

HL and PO Bishop Fellowship in Neuroscience 2017

Application

The Bosch Institute invites applications for the inaugural HL and PO Bishop Fellowship in Neuroscience.

Endowed by the late Professor P.O. Bishop (Professor of Physiology, 1956-67), the Fellowship is to enable the awardee to undertake a project of 1 – 2 years' duration, which will further neuroscience in the Bosch Institute and more widely.

Applicants should set out the project or program of activities they would undertake during the Fellowship, and propose a budget of up to \$50,000. Activities could include, but are not limited to:

- A visit to a neuroscience centre for collaborative work
- A novel development in neuroscience
- Improvement in the communication/teaching of neuroscience

The closing date for applications is 31 March 2017. The funds will be available from July 1 2017. There is no age guideline.

Preference will be given to a member of the Bosch Institute.

Applications should be submitted as a pdf file to the Institute's Chief Operating Officer (coo@bosch.org.au), with the filename *Bishop Fellowship 2017 your surname.pdf*.

It is planned to advise the outcome by 30 May 2017.
