

Publications for Andrew Holland

2018

Adams, S., Holland, A., Brown, J. (2018). A comparison of the management of blunt splenic injury in children and young people-A New South Wales, population-based, retrospective study. *Injury*, 49(1), 42-50. [More Information]

Schneuer, F., Milne, E., Jamieson, S., Pereira, G., Hansen, M., Barker, A., Holland, A., Bower, C., Nassar, N. (2018). Association between male genital anomalies and adult male reproductive disorders: a population-based data linkage study spanning more than 40 years. *The Lancet Child & Adolescent Health*, 2(10), 736-743. [More Information]

Hyland, E., D'Cruz, R., Menon, S., Harvey, J., La Hei, E., Lawrence, T., Waddell, K., Nash, M., Holland, A. (2018). Biobrane versus acticoat for the treatment of mid-dermal pediatric burns: a prospective randomized controlled pilot study. *International Journal of Burns and Trauma*, 8(3), 63-67.

Fraser, S., Grant, J., Mackean, T., Hunter, K., Holland, A., Clapham, K., Teague, W., Ivers, R. (2018). Burn injury models of care: A review of quality and cultural safety for care of Indigenous children. *Burns*, 44(3), 665-677. [More Information]

Coombes, J., Hunter, K., Mackean, T., Holland, A., Sullivan, E., Ivers, R. (2018). Factors that impact access to ongoing health care for First Nation children with a chronic condition. *BMC Health Services Research*, 18(1), 448. [More Information]

Azzam, N., Oei, J., Adams, S., Bajuk, B., Hilder, L., Mohamed, A., Wright, I., Holland, A. (2018). Influence of early childhood burns on school performance: an Australian population study. *Archives of Disease in Childhood*, 103(5), 444-451. [More Information]

Manglick, M., Ross, F., Waugh, M., Holland, A., Cass, D., Sannappa Venkatraman, S. (2018). Neurocognitive outcomes in children following immersion: a long-term study. *Archives of Disease in Childhood*, 103(8), 784-789. [More Information]

Walker, K., Holland, A. (2018). Physical growth, neurodevelopment and cognition outcomes in children with abdominal wall defects: a tale with two endings? *Archives of Disease in Childhood: Fetal and Neonatal Edition*, 104(1), F2-F3. [More Information]

Schneuer, F., Bentley, J., Davidson, A., Holland, A., Badawi, N., Martin, A., Skowno, J., Lain, S., Nassar, N. (2018). Reply to Ritchie-McLean, Susanna; Wilmschurst, Sally, regarding their comment "Can population cohort studies assess the long-term impact of anaesthesia in children?". *Paediatric Anaesthesia*, 28(12), 1157-1158. [More Information]

Schneuer, F., Bentley, J., Davidson, A., Holland, A., Badawi,

N., Martin, A., Skowno, J., Lain, S., Nassar, N. (2018). The impact of general anesthesia on child development and school performance: a population-based study. *Paediatric Anaesthesia*, 28(6), 528-536. [More Information]

2017

McDowell, D., Darani, A., Shun, A., Thomas, G., Holland, A. (2017). A bibliometric analysis of pediatric liver transplantation publications. *Pediatric Transplantation*, 21(4), 1-7. [More Information]

Diamond, D., Chan, I., Holland, A., Kurtz, M., Nelson, C., Estrada Jr, C., Bauer, S., Tam, P. (2017). Advances in paediatric urology. *The Lancet*, 390(10099), 1061-1071. [More Information]

Curtis, K., Mitchell, R., McCarthy, A., Wilson, K., Van, C., Kennedy, B., Tall, G., Holland, A., Foster, K., Dickinson, S., et al (2017). Development of the major trauma case review tool. *Scandinavian Journal of Trauma, Resuscitation and Emergency Medicine*, 25(1), 1-8. [More Information]

