

Publications for Ian Seppelt

2018

Morris, I., Lane, A., Seppelt, I. (2018). Lung Recruitment and Positive End-Expiratory Pressure Titration in Patients With Acute Respiratory Distress Syndrome. *JAMA*, 319(9), 933-934. [More Information]

Sadick, V., Lane, A., Fischer, E., Seppelt, I., Chittaranjan Shetty, A., McLean, A. (2018). Post-partum catastrophic antiphospholipid syndrome presenting with shock and digital ischaemia - A diagnostic and management challenge. *Journal of the Intensive Care Society*, 19(4), 357-364. [More Information]

Shehabi, Y., Bellomo, R., Kadiman, S., Ti, L., Howe, B., Reade, M., Khoo, T., Alias, A., Wong, Y., Seppelt, I., et al (2018). Sedation Intensity in the First 48 Hours of Mechanical Ventilation and 180-Day Mortality: A Multinational Prospective Longitudinal Cohort Study. *Critical Care Medicine*, 46(6), 850-859. [More Information]

Nalos, M., Kholodniak, E., Smith, L., Orde, S., Ting, I., Slama, M., Seppelt, I., McLean, A., Huang, S. (2018). The comparative effects of 3% saline and 0.5M sodium lactate on cardiac function: A randomised, crossover study in volunteers. *Critical Care and Resuscitation*, 20(2), 124-130.

Nalos, M., Kholodniak, E., Smith, L., Orde, S., Ting, I., Slama, M., Seppelt, I., McLean, A., Huang, S. (2018). The comparative effects of 3% saline and 0.5M sodium lactate on cardiac function: a randomised, crossover study in volunteers. *Critical Care and Resuscitation*, 20(2), 124-130.

2017

Cheung, W., Myburgh, J., McGuinness, S., Chalmers, D., Parke, R., Blyth, F., Seppelt, I., Parr, M., Hooker, L., Blackwell, N., Kol, M., Kerridge, I., Naganathan, V., et al (2017). A cross-sectional survey of Australian and New Zealand public opinion on methods of triage intensive care patients in an influenza pandemic. *Critical Care and Resuscitation*, 19(3), 254-265.

Potter, J., Herkes, R., Perry, L., Elliott, R., Aneman, A., Brieva, J., Cavazzoni, E., Cheng, A., O'Leary, M., Seppelt, I., Gebski, V. (2017). COMMunication with Families regarding ORgan and Tissue donation after death in intensive care (COMFORT): protocol for an intervention study. *BMC Health Services Research*, 17(1), 1-10. [More Information]

Elgendy, A., Seppelt, I., Lane, A. (2017). Comparison of continuous-wave Doppler ultrasound monitor and electrocardiography to assess cardiac output in intensive care patients. *Critical Care and Resuscitation*, 19(3), 222-229.

Reade, M., Bass, F., Howe, B., Seppelt, I., Shehabi, Y. (2017). Considerations for co-enrolment in randomised controlled effectiveness trials in critical care: the SPICE-8 co-enrolment guidelines. *Critical Care and Resuscitation*, 19(2), 110-114.

Anstey, M., Watts, N., Orford, N., Seppelt, I., Mitchell, I. (2017). Does anyone ever expect to die? *Anaesthesia and Intensive Care*, 45(4), 466-468.

Anstey, M., Thompson, K., Seppelt, I. (2017). Exit block in the intensive care unit. *Medical Journal of Australia*, 207(5), 224-224.e1. [More Information]

Bihari, S., Gelbart, B., Seppelt, I., Thompson, K., Watts, N., Prakash, S., Festa, M., Bersten, A. (2017). Maintenance fluid practices in paediatric intensive care units in Australia and New Zealand. *Critical Care and Resuscitation*, 19(4), 310-317.

Clancy, D., Lane, A., Flynn, P., Seppelt, I. (2017). Tension pneumomediastinum: a literal form of chest tightness. *Journal of the Intensive Care Society*, 18(1), 52-56. [More Information]

Thompson, K., Hammond, N., Eastwood, G., Festa, M., Glass, P., Rajbhandari, D., Seppelt, I., Taylor, C., Watts, N., Myburgh, J. (2017). The Australian and New Zealand Intensive Care Society Clinical Trials Group point prevalence program, 2009-2016. *Critical Care and Resuscitation*, 19(1), 88-93.

