NOTE: To self register for your Unikey Account, please note that you need to have first registered online with the LEC in order to do so. Self registrations for your Unikey Account will commence on Monday 3 November 2008.

The LEC online registration process allows the Board’s students to gain access to their assignments and course materials (where applicable) by the commencement of their lectures. Students must note that registering online is not a confirmation of their enrolment with the Board and that any changes to their enrolment must be notified to the LEC as soon as they are known.

All current students will require a Unikey Account (also called an Extro Account) to access the LEC Webcampus. It provides access to the online library facilities you currently access through the Webcampus, but in the same way that students enrolled at the University login to online resources.

How do I set up my Unikey Account?

New LPAB/LEC students can generate their own Unikey Account through a LPAB Student Self Registration page. From the link on the LEC Webcampus homepage, simply follow the instructions on the page by entering your:

- Student Number (this is the same Six Digit Student Number (i.e. 010000) that you use for your Webcampus Login)
- Surname (this is title case sensitive i.e. Smith not smith or SMITH)
- Your Date of Birth

For new students who have registered online by Friday 31 October 2008, self registration for their Unikey Account will commence from Monday 3 November 2008.

Existing students with Unikey Accounts?

Existing students will have their Unikey Account re-validated once you have completed your online registration between 23 October and 31 October 2008.

Passwords

This process generates an account, however you will then need to assign your own password. Please note that the LEC does not have a record of your password. If you forget this password or have any problems with this process, you may contact the ICT Help Desk by email at:

support@usyd.edu.au or the Help Desk number is (02) 9351 6000.

Still not registered on the LEC Webcampus?

If you have not registered, between 23 October and 31 October 2008, in each subject for which you are enrolled in you will not have access to the supplementary online resources that are an essential part of the LEC program. Register immediately, you must then wait until after Monday 3 November 2008 to self register for your Unikey Account.

Further Information on Unikey Accounts?

Please refer to the document on the Webcampus Course Materials section:
