

## Measuring Professionalism: a slice of the research evidence

Wednesday 31 October 2007

Leading international and national experts illustrate current challenges for measuring professionalism both qualitatively and quantitatively across the medical education continuum and guide participant discussion groups to consider opportunities for collaborative research measuring professionalism.

### Keynote speakers and topics

**Ronald M. Epstein MD**

Director of Research in Family Medicine University of Rochester Medical Center,  
New York

*“Mindful Practice and Peer Assessment”*

**Chris Roberts MBChB MRCGP MMedSci PhD**

Director CIPHER, University of Sydney
