

**Associate Professor Kevin A. Keay**  
Head of Discipline, Anatomy and Histology

15 December 2011

**Do you want to tutor in the Discipline of Anatomy and Histology, School of Medical Sciences at the University of Sydney ?**

If so, then you should have, do, or be prepared to undertake, the following.

- Have a graduate degree.
- Provide the HoD's office with a current CV/resume.
- Have achieved a good level of expertise or performance in the subject.
- Sign a formal contract of employment.
- Show an aptitude and enthusiasm for the subject and its teaching.
- Be familiar with the University/Faculty/Discipline policies relating to teaching such as assessment, evaluation, plagiarism, occupation health and safety, academic staff conduct, graduate attributes etc.
- Have a qualification in teaching in higher education or be willing to undertake a qualification or training if requested.
- Undertake an initial interview by the unit co-ordinator and if successful undertake the orientation program.
- Be prepared to be involved in Unit meetings to discuss matters relating to the teaching of the unit if requested.
- Be prepared to undergo supervision and evaluation of their teaching if requested.
