

WELCOME FROM THE PRESIDENT AND CHAIRPERSON

St James' Church and King Street Law Courts

On behalf of the Legal Profession Admission Board and the Law Extension Committee we welcome all students to the Summer 2009-10 teaching session and March 2010 examinations, especially those who are new to the Board's course.

The Board, which is the admitting authority for lawyers in New South Wales, conducts examinations in all subjects which qualify you academically for admission to practice.

The University of Sydney Law Extension Committee provides legal education for the Board's students in the form of lectures, weekend schools, library facilities and specialised library support, subject guides and materials, the setting and marking of assignments and online resources.

The professional orientation of the examinations is reflected in the curriculum, and in the backgrounds and expertise of the examiners and teachers, who come from both practice and university. A committee established by the Board's Rules oversees the Board's curriculum and the progression of students through the course.

The Board and the Law Extension Committee together aim to provide a course that is readily accessible and academically rigorous. We hope that you will benefit from your studies and achieve your objectives in obtaining an education in law as a stepping stone in your career.
