently, Kees van Raad is Chairman of the Board of the Association of European Tax Professors and a Member of the Permanent Scientific Committee of the International Fiscal Association. Further, he serves as a Contributing Editor of Intertax (International Tax Review) and as a Member of the Editorial Board of the Series on International Taxation (Kluwer Law International) and of various Dutch and foreign tax periodicals. He speaks frequently at international conferences, seminars and symposiums. Kees van Raad has been a visiting professor at various foreign law and business schools: University of Florida, USA (1983, 1997, 2003), Universities of Stockholm and Uppsala, Sweden (1987), University of London, UK (1990), Emory University, USA (1991), New York University, USA 1992, 2002, 2004, 2006), Bocconi University, Italy (1993, 1962, 2002), University of California (Hastings College of the Law (1996)), the Free University of Brussels (1997), University of Sydney (1998, 2005), Xiamen University, China (2004) and Peking University (PKU) Law School, China (2005, 2006).
