

Publications for Amith Shetty

2019

Shaw, T., Janssen, A., Crampton, R., O'Leary, F., Hoyle, P., Jones, A., Shetty, A., Gunja, N., Ritchie, A., Spallek, H., Solman, A., Kay, J., Makeham, M., et al (2019). Attitudes of health professionals to using routinely collected clinical data for performance feedback and personalised professional development. *Medical Journal of Australia*, 210(6 Suppl: S17-S2). [More Information]

2018

Pavic, K., Pandya, J., Sebak, S., Shetty, A., Manolios, N. (2018). Acute arthritis: predictive factors and current practice in the approach to diagnosis and management across two hospitals in Sydney. *Internal Medicine Journal*, 48(9), 1087-1095. [More Information]

Shetty, A., Sparenberg, S., Adams, K., Selvedran, S., Tang, B., Hanna, K., Iredell, J. (2018). Arterial to end-tidal carbon dioxide tension difference (CO₂ gap) as a prognostic marker for adverse outcomes in emergency department patients presenting with suspected sepsis. *EMA - Emergency Medicine Australasia*, 30(6), 794-801. [More Information]

Brown, T., Shetty, A., Zhao, D., Harvey, N., Yu, T., Murphy, M. (2018). Association between pain control and patient satisfaction outcomes in the emergency department setting. *EMA - Emergency Medicine Australasia*, 30(4), 523-529. [More Information]

Shetty, A., MACDONALD, S., Keijzers, G., Williams, J., Tang, B., De Groot, B., Thompson, K., Fraser, J., Finfer, S., Bellomo, R., Iredell, J. (2018). Review article: Sepsis in the emergency department - Part 2: Investigations and monitoring. *EMA - Emergency Medicine Australasia*, 30(1), 4-12. [More Information]

Williams, J., Keijzers, G., MacDonald, S., Shetty, A., Fraser, J. (2018). Review article: Sepsis in the emergency department - Part 3: Treatment. *EMA - Emergency Medicine Australasia*, 30(2), 144-151. [More Information]

Shetty, A., Thompson, K., Byth Wilson, K., Macaskill, P., Green, M., Fullick, M., Lander, H., Iredell, J. (2018). Serum lactate cut-offs as a risk stratification tool for in-hospital adverse outcomes in emergency department patients screened for suspected sepsis. *BMJ Open*, 8(1), 1-8. [More Information]

Warmerdam, M., Baris, L., Liebergen, M., Ansems, A., Exteve Cuevas, L., Willeboer, M., Rijpsma, D., Shetty, A., De Groot, B. (2018). The association between systolic blood pressure and in-hospital mortality in older emergency department patients who are hospitalised with a suspected infection. *Emergency Medicine Journal*, 35(10), 619-622. [More Information]

2017

Noori, O., Batra, S., Shetty, A., Steinbeck, K. (2017). Adolescent presentations to an adult hospital emergency department. *EMA - Emergency Medicine Australasia*, 29(5), 539-544. [More Information]

Shetty, A., Teh, C., Vukasovic, M., Joyce, S., Vaghasiya, M., Forero, R. (2017). Impact of emergency department discharge stream short stay unit performance and hospital bed occupancy rates on access and patient flow measures: A single site study. *EMA - Emergency Medicine Australasia*, 29(4), 407-414. [More Information]

Shetty, A., MACDONALD, S., Williams, J., Van Bockxmeer, J., De Groot, B., Exteve Cuevas, L., Ansems, A., Green, M., Thompson, K., Lander, H., et al (2017). Lactate (\geq)2 mmol/L plus qSOFA improves utility over qSOFA alone in emergency department patients presenting with suspected sepsis. *EMA - Emergency Medicine Australasia*, 29(6), 626-634. [More Information]

Fullerton, J., Thompson, K., Shetty, A., Iredell, J., Lander, H., Myburgh, J., Finfer, S. (2017). New sepsis definition changes incidence of sepsis in the intensive care unit. *Critical Care and Resuscitation*, 19(1), 9-13.