Seppelt, I. (2017). The Dangers of Tracheal Intubation in the PICU. *Pediatric Critical Care Medicine*, 18(4), 381-383. [More Information]

Shehabi, Y., Forbes, A., Arabi, Y., Bass, F., Bellomo, R., Kadiman, S., Howe, B., McArthur, C., Reade, M., Seppelt, I., et al (2017). The SPICE III study protocol and analysis plan: a randomised trial of early goal-directed sedation compared with standard care in mechanically ventilated patients. *Critical Care and Resuscitation*, 19(4), 318-326.

Shehabi, Y., Forbes, A., Arabi, Y., Bass, F., Bellomo, R., Kadiman, S., Howe, B., McArthur, C., Reade, M., Seppelt, I., et al (2017). The SPICE III study protocol and analysis plan: a randomised trial of early goal-directed sedation compared with standard care in mechanically ventilated patients. *Critical Care and Resuscitation*, 19(4), 318-326.

Litton, E., Elliott, R., Thompson, K., Watts, N., Seppelt, I., Webb, S. (2017). Using clinically accessible tools to measure sound levels and sleep disruption in the ICU: A prospective multicenter observational study. *Critical Care Medicine*, 45(6), 966-971. [More Information]

2016

Sundararajan, K., Sundararajan, A., Thompson, C., Seppelt, I. (2016). Elderly patients are at high risk of night-time admission to the intensive care unit following a rapid response team call. *Internal Medicine Journal*, 46(12), 1440-1442. [More Information]

Sundararajan, K., Flabouris, A., Thompson, C., Seppelt, I. (2016). Hospital overnight and evaluation of systems and timelines study: a point prevalence study of practice in Australia and New Zealand. *Resuscitation*, 100, 1-5. [More Information]

Bihari, S., Watts, N., Seppelt, I., Thompson, K., Myburgh, A.,

Prakash, S., Bersten, A. (2016). Maintenance fluid practices in intensive care units in Australia and New Zealand. *Critical Care and Resuscitation*, 18(2), 89-94.

Dinh, M., Curtis, K., Mitchell, R., Bein, K., Balogh, Z., Seppelt, I., Deans, C., Ivers, R., Berendsen Russell, S., Rigby, O. (2016). Major trauma mortality in rural and metropolitan NSW, 2009-2014: A retrospective analysis of trauma registry data. *Medical Journal of Australia*, 205(9), 403-407. [More Information]

Playford, E., Lipman, J., Jones, M., Lau, A., Kabir, M., Chen, S., Marriott, D., Seppelt, I., Gottlieb, T., Cheung, W., Iredell, J., Sorrell, T., et al (2016). Problematic Dichotomization of Risk for Intensive Care Unit (ICU) - Acquired Invasive Candidiasis: Results Using a Risk-Predictive Model to Categorize 3 Levels of Risk From a Multicenter Prospective Cohort of Australian ICU Patients. *Clinical Infectious Diseases*, 63(11), 1463-1469. [More Information]

2015

Lau, A., Kabir, M., Chen, S., Playford, E., Marriott, D., Jones, M., Lipman, J., McBryde, E., Gottlieb, T., Cheung, W., Seppelt, I., Iredell, J., Sorrell, T. (2015). Candida colonization as a risk marker for invasive candidiasis in mixed medical-surgical intensive care units: development and evaluation of a simple, standard protocol. *Journal of Clinical Microbiology*, 53(4), 1324-1330. [More Information]

van Haren, F., Cohen, J., McKee, A., Mitchell, I., Pinder, M., Seppelt, I. (2015). Infection control in times of Ebola: how well are we training the next generation of intensivists in Australia and New Zealand? *Critical Care and Resuscitation*, 17(2), 65-66.

Hammond, N., Taylor, C., Saxena, M., Liu, B., Finfer, S., Glass, P., Seppelt, I., Willenberg, L., Myburgh, J. (2015). Resuscitation fluid use in Australian and New Zealand Intensive Care Units between 2007 and 2013. *Intensive Care Medicine*, 41(9), 1611-1619. [More Information]

Seppelt, I. (2015). Who Should Perform Critical Procedures on Children Prehospital, and How Often? *Pediatric Critical Care Medicine*, 16(8), 785-786. [More Information]

2014

Francis, J., Duncan, E., Prior, M., MacLennan, G., Marshall, A., Wells, E., Todd, L., Rose, L., Campbell, M., Webster, F., Seppelt, I., et al (2014). Comparison of four methods for assessing the importance of attitudinal beliefs: an international Delphi study in intensive care settings. *British Journal of Health Psychology*, 19(2), 274-291. [More Information]