Mitchell, R., Curtis, K., Testa, L., Holland, A., Sannappa Venkatraman, S., Adams, S. (2017). Differences in survival outcome for severely injured paediatric trauma by type of trauma centre. *Journal of Paediatrics and Child Health*, 53(8), 808-813. [More Information]

Schneuer, F., Bentley, J., Holland, A., Lain, S., Jamieson, S., Badawi, N., Nassar, N. (2017). Early Childhood Development of Boys with Genital Anomalies. *Birth Defects Research*, 109(8), 535-542. [More Information]

Adams, S., Holland, A., Brown, J. (2017). Management of paediatric splenic injury in the New South Wales trauma system. *Injury*, 48(1), 106-113. [More Information]

Jehangir, S., Kurian, J., Selvarajah, D., Thomas, R., Holland, A. (2017). Recurrent and metastatic congenital mesoblastic nephroma: where does the evidence stand? *Pediatric Surgery International*, 33(11), 1183-1188. [More Information]

Ziaziaris, W., Darani, A., Holland, A., Alexander, A., Karpelowsky, J., Barbaro, P., Stormon, M., O'Leary, E., Shun, A., Thomas, G. (2017). Reducing the incidence of hepatic artery thrombosis in pediatric liver transplantation: Effect of microvascular techniques and a customized anticoagulation protocol. *Pediatric Transplantation*, 21(4), 1-7. [More Information]

Pham, A., La Hei, E., Harvey, J., Holland, A. (2017). The effect of ambient lighting on Laser Doppler Imaging of a standardized cutaneous injury model. *International Journal of Burns and*

Trauma, 7(7), 147-152.

Holland, A., Soundappan, S. (2017). Trauma hazards in children: An update for the busy clinician. *Journal of Paediatrics and Child Health*, 53(11), 1096-1100. [More Information]

2016

Menon, S., Chan, Q., Bertinett, M., Harvey, J., Hei, E., Holland, A. (2016). A novel device to create consistent deep dermal burns in a porcine model. *International Journal of Burns and Trauma*, 6(2), 26-29.

Suda, S., Williams, H., Medbury, H., Holland, A. (2016). A Review of Monocytes and Monocyte-Derived Cells in Hypertrophic Scarring Post Burn. *Journal of Burn Care and Research*, 37(5), 265-272. [More Information]

Schneuer, F., Holland, A., Pereira, G., Jamieson, S., Bower, C., Nassar, N. (2016). Age at surgery and outcomes of an undescended testis. *Pediatrics*, 137(2), 1-8. [More Information]

Hyland, E., Maze, D., Lawrence, T., Harvey, J., Holland, A. (2016). Biobrane(TM) and skin staples: beware of necrotic ulceration. *International Wound Journal*, 13(5), 878-879. [More Information]

Quinn, L., Holland, A. (2016). Burns trauma. In Kate Curtis and Clair Ramsden (Eds.), *Emergency and Trauma Care 2e: For Nurses and Paramedics*, (pp. 1363-1380). Sydney: Elsevier.

Walker, K., Loughran-Fowlds, A., Halliday, R., Badawi, N., Stewart, J., Holland, A. (2016). Developmental outcomes at three years of age of infants with esophageal atresia. *Journal of Pediatric Surgery*, 51(2), 249-251. [More Information]

Hyland, E., Lawrence, T., Harvey, J., Holland, A. (2016). Management and outcomes of children with severe burns in New South Wales: 1995-2013. *ANZ Journal of Surgery*, 86(6), 499-503. [More Information]

Schneuer, F., Bower, C., Holland, A., Tasevski, V., Jamieson, S., Barker, A., Lee, L., Majzoub, J., Nassar, N. (2016). Maternal first trimester serum levels of free-beta human chorionic gonadotrophin and male genital anomalies. *Human Reproduction*, 31(8), 1895-1903. [More Information]

