

Publications for Grahame Simpson

2019

Kelly, G., Simpson, G., Brown, S., Kremer, P., Gillett, L. (2019). The Overt Behaviour Scale½Self-Report (OBS-SR) for acquired brain injury: exploratory analysis of reliability and validity (forthcoming). *Neuropsychological Rehabilitation*, 29(5), 704-722. [More Information]

2018

Whiting, D., Deane, F., Simpson, G., Ciarrochi, J., McLeod, H. (2018). Acceptance and Commitment Therapy delivered in a dyad after a severe traumatic brain injury: A feasibility study. *Clinical Psychologist*, 22(2), 230-240. [More Information]

Simpson, G., Mitsch, V., Doyle, M., Forman, M., Young, D., Solomon, V., MacPherson, M., Gillett, L., Strettles, B. (2018). Investigating the Model of Community-Based Case Management in the New South Wales Brain Injury Rehabilitation Program: A Prospective Multicenter Study. *Journal of Head Trauma Rehabilitation*, 33(6), E38-E48. [More Information]

Mantell, A., Simpson, G., Vungkhanching, M., Jones, K., Strandberg, T., Simonson, P. (2018). Social work-generated evidence in traumatic brain injury from 1975 to 2014: A systematic scoping review. *Health and Social Care in the Community*, 26(4), 433-448. [More Information]

Jones, K., Pryor, J., Care-Unger, C., Simpson, G. (2018). Spirituality and its relationship with positive adjustment following traumatic brain injury: a scoping review. *Brain Injury*, 32(13-14), 1612-1622. [More Information]

Jones, K., Dorsett, P., Briggs, L., Simpson, G. (2018). The role of spirituality in spinal cord injury (SCI) rehabilitation: exploring health professional perspectives. *Spinal Cord Series and Cases*, 4(54), 1-7. [More Information]

Brenner, L., Forster, J., Hoffberg, A., Matarazzo, B., Hostetter, T., Signoracci, G., Simpson, G. (2018). Window to Hope: A Randomized Controlled Trial of a Psychological Intervention for the Treatment of Hopelessness among Veterans with Moderate to Severe Traumatic Brain Injury. *Journal of Head Trauma Rehabilitation*, 33(2), E64-E73. [More Information]

2017

Whiting, D., Deane, F., Simpson, G., McLeod, H., Ciarrochi, J. (2017). Cognitive and psychological flexibility after a traumatic brain injury and the implications for treatment in acceptance-based therapies: A conceptual review. *Neuropsychological Rehabilitation*, 27(2), 263-299. [More Information]

Gates, T., Baguley, I., Simpson, G., Barden, H., Nott, M. (2017). The impact of compensation on late mortality after traumatic brain injury: A multi-centre study. *Brain Injury*, 31(8), 1044-1049. [More Information]

Buhagiar, M., Naylor, J., Simpson, G., Harris, I., Kohler, F. (2017). Understanding consumer and clinician preferences and decision making for rehabilitation following arthroplasty in the private sector. *BMC Health Services Research*, 17(1), 1-10. [More Information]

Simpson, G., Simons-Coghill, M., Bates, A., Gan, C. (2017). What is known about sexual health after pediatric acquired brain injury: A scoping review. *NeuroRehabilitation*, 41(2), 261-280. [More Information]

2016

Gagnon, J., Simpson, G., Kelly, G., Godbout, D., Ouellette, M., Drolet, J. (2016). A French adaptation of the Overt Behaviour Scale (OBS) measuring challenging behaviours following acquired brain injury: The Echelle des comportements observables (ECO). *Brain Injury*, 30(8), 1019-1025. [More Information]

Bates, A., Matthews, S., Simpson, G., Bates, L. (2016). Brain Injury as the Result of Violence: A Systematic Scoping Review. *Journal of Social Work in Disability and Rehabilitation*, 15(3-4), 305-331. [More Information]

