

The HL and PO Bishop Fellowship in Neuroscience

The Bosch Institute is pleased to invite applications for the HL and PO Bishop Fellowship in Neuroscience 2019 – 2021.

Made possible by a bequest made by Professor P.O Bishop FAA FRS and Mrs Hilare Bishop, this Fellowship is to be awarded to a member of the Bosch Institute, of the University of Sydney.

The Fellowship is to enable the awardee to visit a neuroscience centre for collaborative work, or to fund or support a novel development in neuroscience, or to improve the communication and teaching of neuroscience.

Applications are invited from eligible people, i.e. from members of the Institute. Applications close March 20 2019.

A pro-forma application can be downloaded [here](#).

Applicants with other queries should contact the Chief Operating Officer of the Institute (coo@bosch.org.au). There is no age limit or requirement.

The value of the award is up to \$50,000. The Fellowship will commence in mid-2019, and the project and budget should be planned over the two years to mid-2021.

The Fellowship will be awarded every two years thereafter.

P.O. Bishop served as Professor and Head of Physiology from 1955 – 1967. He moved to the Australian National University in 1967, also as Professor of Physiology. After his retirement, he returned to the University of Sydney as an Honorary Fellow in Anatomy, from 1987. In 1993 he was awarded the Australia Prize, jointly with HB Barlow and VB Mountcastle, for his work on the neural basis of stereopsis.