Kong, J., Yeo, K., Abdel-Latif, M., Bajuk, B., Holland, A., Adams, S., Jiwane, A., Heck, S., Yeong, M., Lui, K., et al (2016). Outcomes of infants with abdominal wall defects over 18 years. *Journal of Pediatric Surgery*, 51(10), 1644-1649. [More Information]

McCarthy, A., Curtis, K., Holland, A. (2016). Paediatric trauma systems and their impact on the health outcomes of severely injured children: An integrative review. *Injury*, 47(3), 574-585. [More Information]

Curtis, K., McCarthy, A., Mitchell, R., Black, D., Foster, K., Jan, S., Burns, B., Tall, G., Rigby, O., Gruen, R., Kennedy, B., Holland, A. (2016). Paediatric trauma systems and their impact

on the health outcomes of severely injured children: Protocol for a mixed methods cohort study. *Scandinavian Journal of Trauma, Resuscitation and Emergency Medicine*, 24(1), 1-8. [More Information]

Holland, A., Nassar, N., Schneuer, F. (2016). Undescended testes: An update. *Current Opinion in Pediatrics*, 28(3), 388-294. [More Information]

2015

Hyland, E., Harvey, J., Martin, A., Holland, A. (2015). Airway compromise in children with anterior neck burns: Beware the scalded child. *Journal of Paediatrics and Child Health*, 51(10), 976-981. [More Information]

Hyland, E., D'Cruz, R., Harvey, J., Moir, J., Parkinson, C., Holland, A. (2015). An assessment of early Child Life Therapy pain and anxiety management: A prospective randomised controlled trial. *Burns*, 41(8), 1642-1652. [More Information]

Liu, M., Holland, A., Cass, D. (2015). Assessment of postoperative outcomes of hypospadias repair with validated questionnaires. *Journal of Pediatric Surgery*, 50(12), 2071-2074. [More Information]

D'Cruz, R., Pang, T., Harvey, J., Holland, A. (2015). Chemical burns in children: Aetiology and prevention. *Burns*, 41(4), 764-769. [More Information]

Ziaziaris, W., Darani, A., Holland, A., Alexander, A., Karpelowsky, J., Shun, A., Thomas, G. (2015). Delayed primary closure and the incidence of surgical complications in pediatric liver transplant recipients. *Journal of Pediatric Surgery*, 50(12), 2137-2140. [More Information]

Walker, K., Loughran-Fowlds, A., Halliday, R., Holland, A., Stewart, J., Sholler, G., Winlaw, D., Badawi, N. (2015). Developmental outcomes at 3 years of age following major non-cardiac and cardiac surgery in term infants: A population-based study. *Journal of Paediatrics and Child Health*, 51(12), 1221-1225. [More Information]

Langusch, C., Norlen, O., Titmuss, A., Donoghue, K., Holland, A., Shun, A., Delbridge, L. (2015). Focused image-guided parathyroidectomy in the current management of primary hyperparathyroidism. *Archives of Disease in Childhood*, 100(10), 924-927. [More Information]

George, M., Schneuer, F., Jamieson, S., Holland, A. (2015). Genetic and environmental factors in the aetiology of hypospadias. *Pediatric Surgery International*, 31(6), 519-527. [More Information]

Hyland, E., Holland, A. (2015). Have we really decreased mortality due to severe burn injury in children? *Translational Pediatrics*, 4(3), 201-202. [More Information]

Gupta, V., Trivedi, A., Walker, K., Holland, A. (2015). Neurodevelopmental outcome of infants with gastroschisis at one-year follow-up. *Journal of Neonatal Surgery*, 4(2), 1-5.