Simpson, G., Daher, M., Hodgkinson, A., Strettles, B. (2016). Comparing the Injury Profile, Service Use, Outcomes, and Comorbidities of People With Severe TBI Across Urban, Regional, and Remote Populations in New South Wales: A Multicentre Study. *Journal of Head Trauma Rehabilitation*, 31(2), e26-e38. [More Information]

Simpson, G., Yuen, F. (2016). Contemporary Perspectives on Social Work in Acquired Brain Injury: An Introduction. *Journal of Social Work in Disability and Rehabilitation*, 15(3-4), 169-178. [More Information]

Simpson, G., Pfeiffer, D., Keogh, S., Lane, B. (2016). Describing an Early Social Work Intervention Program for Families after Severe Traumatic Brain Injury. *Journal of Social Work in Disability and Rehabilitation*, 15(3-4), 213-233. [More Information]

Jones, K., Simpson, G., Briggs, L., Dorsett, P. (2016). Does spirituality facilitate adjustment and resilience among individuals and families after SCI? *Disability and Rehabilitation*, 38(10), 921-935. [More Information]

Naylor, J., Descallar, J., Grootemaat, M., Badge, H., Harris, I., Simpson, G., Jenkin, D. (2016). Is satisfaction with the acute-care experience higher amongst consumers treated in the private sector? A survey of public and private sector arthroplasty recipients. *PLoS One*, 11(8), 1-14. [More Information]

McRae, P., Hallab, L., Simpson, G. (2016). Navigating employment pathways and supports following brain injury in Australia: Client perspectives. *Australian Journal of Rehabilitation Counselling*, 22(2), 76-92. [More Information]

Simpson, G., McCann, B., Lowy, M. (2016). Treating male sexual dysfunction after traumatic brain injury: Two case reports. *NeuroRehabilitation*, 38(3), 281-289. [More Information]

2015

Hassett, L., Simpson, G., Cotter, R., Whiting, D., Hodgkinson, A., Martin, D. (2015). A prospective interrupted time series study of interventions to improve the quality, rating, framing and structure of goal setting in community-based brain injury rehabilitation. *Clinical Rehabilitation*, 29(4), 327-338. [More Information]

Simpson, G., Lord, B. (2015). Applied Research Methods. *Australian Social Work*, 68(3), 281-283. [More Information]

Anderson, M., Simpson, G., Daher, M., Matheson, L. (2015). Chapter 7 the relationship between coping and psychological adjustment in family caregivers of individuals with traumatic brain injury: a systematic review. *Annual Review of Nursing Research*, 33(1), 219-247. [More Information]

Wright, K., Simpson, G., Koh, E., Whiting, D., Gillett, L., Simpson, T., Firth, R. (2015). Development and evaluation of information resources for patients, families, and healthcare providers addressing behavioral and cognitive sequelae among adults with a primary brain tumor. *Journal of Neuroscience Nursing*, 47(3), 135-145. [More Information]

Simpson, G., White, K., Forstner, D., Roydhouse (nee Kronish), J., Simpson, T., Dall'Armi, L., Daher, M. (2015). Does Resilience Mediate Carer Distress After Head and Neck Cancer? *Cancer Nursing*, 38(6), E30-E36. [More Information]

Charters, E., Gillett, L., Simpson, G. (2015). Efficacy of electronic portable assistive devices for people with acquired brain injury: A systematic review. *Neuropsychological Rehabilitation*, 25(1), 82-121. [More Information]

Simpson, G., Lord, B. (2015). Enhancing the reporting of quantitative research methods in Australian Social Work. *Australian Social Work*, 68(3), 375-383. [More Information]

Simpson, G., Koh, E., Whiting, D., Wright, K., Simpson, T., Firth, R., Gillett, L., Younan, K. (2015). Frequency, clinical

correlates, and ratings of behavioral changes in primary brain tumor patients: a preliminary investigation. *Frontiers in Oncology*, 5, 1-9. [More Information]

