Dear LPAB Student

Please find overleaf an application for a University of Sydney library card.

You should only fill out this form if:

- you are a new student and you have not filled out the form already, or
- you are a continuing student but you do not currently have a library card.

Your library card carries over into each semester in which you are enrolled. You do not need to re-apply for a new card each semester.

All students should have a University of Sydney library card. This card identifies you as an LPAB student and you also need it to borrow items from the University of Sydney Library.