Fullerton, J., Thompson, K., Shetty, A., Iredell, J., Lander, H., Myburgh, J., Finfer, S. (2017). New sepsis definition changes incidence of sepsis in the intensive care unit. *Critical Care and Resuscitation*, 19(1), 9-13.

MACDONALD, S., Williams, J., Shetty, A., Bellomo, R., Finfer, S., Shapiro, N., Keijzers, G. (2017). Review article: Sepsis in the emergency department $i_c^{1/2}$ Part 1: Definitions and outcomes. *EMA - Emergency Medicine Australasia*, 29(6), 619-625. [More Information]

2016

Noori, O., Shetty, A., Steinbeck, K. (2016). Adolescent presentations to adult hospital emergency departments: systematic review. *Jacobs Journal of Emergency Medicine*, 3(4), 1-7.

Tse, R., Thompson, N., Moscova, M., Sindhusake, D., Shetty, A., Young, N. (2016). Do delays in radiology lead to breaches in the 4-hour rule? *Clinical Radiology*, 71(6), 523-531. [More Information]

Shetty, A., Vaghasiya, M., Boddy, R., Byth Wilson, K., Unwin, D. (2016). Perceived incivility during emergency department phone consultations. *EMA - Emergency Medicine Australasia*, 28(3), 256-261. [More Information]

Shetty, A., Brown, T., Booth, T., Van, K., Dor-Shiffer, D., Vaghasiya, M., Eccleston, C., Iredell, J. (2016). Systemic inflammatory response syndrome-based severe sepsis screening algorithms in emergency department patients with suspected sepsis. *EMA - Emergency Medicine Australasia*, 28(3), 287-294. [More Information]

2015

Yee, K., Shetty, A., Lai, K. (2015). ABG needle study: a randomised control study comparing 23G versus 25G needle success and pain scores. *Emergency Medicine Journal*, 32(5), 343-347. [More Information]

Shetty, A., Shankar Raju, S., Hermiz, A., Vaghasiya, M., Vukasovic, M. (2015). Age and admission times as predictive factors for failure of admissions to discharge-stream short-stay units. *EMA - Emergency Medicine Australasia*, 27(1), 42-46. [More Information]

Denver, D., Shetty, A., Unwin, D. (2015). Falls and Implementation of NEXUS in the Elderly (The FINE Study). *The Journal of Emergency Medicine*, 49(3), 294-300. [More Information]

2014

Perveen, S., Unwin, D., Shetty, A., Byth Wilson, K. (2014). Response to the comments on 'point of care D-dimer testing in the emergency department-A bioequivalence study' and erratum to the results. *Annals of Laboratory Medicine*, 34(1), 66-67. [More Information]

Vaghasiya, M., Murphy, M., O'Flynn, D., Shetty, A. (2014). The emergency department prediction of disposition (EPOD) study. *Australasian Emergency Nursing Journal*, 17(4), 161-166. [More Information]

2013

Rafi, M., Shetty, A., Gunja, N. (2013). Accuracy of computed tomography of the kidneys, ureters and bladder interpretation by emergency physicians. *EMA - Emergency Medicine Australasia*, 25(5), 422-426. [More Information]

Grewal, H., Varshney, K., Thomas, L., Kok, J., Shetty, A. (2013). Blood pressure cuffs as a vector for transmission of multi-resistant organisms: colonisation rates and effects of disinfection. *EMA - Emergency Medicine Australasia*, 25(3), 222-226. [More Information]

Perveen, S., Unwin, D., Shetty, A. (2013). Point of Care D-Dimer Testing in the Emergency Department: A Bioequivalence Study. *Annals of Laboratory Medicine*, 33(1), 34-38. [More Information]

2012

Shetty, A., Gunja, N., Byth Wilson, K., Vukasovic, M. (2012). Senior Streaming Assessment Further Evaluation after Triage zone: A novel model of care encompassing various emergency department throughput measures. *EMA - Emergency Medicine Australasia*, 24(4), 374-382. [More Information]

2010

Shetty, A., Lai, K., Byth, K. (2010). The CO2 GAP Project-CO2 GAP as a prognostic tool in emergency departments. *EMA - Emergency Medicine Australasia*, 22(6), 524-531. [More Information]
