

JOIN THE WESTERN BLOTTING REVOLUTION

Learn more about Revolutions in Protein Analysis

Invitrogen invites all researchers from the Centenary Institute, University of Sydney and UNSW to:

- 12.30pm **Revolutions in Protein Analysis Technical Seminar** – Dr Cindy Huang, Ph. D, Invitrogen Protein Analysis Technology Specialist – Lecture Theatre 3, WMI.
- 1.30pm **iBlot™ Dry Blotting System Demonstration**, a revolution in Western Blotting.
- 2.00pm **Afternoon Tea** – Discuss your protein analysis challenges with our Technical Specialist. Also available, Dr Wendy Fung, Invitrogen Gene Expression Profiling Technical Specialist to discuss all you miRNA profiling, microarray, RNAi and qPCR challenges. Play the Western Blotting Revolution Game for your chance to Win.

Free Invitrogen Binoculars for all registered attendees

- When:** Wednesday 15th November
Where: Lecture Theatre, Level 6, Centenary Institute
RSVP: mail.australasia@invitrogen.com
to register and reserve your place.

Don't Miss Out - Revolutionise your Western Blotting and Protein Analysis

**Play the Western Blotting Revolution Game –
Highest Score Wins a \$250 Invitrogen Protein Product Credit.**