Fowler, R., Mittmann, N., Geerts, W., Heels-Ansdell, D., Gould, M., Guyatt, G., Krahn, M., Finfer, S., Pinto, R., Chan, B., Seppelt, I., et al (2014). Cost-effectiveness of dalteparin vs unfractionated heparin for the prevention of venous thromboembolism in critically ill patients. *JAMA*, 312(20), 2135-2145. [More Information]

Fowler, R., Mittmann, N., Geerts, W., Heels-Ansdell, D.,

Gould, M., Guyatt, G., Krahn, M., Finfer, S., Pinto, R., Chan, B., et al (2014). Economic evaluation of the prophylaxis for thromboembolism in critical care trial (E-PROTECT): Study protocol for a randomized controlled trial. *Trials*, 15(1), 1-11. [More Information]

Nalos, M., Lerverve, X., Huang, S., Weisbrodt, L., Parkin, R., Seppelt, I., Ting, I., McLean, A. (2014). Half-molar sodium lactate infusion improves cardiac performance in acute heart failure: a pilot randomised controlled clinical trial. *Critical Care*, 18(2), 1-9. [More Information]

Marshall, A., Weisbrodt, L., Rose, L., Duncan, E., Prior, M., Todd, L., Wells, E., Seppelt, I., Cuthbertson, B., Francis, J. (2014). Implementing selective digestive tract decontamination in the intensive care unit: A qualitative analysis of nurse-identified considerations. *Heart and Lung: Journal of Acute and Critical Care*, 43(1), 13-18. [More Information]

Lamontagne, F., McIntyre, L., Dodek, P., Heels-Ansdell, D., Meade, M., Pemberton, J., Skrobik, Y., Seppelt, I., Vlahakis, N., Muscedere, J., et al (2014). Nonleg venous thrombosis in critically ill adults: a nested prospective cohort study. *JAMA Internal Medicine*, 174(5), 689-696. [More Information]

Bihari, S., Festa, M., Peake, S., Seppelt, I., Williams, P., Wilkins, B., Bersten, A. (2014). Sodium administration in critically ill paediatric patients in Australia and New Zealand: a multicentre point prevalence study. *Critical Care and Resuscitation*, 16(2), 112-118.

Diel, N., Lane, A., Seppelt, I. (2014). The use of echocardiography in diagnosis, risk stratification and management of pulmonary embolism: a retrospective single-centre analysis. *Journal of the Intensive Care Society*, 15(3), 199-204. [More Information]

Duncan, E., Cuthbertson, B., Prior, M., Marshall, A., Wells, E., Todd, L., Bolsover, D., Newlands, R., Webster, F., Rose, L., Seppelt, I., et al (2014). The views of health care professionals about selective decontamination of the digestive tract: An international, theoretically informed interview study. *Journal of Critical Care*, 29, 634-640. [More Information]

Rudas, M., Seppelt, I., Herkes, R., Hislop, R., Rajbhandari, D., Weisbrodt, L. (2014). Traditional landmark versus ultrasound guided tracheal puncture during percutaneous dilatational tracheostomy in adult intensive care patients: a randomised controlled trial. *Critical Care*, 18(5), 1-10. [More Information]

2013

Cuthbertson, B., Campbell, M., MacLennan, G., Duncan, E., Marshall, A., Wells, E., Prior, M., Todd, L., Rose, L., Seppelt, I., et al (2013). Clinical stakeholders' opinions on the use of selective decontamination of the digestive tract in critically ill patients in intensive care units: An international Delphi study. *Critical Care*, 17(6), 1-13. [More Information]

Shehabi, Y., Bellomo, R., Reade, M., Bailey, M., Bass, F.,

Howe, B., McArthur, C., Murray, L., Seppelt, I., Webb, S., Weisbrodt, L. (2013). Early goal-directed sedation versus standard sedation in mechanically ventilated critically III patients: A pilot study. *Critical Care Medicine*, 41(8), 1983-1991. [More Information]

Lane, A., Seppelt, I. (2013). Left ventricular puncture after intercostal catheter insertion. *Critical Care and Resuscitation*, 15(2), 142-142. [More Information]

Elliott, D., Aitken, L., Bucknall, T., Seppelt, I., Webb, S., Weisbrodt, L., McKinley, S. (2013). Patient comfort in the intensive care unit: a multicentre, binational point prevalence study of analgesia, sedation and delirium management. *Critical Care and Resuscitation*, 15(3), 213-219. [More Information]

Bihari, S., Peake, S., Seppelt, I., Williams, P., Bersten, A. (2013). Sodium administration in critically ill patients in Australia and New Zealand: a multicentre point prevalence study. *Critical Care and Resuscitation*, 15(4), 294-300. [More Information]