Holland, A., McBride, C. (2015). Non-operative advances: what has happened in the last 50 years in paediatric surgery? *Journal of Paediatrics and Child Health*, 51(1), 74-77. [More Information]

Aikins, K., Prasad, N., Menon, S., Harvey, J., Holland, A. (2015). Pediatric burn wound impetigo after grafting. *Journal of Burn Care and Research*, 36(2), e41-e46. [More Information]

McDowell, D., Hyland, E., Harvey, J., Holland, A. (2015). Pediatric burns research: A history or an evolution? *Burns*, 41(7), 1556-1561. [More Information]

Menon, S., Jacques, M., Harvey, J., Holland, A. (2015). Pediatric scalp burns: Hair today, gone tomorrow? *Journal of Burn Care and Research*, 36(2), e18-e22. [More Information]

Schneuer, F., Holland, A., Pereira, G., Bower, C., Nassar, N. (2015). Prevalence, repairs and complications of hypospadias: An Australian population-based study. *Archives of Disease in Childhood*, 100(11), 1038-1043. [More Information]

Hyland, E., D'Cruz, R., Menon, S., Chan, Q., Harvey, J., Lawrence, T., La Hei, E., Holland, A. (2015). Prospective, randomised controlled trial comparing Versajet hydrosurgery and conventional debridement of partial thickness paediatric burns. *Burns*, 41(4), 700-707. [More Information]

Hyland, E., Zeni, G., Harvey, J., Holland, A. (2015). Rural and Metropolitan Pediatric Burns in New South Wales and the Australian Capital Territory: Does Distance Make a Difference? *Journal of Burn Care and Research*, 36(4), e231-e237. [More Information]

Trivedi, A., Walker, K., Loughran-Fowlds, A., Halliday, R., Holland, A., Badawi, N. (2015). The impact of surgery on the developmental status of late preterm infants - a cohort study. *Journal of Neonatal Surgery*, 4(1), 1-6.

McBride, C., Holland, A. (2015). Theatre of paediatric surgery. *Journal of Paediatrics and Child Health*, 51(1), 98-102. [More Information]

Ivers, R., Hunter, K., Clapham, K., Coombes, J., Fraser, S., Lo, S., Gabbe, B., Hendrie, D., Read, D., Kimble, R., Jones, L., Holland, A., et al (2015). Understanding burn injuries in Aboriginal and Torres Strait Islander children: protocol for a prospective cohort study. *BMJ Open*, 5(10), 1-7. [More Information]

2014

Hoeksema, H., Baker, R., Holland, A., Perry, T., Jeffery, S., Verbelen, J., Monstrey, S. (2014). A new, fast LDI for assessment of burns: a multi-centre clinical evaluation. *Burns*, 40(7), 1274-1282. [More Information]

Holland, A., Sannappa Venkatraman, S., Cass, D. (2014). Comment on: "Diagnostic and therapeutic challenges of isolated small bowel perforations after blunt abdominal injury in low income settings: analysis of twenty three new cases" [Injury 45 (2014) 141-145]. *Injury*, 45(6), 1021-1022. [More Information]

Hyland, E., Harvey, J., Holland, A. (2014). First aid for burns: too little, too late and often wrong. *Medical Journal of Australia*, 200(2), 85-85. [More Information]

Holland, A., Ward, D., La Hei, E., Harvey, J. (2014). Laser Doppler Line Scan Burn Imager (LDLS-BI): Sideways move or a step ahead? *Burns*, 40(1), 113-119. [More Information]

Holland, A., Hamid, C., Martin, H. (2014). Quality of life and anxiety in Turkish patients with anorectal malformation. *Journal of Paediatrics and Child Health*, 50(8), 657-658. [More Information]

Holland, A. (2014). Report of the 47th annual meeting of the Pacific Association of Pediatric Surgeons, Banff, Alberta, Canada, May 25th-29th, 2014. *Journal of Pediatric Surgery*, 49(12), 1861-1862. [More Information]

Thomas, R., Holland, A. (2014). Surgical approach to the palpable undescended testis. *Pediatric Surgery International*, 30(7), 707-713. [More Information]

Holland, A., Roy, G., Cass, D. (2014). The epidemiology of horse-related injuries. *Journal of Trauma and Acute Care Surgery*, 77(1), 182. [More Information]

