

Publications for John Males

2018

Males, J., Viswanathan, D. (2018). Comparative study of long-term outcomes of accelerated and conventional collagen crosslinking for progressive keratoconus. *Eye*, 32(1), 32-38. [More Information]

2017

Tong, J., Viswanathan, D., Hodge, C., Sutton, G., Chan, C., Males, J. (2017). Corneal collagen crosslinking for post-lasik ectasia: An Australian study. *Asia-Pacific Journal of Ophthalmology*, 6(3), 228-232. [More Information]

Tong, J., Cherepanoff, S., Males, J. (2017). SMILE rescue: Delayed lenticule removal in a patient with high myopia. *Journal of Refractive Surgery*, 33(3), 199-202. [More Information]

2015

Viswanathan, D., Kumar, N., Males, J., Graham, S. (2015). Comparative analysis of corneal measurements obtained from a Scheimpflug camera and an integrated Placido-optical coherence tomography device in normal and keratoconic eyes. *Acta Ophthalmologica (Online)*, 93(6), e488-3494. [More Information]

Viswanathan, D., Kumar, N., Males, J., Graham, S. (2015). Relationship of structural characteristics to biomechanical profile in normal, keratoconic, and crosslinked eyes. *Cornea*, 34(7), 791-796. [More Information]

2014

Viswanathan, D., Kumar, N., Males, J. (2014). Outcome of corneal collagen crosslinking for progressive keratoconus in paediatric patients. *BioMed Research International*, 2014, 1-5. [More Information]

2013

Viswanathan, D., Males, J. (2013). Prospective longitudinal study of corneal collagen cross-linking in progressive keratoconus. *Clinical and Experimental Ophthalmology*, 41(6), 531-536. [More Information]

2011

Sharma, N., Nguyen, E., Ooi, J., Males, J. (2011). Steroid associated infective keratitis: Case studies for caution. *Australian Family Physician*, 40(11), 888-890. [More Information]

2008

Pandya, V., Sharma, N., Khong, P., Males, J. (2008). Severe

bilateral papilloedema secondary to a large primary brain tumour. *Medical Journal of Australia*, 189(7), 413-413. [More Information]

2007

Symes, R., Catt, C., Sa-ngiampornpanit, T., Males, J. (2007). Corneal perforation associated with pellucid marginal degeneration and treatment with crescentic lamellar keratoplasty: two case reports. *Cornea*. [More Information]

Symes, R., Catt, C., Males, J. (2007). Diffuse lamellar keratitis associated with gonococcal keratoconjunctivitis 3 years after laser in situ keratomileusis. *Journal of Cataract and Refractive Surgery*, 33(2), 323-325. [More Information]

Knox Cartwright, N., Tole, D., Haynes, R., Males, J., Dick, A., Mayer, E. (2007). Recovery from macular phototoxicity after corneal triple procedure. *Cornea*, 26(1), 102-104. [More Information]

2006

Wertheim, M., Males, J., Cook, S., Tole, D. (2006). Dapsone induced haemolytic anaemia in patients treated for ocular cicatricial pemphigoid. *The British Journal of Ophthalmology*, 90(4), 516. [More Information]

2005

Butler, T., Males, J., Robinson, L., Wechsler, A., Sutton, G., Cheng, J., Taylor, P., McClellan, K. (2005). Six-year review of Acanthamoeba keratitis in New South Wales, Australia: 1997-2002. *Clinical and Experimental Ophthalmology*, 33(1), 41-46. [More Information]