Trad, W., Koh, E., Daher, M., Bailey, A., Kastelan, M., Legge, D., Fleet, M., Simpson, G., Hovey, E. (2015). Screening for Psychological Distress in Adult Primary Brain Tumor Patients and Caregivers: Considerations for Cancer Care Coordination. *Frontiers in Oncology*, 5, 1-8. [More Information]

Whiting, D., Deane, F., Ciarrochi, J., McLeod, H., Simpson, G. (2015). Validating Measures of Psychological Flexibility in a Population With Acquired Brain Injury. *Psychological Assessment*, 27(2), 415-423. [More Information]

2014

Simpson, G., Sabaz, M., Daher, M., Gordon, R., Strettlles, B. (2014). Challenging Behaviours, Co-morbidities, Service Utilisation and Service Access among Community-dwelling Adults with Severe Traumatic Brain Injury: A Multicentre Study. *Brain Impairment*, 15(1), 28-42. [More Information]

Matarazzo, B., Hoffberg, A., Clemans, T., Signoracci, G., Simpson, G., Brenner, L. (2014). Cross-cultural adaptation of the Window to Hope: a psychological intervention to reduce hopelessness among US veterans with traumatic brain injury. *Brain Injury*, 28(10), 1238-1247. [More Information]

Sabaz, M., Simpson, G., Walker, A., Rogers, J., Gillis, I., Strettlles, B. (2014). Prevalence, comorbidities, and correlates of challenging behavior among community-dwelling adults with severe traumatic brain injury: A multicenter study. *Journal of Head Trauma Rehabilitation*, 29(2), E19-E30. [More Information]

Middleton, J., Simpson, G., De Wolf, A., Quirk, R., Descallar, J., Cameron, I. (2014). Psychological distress, quality of life and burden in caregivers during community reintegration after spinal cord injury. *Archives of Physical Medicine and Rehabilitation*, 95(7), 1312-1319. [More Information]

2013

Rietdijk, R., Simpson, G., Togher, L., Power, E., Gillett, L. (2013). An exploratory prospective study of the association between communication skills and employment outcomes after severe traumatic brain injury. *Brain Injury*, 27(7-8), 812-818. [More Information]

Simpson, G., Jones, K. (2013). How important is resilience among family members supporting relatives with traumatic brain injury or spinal cord injury? *Clinical Rehabilitation*, 27(4), 367-377. [More Information]

Simpson, G., Tate, R. (2013). Introduction to special issue: State of the art reviews on mental health in traumatic brain injury. *Brain Impairment*, 14(1), 1-1. [More Information]

<http://dx.doi.org/10.1017/BrImp.2013.13>>[More Information]

Simpson, G., Sabaz, M., Daher, M. (2013). Prevalence, clinical features, and correlates of inappropriate sexual behavior after traumatic brain injury: a multicenter study. *Journal of Head Trauma Rehabilitation*, 28(3), 202-210. [More Information]

Bahraini, N., Simpson, G., Brenner, L., Hoffberg, A., Schneider, A. (2013). Suicidal ideation and behaviours after traumatic brain injury: A systematic review. *Brain Impairment*, 14(1), 92-112. [More Information]

Anderson, M., Simpson, G., Morey, P. (2013). The Impact of Neurobehavioral Impairment on Family Functioning and the Psychological Well-Being of Male Versus Female Caregivers of Relatives With Severe Traumatic Brain Injury: Multigroup Analysis. *Journal of Head Trauma Rehabilitation*, 28(6), 453-463. [More Information]

Dall'Armi, L., Simpson, G., Forstner, D., Simpson, T., Roydhouse (nee Kronish), J., White, K. (2013). The information needs of patients with head and neck cancer and their caregivers: A short report of instrument development and testing. *Applied Nursing Research*, 26(1), 40-44. [More Information]

2012

Whiting, D., Simpson, G., Koh, E., Wright, K., Simpson, T., Firth, R. (2012). A multi-tiered intervention to address behavioural and cognitive changes after diagnosis of primary brain tumour: A feasibility study. *Brain Injury*, 26(7-8), 950-961. [More Information]

