

Publications for Anil Keshava

2018

van Schalkwyk, C., Dusseldorp, J., Liang, D., Keshava, A., Gilmore, A., Merten, S. (2018). Concomitant Abdominoplasty and Laparoscopic Umbilical Hernia Repair. *Aesthetic Surgery Journal*, 38(12), 196-204. [More Information]

Cheong, J., Keshava, A., Witting, P., Young, C. (2018). Effects of Intraoperative Insufflation With Warmed, Humidified CO₂ during Abdominal Surgery: A Review. *Annals of Coloproctology*, 34(3), 125-137. [More Information]

Toh, J., Wang, N., Young, C., Rickard, M., Keshava, A., Stewart, P., Kariyawasam, V., Leong, R. (2018). Major Abdominal and Perianal Surgery in Crohn's Disease: Long-term Follow-up of Australian Patients With Crohn's Disease. *Diseases of the Colon and Rectum*, 61(1), 67-76. [More Information]

Cheung, H., Dent, O., Richardson, G., Chan, C., Keshava, A., Young, C. (2018). Pathological outcomes in rectal cancer following laparoscopic surgery. *Asia-Pacific Journal of Clinical Oncology*, 14(2), e175-e180. [More Information]

Toh, J., Young, C., Rickard, M., Keshava, A., Stewart, P., Whiteley, I. (2018). Peristomal pyoderma gangrenosum: 12-year experience in a single tertiary referral centre. *ANZ Journal of Surgery*, 88(10), E693-E697. [More Information]

Cheng, E., Oliphant, R., Fung, C., Rickard, M., Keshava, A. (2018). Schwannoma of the appendix: A case report and review of the literature. *Surgical Practice*, 22(2), 81-83. [More Information]

Toh, J., Wood, S., Rickard, M., Keshava, A. (2018). Treat the patient or radiology? Free intraperitoneal gas in clinically well patients with perforated diverticulitis. *ANZ Journal of Surgery*, 88(10), E743-E744. [More Information]

Reece, M., Chapuis, P., Keshava, A., Stewart, P., Suen, M., Rickard, M. (2018). When does curatively treated colorectal cancer recur? An Australian perspective. *ANZ Journal of Surgery*, 88(11), 1163-1167. [More Information]

2017

Cheong, J., Keshava, A. (2017). Gastrointestinal: Enema nozzle injury to the rectum, a vague presentation with significant morbidity. *Journal of Gastroenterology and Hepatology*, 32(5), 945-945. [More Information]

Keshava, A., Cheong, J. (2017). Gastrointestinal: Ileo-anal J-pouch intraluminal bridge causing obstruction and bleeding. *Journal of Gastroenterology and Hepatology*, 32(8), 1422. [More Information]

Cheong, J., Young, C., Keshava, A. (2017). Gastrointestinal: Intermittent chronic small bowel obstruction from a bezoar within an ileal J-pouch. *Journal of Gastroenterology and Hepatology*, 32(4), 736-736. [More Information]

Oliphant, R., Richardson, G., Keshava, A. (2017). Laparoscopic use of the Contour Curved Cutter Stapler device via a glove port: a modified technique. *Techniques in Coloproctology*, 21(1), 59-60. [More Information]

Cheong, J., Keshava, A. (2017). Management of colorectal trauma: a review. *ANZ Journal of Surgery*, 87(7-8), 547-553. [More Information]

Toh, J., Keshava, A., Rickard, M., Wood, S. (2017). Response to Re: Treat the patient or radiology? Free intraperitoneal gas in clinically well patients with perforated diverticulitis. *ANZ Journal of Surgery*, 87(42767), 103. [More Information]

Cheong, J., Oliphant, R., Richardson, G., Rickard, M., Keshava, A. (2017). The use of warmed, humidified CO₂ during open abdominal surgery: a modified delivery technique. *Techniques in Coloproctology*, 21(4), 309-310. [More Information]

Rickard, M., Keshava, A., Toh, J. (2017). Three steps and a join: a simple guide to right- and left-sided medial to lateral laparoscopic colorectal surgery. *Techniques in Coloproctology*, 21(8), 673-677. [More Information]

2016

Cheong, J., Gilmore, A., Keshava, A. (2016). Gastrointestinal: Cholecystocolonic fistula: A rare cause of large bowel obstruction. *Journal of Gastroenterology and Hepatology*, 31(5), 909-909. [More Information]

Bokey, L., Chapuis, P., Chan, C., Stewart, P., Rickard, M., Keshava, A., Dent, O. (2016). Long-term results following an anatomically based surgical technique for resection of colon cancer: a comparison with results from complete mesocolic excision. *Colorectal Disease*, 18(7), 676-683. [More Information]

Toh, J., Lim, R., Keshava, A., Rickard, M. (2016). The risk of internal hernia or volvulus post laparoscopic colorectal surgery: systematic review. *Colorectal Disease*, 18(12), 1133-1141. [More Information]

2015

Harris, C., Keshava, A. (2015). Gastrointestinal: Laparoscopic repair of acute perineal hernia causing complete small bowel

obstruction. *European Journal of Gastroenterology and Hepatology*, 30(12), 1692-1692. [More Information]

2014

Courtenay, L., Kwok, A., Keshava, A. (2014). Gastrointestinal: diaphragm disease: emerging cause of gastrointestinal obstruction and bleeding. *Journal of Gastroenterology and Hepatology*, 29(2), 230-230. [More Information]

2013

Keshava, A., Young, C., Richardson, G., De-Loyde, K. (2013). A historical comparison of single incision and conventional multiport laparoscopic right hemicolectomy. *Colorectal Disease*, 15(10), e618-e622. [More Information]

Wright, D., Ng, K., Keshava, A., Gladman, M. (2013). An unusual cause of large bowel obstruction. *Colorectal Disease*, 15(1), e60-e61. [More Information]

Ansari, N., Keshava, A., Rickard, M., Richardson, G. (2013). Laparoscopic repair of internal hernia following laparoscopic anterior resection. *International Journal of Colorectal Disease*, 28(12), 1739-1741. [More Information]

Chapuis, P., Bokey, E., Keshava, A., Rickard, M., Stewart, P., Young, C., Dent, O. (2013). Risk factors for prolonged ileus after resection of colorectal cancer: an observational study of 2400 consecutive patients. *Annals of Surgery*, 257(5), 909-915. [More Information]

Krishna, A., Russell, M., Richardson, G., Rickard, M., Keshava, A. (2013). Supervised surgical training and its effect on the short term outcome in laparoscopic colorectal surgery. *Colorectal Disease*, 15(8), e483-e487. [More Information]

2011

Keshava, A., Mackenzie, S., Young, C. (2011). Author's reply: Single-incision laparoscopic right hemicolectomy (Br J Surg 2010; 97: 1881-1883). *British Journal of Surgery*. [More Information]

2007

Keshava, A., Chapuis, P., Chan, C., Lin, B., Bokey, E., Dent, O. (2007). The significance of involvement of a free serosal surface for recurrence and survival following resection of clinicopathological stage B and C rectal cancer. *Colorectal Disease*, 9(7), 609-618. [More Information]

2006

Rothwell, L., Bokey, E., Keshava, A., Chapuis, P., Dent, O. (2006). Outcomes after admission on the day of elective resection for colorectal cancer. *ANZ Journal of Surgery*, 76(1 to 2), 14-19. [More Information]