Saxena, M., Taylor, C., Hammond, N., Young, P., Seppelt, I., Glass, P., Myburgh, J. (2013). Temperature management in patients with acute neurological lesions: an Australian and New Zealand point prevalence study. *Critical Care and Resuscitation*, 15(2), 110-118. [More Information]

Hammond, N., Saxena, M., Taylor, C., Young, P., Seppelt, I., Glass, P., Myburgh, J. (2013). Temperature management of non-elective intensive care patients without neurological abnormalities: a point prevalence study of practice in Australia and New Zealand. *Critical Care and Resuscitation*, 15(3), 228-233. [More Information]

Blyth, C., Webb, S., Kok, J., Dwyer, D., van Hal, S., Foo, H., Ginn, A., Kesson, A., Seppelt, I., Iredell, J. (2013). The impact of bacterial and viral co-infection in severe influenza. *Influenza and Other Respiratory Viruses*, 7(2), 168-176. [More Information]

Seppelt, I., Nguyen, N. (2013). The risks of pregnancy in the 21st century. *Critical Care Medicine*, 41(8), 2031-2033. [More Information]

Kok, J., Blyth, C., Foo, H., Bailey, M., Pilcher, D., Webb, S., Seppelt, I., Dwyer, D., Iredell, J. (2013). Viral Pneumonitis Is Increased in Obese Patients during the First Wave of Pandemic A(H1N1) 2009 Virus. *PloS One*, 8(2), 1-9. [More Information]

2012

Cheung, W., Myburgh, J., Seppelt, I., Parr, M., Blackwell, N., DeMonte, S., Gandhi, K., Hoyling, L., Nair, P., Passer, M., et al (2012). A multicentre evaluation of two intensive care unit

triage protocols for use in an influenza pandemic. *Medical Journal of Australia*, 197(3), 178-181. [More Information]

Cheung, W., Myburgh, J., Seppelt, I., Parr, M., Blackwell, N., DeMonte, S., Gandhi, K., Hoyling, L., Nair, P., Passer, M., et al (2012). Development and evaluation of an influenza pandemic intensive care unit triage protocol. *Critical Care and Resuscitation*, 14(3), 185-190. [More Information]

Shehabi, Y., Bellomo, R., Reade, M., Bailey, M., Bass, F., Howe, B., McArthur, C., Seppelt, I., Webb, S., Weisbrodt, L. (2012). Early Intensive Care Sedation Predicts Long-Term Mortality in Ventilated Critically Ill Patients. *American Journal of Respiratory and Critical Care Medicine*, 186(8), 724-731. [More Information]

Rudas, M., Seppelt, I. (2012). Safety and efficacy of ultrasonography before and during percutaneous dilatational tracheostomy in adult patients: a systematic review. *Critical Care and Resuscitation*, 14(4), 297-301. [More Information]

Seppelt, I., Orde, S. (2012). Why guess when you can see? Heart function and fluid management in dengue shock. *Critical Care Medicine*, 40(2), 675-676. [More Information]

2011

Pettila, V., Webb, S., Bailey, M., Howe, B., Seppelt, I., Bellomo, R. (2011). Acute kidney injury in patients with influenza A (H1N1) 2009. *Intensive Care Medicine*, 37(5), 763-767. [More Information]

Hewson-Conroy, K., Burrell, A., Elliott, D., Webb, S., Seppelt, I., Taylor, C., Glass, P. (2011). Compliance with processes of care in intensive care units in Australia and New Zealand—a point prevalence study. *Anaesthesia and Intensive Care*, 39(5), 926-935. [More Information]

Webb, S., Aubron, C., Bailey, M., Bellomo, R., Howe, B., McArthur, C., Morrison, S., Seppelt, I. (2011). Critical care services and the H1N1 (2009) influenza epidemic in Australia and New Zealand in 2010: the impact of the second winter epidemic. *Critical Care*, 15(3), 1-7. [More Information]

Weisbrodt, L., McKinley, S., Marshall, A., Cole, C., Seppelt, I., Delaney, A. (2011). Daily Interruption of Sedation in Patients Receiving Mechanical Ventilation. *American Journal Of Critical Care*, 20(4), e90-e98. [More Information]

Cooper, D., Rosenfeld, J., Murray, L., Arabi, Y., Davies, A., D'Urso, P., Kossmann, T., Ponsford, J., Seppelt, I., Reilly, P., et al (2011). Decompressive craniectomy in diffuse traumatic brain injury. *New England Journal of Medicine*, 364(16), 1493-1502. [More Information]