Liao, A., Andresen, D., Martin, H., Harvey, J., Holland, A. (2014). The infection risk of plastic wrap as an acute burns dressing. *Burns*, 40(3), 443-445. [More Information]

2013

Mitchell, R., Curtis, K., Holland, A., Balogh, Z., Evans, J., Wilson, K. (2013). Acute costs and predictors of higher treatment costs for major paediatric trauma in New South Wales, Australia. *Journal of Paediatrics and Child Health*, 49(7), 557-563. [More Information]

Scott, K., Charles, A., Holland, A. (2013). Clinical embryology teaching: is it relevant anymore? *ANZ Journal of Surgery*, 83(10), 709-712. [More Information]

Mitchell, R., Curtis, K., Chong, S., Holland, A., Sannappa Venkatraman, S., Wilson, K., Cass, D. (2013). Comparative analysis of trends in paediatric trauma outcomes in New South Wales, Australia. *Injury*, 44(1), 97-103. [More Information]

Walker, K., Halliday, R., Badawi, N., Stewart, J., Holland, A. (2013). Early developmental outcome following surgery for

oesophageal atresia. *Journal of Paediatrics and Child Health*, 49(6), 467-470. [More Information]

Chan, Q., Barzi, F., Harvey, J., Holland, A. (2013). Functional and Cosmetic Outcome of Full- vs Split-Thickness Skin Grafts in Pediatric Palmar Surface Burns: A Prospective, Independent Evaluation. *Journal of Burn Care and Research*, 34(2), 232-236. [More Information]

Taylor, N., Cass, D., Holland, A. (2013). Infantile hypertrophic pyloric stenosis: Has anything changed? *Journal of Paediatrics and Child Health*, 49(1), 33-37. [More Information]

Wu, C., Tan, A., Maze, D., Holland, A. (2013). Instant hot noodles: Do they need to burn? *Burns*, 39(2), 363-368. [More Information]

Kim, L., Martin, H., Holland, A. (2013). Introduction of new techniques in burn care in Australia and New Zealand: A survey. *ANZ Journal of Surgery*, 83(11), 802-803. [More Information]

D'Cruz, R., Martin, H., Holland, A. (2013). Medical management of paediatric burn injuries: Best practice part 2. *Journal of Paediatrics and Child Health*, 49(9), E397-E404. [More Information]

Ofri, A., Harvey, J., Holland, A. (2013). Pediatric upper aerodigestive and respiratory tract burns. *International Journal of Burns and Trauma*, 3(4), 209-213. [More Information]

Wilcox, C., D'Cruz, R., Holland, A. (2013). Polyorchism in association with an undescended testis and testicular atrophy: Report of a unique case and review of the literature. *Journal of Pediatric Surgery Case Reports*, 1(1), e7-e9. [More Information]

Holland, A. (2013). Report of the 46th Annual Meeting of the Pacific Association of Pediatric Surgeons, together with the Australian and New Zealand Association of Paediatric Surgeons. *Journal of Pediatric Surgery*, 48, 2484-2485. [More Information]

Maheshwari, R., Trivedi, A., Walker, K., Holland, A. (2013). Retrospective cohort study of long-gap oesophageal atresia. *Journal of Paediatrics and Child Health*, 49(10), 845-849. [More Information]

Bidarkar, S., Wood, J., Cohen, R., Holland, A. (2013). Role of simulation for paediatric proceduralists: Practice makes perfect or trial and error? *Journal of Paediatrics and Child Health*, 49(2), 94-98. [More Information]

Uppal, P., Holland, A., Bajuk, B., Abdel-Latif, M., Jaffe, A., Hilder, L., Lui, K., Oei, J. (2013). The association between maternal country of birth and neonatal intensive care unit outcomes. *Early Human Development*, 89(8), 607-614. [More Information]