Baguley, I., Nott, M., Howle, A., Simpson, G., Browne, S., King, C., Cotter, R., Hodgkinson, A. (2012). Late mortality after severe traumatic brain injury in New South Wales: a multicentre study. *Medical Journal of Australia*, 196(1), 40-45. [More Information]

Simpson, G., Baguley, I. (2012). Prevalence, correlates, mechanisms, and treatment of sexual health problems after traumatic brain injury: A scoping review. *Critical Reviews in Physical and Rehabilitation Medicine*, 24(1-2), 1-34. [More Information]

Tate, R., Simpson, G., Lane-Brown, A., Soo, C., De Wolf, A., Whiting, D. (2012). Sydney Psychosocial Reintegration Scale (SPRS-2): Meeting the challenge of measuring participation in neurological conditions. *Australian Psychologist*, 47(1), 20-32. [More Information]

2011

Tate, R., Simpson, G., Soo, C., Lane-Brown, A. (2011). Participation after acquired brain injury: Clinical and psychometric considerations of the Sydney Psychosocial Reintegration Scale (SPRS). *Journal of Rehabilitation Medicine*, 43(7), 609-618. [More Information]

Simpson, G., Brenner, L. (2011). Perspectives on suicide and traumatic brain injury. *Journal of Head Trauma Rehabilitation*, 26(4), 241-243. [More Information]

Simpson, G., Tate, R., Whiting, D., Cotter, R. (2011). Suicide Prevention After Traumatic Brain Injury: A Randomized Controlled Trial of a Program for the Psychological Treatment of Hopelessness. *Journal of Head Trauma Rehabilitation*, 26(4), 290-300. [More Information]

2009

Anderson, M., Simpson, G., Morey, P., Mok, M., Gosling, T., Gillett, L. (2009). Differential pathways of psychological distress in spouses vs. parents of people with severe traumatic brain injury (TBI): multi-group analysis. *Brain Injury*, 23(12), 931-943. [More Information]

Hodgkinson, A., Gillett, L., Simpson, G. (2009). Does apolipoprotein E play a role in outcome after severe traumatic brain injury? *Brain Impairment*, 10(2), 162-168. [More Information]

Simpson, G. (2009). Letter to the editor. *Australian Social Work*, 62(4), 551-552. [More Information]

2007

Simpson, G., Tate, R. (2007). Preventing suicide after traumatic brain injury: implications for general practice. *Medical Journal of Australia*, 187(4), 229-232. [More Information]

Simpson, G., Tate, R. (2007). Suicidality in people surviving a traumatic brain injury: Prevalence, risk factors and implications for clinical management. *Brain Injury*, 21(13-14), 1335-1351. [More Information]

Simpson, G., Franke, B., Gillett, L. (2007). Suicide prevention training outside the mental health service system: evaluation of a state-wide program in Australia for rehabilitation and disability staff in the field of traumatic brain injury. *Crisis-the Journal of Crisis Intervention and Suicide Prevention*, 28(1), 35-43. [More Information]

2006

Kelly, G., Todd, J., Simpson, G., Kremer, P., Martin, C. (2006). The overt behaviour scale (OBS): A tool for measuring challenging behaviours following ABI in community settings. *Brain Injury*, 20(3), 307-319. [More Information]

2005

Simpson, G., Foster, M., Kuipers, P., Kendall, M., Hanna, J. (2005). An organizational perspective on goal setting in community-based brain injury rehabilitation. *Disability and Rehabilitation*, 27(15), 901-910. [More Information]

Information]

Simpson, G., Tate, R. (2005). Clinical features of suicide attempts after traumatic brain injury. *The Journal of Nervous and Mental Disease*, 193(10), 680-685. <http://dx.doi.org/10.1097/01.nmd.0000180743.65943.c8>
>[More Information]