Rajamani, A., Seppelt, I., Bourne, J. (2011). Difficulties with neurological prognostication in a young woman with delayed-onset generalised status myoclonus after cardiac arrest due to acute severe asthma. *Indian Journal of Critical Care Medicine*, 15(2), 137-139. [More Information]

Boots, R., Lipman, J., Lassig-Smith, M., Stephens, D., Thomas, J., Shehabi, Y., Bass, F., Anthony, A., Long, D., Seppelt, I., Weisbrodt, L., et al (2011). Experience with high frequency oscillation ventilation during the 2009 H1N1 influenza pandemic in Australia and New Zealand. *Anaesthesia and Intensive Care*, 39(5), 837-846. [More Information]

Nair, P., Davies, A., Beca, J., Bellomo, R., Ellwood, D., Forrest, P., Jackson, A., Pye, R., Seppelt, I., Sullivan, E., et al (2011). Extracorporeal membrane oxygenation for severe ARDS in pregnant and postpartum women during the 2009 H1N1 pandemic. *Intensive Care Medicine*, 37(4), 648-654. [More Information]

Knight, M., Pierce, M., Seppelt, I., Kurinczuk, J., Spark, P., Brocklehurst, P., McLintock, C., Sullivan, E. (2011). Influenza AH1N1v in pregnancy. *BJOG*, 118(9), 1140-1141. [More Information]

Higgins, A., Pettila, V., Harris, A., Bailey, M., Lipman, J., Seppelt, I., Webb, S. (2011). The critical care costs of the influenza A/H1N1 2009 pandemic in Australia and New Zealand. *Anaesthesia and Intensive Care*, 39(3), 384-391. [More Information]

Seppelt, I. (2011). Trial designs for old problems in a new era. *Critical Care Medicine*, 39(6), 1561-1562. [More Information]

2010

Bellomo, R., Pettila, V., Webb, S., Bailey, M., Howe, B., Seppelt, I. (2010). Acute kidney injury and 2009 H1N1 influenza-related critical illness. *Contributions to Nephrology*, 165, 310-314. [More Information]

Seppelt, I., Webb, S., Booy, R. (2010). All health professionals should receive the 2009 H1N1 influenza vaccine. *Critical Care and Resuscitation*, 12(1), 3-5. [More Information]

Krin, C., Giannou, C., Seppelt, I., Walker, S., Mattox, K., Wigle, R., Crippen, D. (2010). Appropriate response to humanitarian crises. *BMJ*, 340, c562. [More Information]

Davies, A., Webb, S., Seppelt, I., Bellomo, R. (2010). Comparison of adult patients hospitalised with pandemic (H1N1) 2009 influenza and seasonal influenza during the PROTECT" phase of the pandemic response." *Medical Journal of Australia*, 192(6), 356-7; author reply 357. <a href="http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?cmd=Retri

eve&db=pubmed&dopt=Abstract&list_uids=20230358">[More Information]

Seppelt, I., Sullivan, E., Bellomo, R., Ellwood, D., Finfer, S., Howe, B., Knight, M., McArthur, C., McDonnell, N., McLintock, C., Nguyen, N., Peek, M., et al (2010). Critical Illness Due to 2009 A/H1N1 Influenza in Pregnant and Postpartum Women: Population Based Cohort Study. *BMJ*, 340(7749), 1-6. [More Information]

Knight, M., Pierce, M., Seppelt, I., Kurinczuk, J., Spark, P., Brocklehurst, P., McLintock, C., Sullivan, E. (2010). Critical illness with AH1N1v influenza in pregnancy: a comparison of two population-based cohorts. *BJOG*, 118(2), 232-239. [More Information]

Harrigan, P., Webb, S., Seppelt, I., O'Leary, M., Totaro, R., Patterson, D., Davies, A., Streat, S. (2010). The practical experience of managing the H1N1 2009 influenza pandemic in Australian and New Zealand intensive care units. *Critical Care and Resuscitation*, 12(2), 121-130. [More Information]

Seppelt, I., McArthur, C., Webb, S. (2010). The second winter of influenza A (H1N1) 2009 in Australian and New Zealand intensive care units. *Critical Care and Resuscitation*, 12(4), 219-220. [More Information]

2009

Tang, B., Craig, J., Seppelt, I. (2009). Corticosteroids in acute lung injury and acute respiratory distress syndrome. *Critical Care Medicine*, 37(9), 2681. [More Information]