Menon, S., Li, Z., Harvey, J., Holland, A. (2013). The use of the Meek technique in conjunction with cultured epithelial autograft in the management of major paediatric burns. *Burns*, 39(4), 674-679. [More Information]

2012

Wilson, B., Cheney, L., Patel, B., Holland, A. (2012). Appendicectomy at a children's hospital: what has changed over a decade? *ANZ Journal of Surgery*, 82(9), 639-643. [More Information]

Chan, Q., Barzi, F., Cheney, L., Harvey, J., Holland, A. (2012). Burn size estimation in children: Still a problem. *EMA - Emergency Medicine Australasia*, 24(2), 181-186. [More Information]

Walker, K., Badawi, N., Halliday, R., Stewart, J., Sholler, G., Winlaw, D., Sherwood, M., Holland, A. (2012). Early Developmental Outcomes following Major Noncardiac and Cardiac Surgery in Term Infants: A Population-Based Study. *The Journal of Pediatrics*, 161(4), 748-752. [More Information]

Menon, S., Ward, D., Harvey, J., LaHei, E., Holland, A. (2012). Friction Burns in Children: Does Laser Doppler Imaging Have a Role? *Journal of Burn Care and Research*, 33(6), 736-740. [More Information]

Holland, A. (2012). Investigation prior to thyroglossal duct cyst excision. *Annals of the Royal College of Surgeons of England*, 94(6), 452-452. [More Information]

Kim, L., Martin, H., Holland, A. (2012). Medical management of paediatric burn injuries: Best practice. *Journal of Paediatrics and Child Health*, 48(4), 290-295. [More Information]

Hassett, S., Smith, G., Holland, A. (2012). Prune belly syndrome. *Pediatric Surgery International*, 28(3), 219-228. [More Information]

Holland, A. (2012). Report of the 45th Annual Meeting, Pacific Association of Pediatric Surgeons. *Journal of Pediatric Surgery*, 47(12), 2302-2303. [More Information]

D'Cruz, R., La Hei, E., Holland, A. (2012). Severe burns from alkali drain cleaner. *Medical Journal of Australia*, 197(8), 446-446. [More Information]

Chan, Q., Harvey, J., Graf, N., Godfrey, C., Holland, A. (2012). The correlation between time to skin grafting and hypertrophic scarring following an acute contact burn in a porcine model. *Journal of Burn Care and Research*, 33(2), e43-e48. [More Information]

Walker, K., Holland, A., Halliday, R., Badawi, N. (2012). Which high-risk infants should we follow-up and how should we do it? *Journal of Paediatrics and Child Health*, 48(9), 789-

793. [More Information]

2011

Quinn, L., Holland, A. (2011). Burns Trauma. In Kate Curtis, Clair Ramsden, Bill Lord (Eds.), *Emergency and Trauma Care for Nurses and Paramedics*, (pp. 1391-1410). Sydney: Elsevier.

Wilson, B., Holland, A. (2011). Comment on Turowski et al.: delayed diagnosis of imperforate anus: an unacceptable morbidity. *Pediatric Surgery International*, 27(4), 443-444. [More Information]

Walker, K., Badawi, N., Holland, A., Halliday, R. (2011). Developmental outcomes following major surgery: What does the literature say? *Journal of Paediatrics and Child Health*, 47(11), 766-770. [More Information]

Rajan, V., Abeyasundara, S., Harvey, J., Holland, A. (2011). Exhaust Burns in Children. *Burns*, 37(2), 273-276. [More Information]

Cheney, L., Patel, B., Lam, A., Arbuckle, S., Morris, J., Holland, A. (2011). Extralobar pulmonary sequestration in association with congenital cystic adenomatoid malformation: an unusual abdominal mass. *ANZ Journal of Surgery*, 81(7-8), 556-558. [More Information]

Walker, K., Halliday, R., Badawi, N., Holland, A. (2011). Reply to letter to the editor. *Journal of Pediatric Surgery*, 46(6), 1299-1299. [More Information]
