

2009 University of Sydney Medical Students Elective Term (3rd year) Scholarships

Applications are invited from 'Med 3' students from all clinical schools within the University of Sydney for a number of scholarships to undertake elective term projects in Vietnam.

The clinical placement opportunity will be determined in consultation with the successful candidate and the Học Mãi Coordinators.

This may include an opportunity of an elective placement at:

- TuDu Hospital (Obs and Gynae) Ho Chi Minh City
- Viet Duc Hospital (Surgical) Hanoi
- Bac Mai Hospital (Medical), Hanoi
- National Hospital for Paediatrics, Hanoi
- K Hospital (Cancer)
- DaNang City Hospital

Each application must include:

1. Curriculum Vitae including a photograph of the applicant
2. 2000 word proposal summarizing the aims and objectives of the 3rd year project
3. Evidence of immunization as per University of Sydney Immunisation policy (<http://www.medfac.usyd.edu.au/currentstudent/med/idpolicy.pdf>)

Scholarship allowance includes

- Return airfare
- Accommodation
- Living away from home allowance

Closing date: 16 February 2009

The application package must be emailed rlasson@med.usyd.edu.au

Applications will be short listed and an interview process will occur.
