

Publications for Gwendolyn Gilbert

2018

Degeling, C., Johnson, J., Iredell, J., Nguyen, K., Norris, J., Turnidge, J., Dawson, A., Carter, S., Gilbert, G. (2018). Assessing the public acceptability of proposed policy interventions to reduce the misuse of antibiotics in Australia: A report on two community juries. *Health Expectations*, 21(1), 90-99. [More Information]

Rockett, R., Oftadeh, S., Bachmann, N., Timms, V., Kong, F., Gilbert, G., Sintchenko, V. (2018). Genome-wide analysis of *Streptococcus pneumoniae* serogroup 19 in the decade after the introduction of pneumococcal conjugate vaccines in Australia. *Scientific Reports*, 8(1), 1-9. [More Information]

Degeling, C., Gilbert, G., Annand, E., Taylor, M., Walsh, M., Ward, M., Wilson, A., Johnson, J. (2018). Managing the risk of Hendra virus spillover in Australia using ecological approaches: A report on three community juries. *PloS One*, 13(12), 1-20. [More Information]

Zhuo, A., Labbate, M., Norris, J., Gilbert, G., Ward, M., Bajorek, B., Degeling, C., Rowbotham, S., Dawson, A., Nguyen, K., Hill-Cawthorne, G., Sorrell, T., Govendir, M., Kesson, A., Iredell, J., Dominey-Howes, D. (2018). Opportunities and challenges to improving antibiotic prescribing practices through a One Health approach: results of a comparative survey of doctors, dentists and veterinarians in Australia. *BMJ Open*, 8, 1-12. [More Information]

2017

Degeling, C., Johnson, J., Ward, M., Wilson, A., Gilbert, G. (2017). A Delphi Survey and Analysis of Expert Perspectives on One Health in Australia. *EcoHealth*, 14(4), 783-792. [More Information]

Hor, S., Hooker, L., Iedema, R., Wyer, M., Gilbert, G., Jorm, C., O'Sullivan, M. (2017). Beyond hand hygiene: a qualitative study of the everyday work of preventing cross-contamination on hospital wards. *BMJ Quality and Safety*, 26(7), 552-558. [More Information]

Wyer, M., Iedema, R., Hor, S., Jorm, C., Hooker, L., Gilbert, G. (2017). Patient involvement can affect clinicians' perspectives and practices of infection prevention and control: A post-qualitative study using video-reflexive ethnography. *International Journal of Qualitative Methods*, 16(1), 1-10. [More Information]

McCloskey, K., Vuillermin, P., Carlin, J., Cheung, M., Skilton, M., Tang, M., Allen, K., Gilbert, G., Ranganathan, S., Collier, F., et al (2017). Perinatal microbial exposure may influence aortic intima-media thickness in early infancy. *International Journal of Epidemiology*, 46(1), 209-218. [More Information]

Dotel, R., O'Sullivan, M., Gilbert, G. (2017). *Staphylococcus aureus* in critical care. *The Lancet Infectious Diseases*, 17(6), 579-580. [More Information]

2016

Gilbert, G. (2016). Australia's response to Ebola Virus disease in West Africa, 2014-15. *Public Health Research and Practice*, 26(5), 1-6. [More Information]

Safarchi, A., Octavia, S., Wu, S., Kaur, S., Sintchenko, V., Gilbert, G., Wood, N., McIntyre, P., Marshall, H., Keil, A., et al (2016). Genomic dissection of Australian *Bordetella pertussis* isolates from the 2008-2012 epidemic. *Journal of Infection*, 72(4), 468-477. [More Information]

Outhred, A., Holmes, N., Sadsad, R., Martinez, E., Jelfs, P., Hill-Cawthorne, G., Gilbert, G., Marais, B., Sintchenko, V. (2016). Identifying Likely Transmission Pathways within a 10-Year Community Outbreak of Tuberculosis by High-Depth Whole Genome Sequencing. *PloS One*, 11(3), 1-15. [More Information]

Mitchell, B., Shaban, R., Dancer, S., Cheng, A., Gilbert, G. (2016). Infection, Disease and Health: A journal for the future. *Infection, Disease and Health*, 21(1), 1-2. [More Information]

Read, P., Tagg, K., Jeffreys, N., Guy, R., Gilbert, G., Donovan, B. (2016). *Treponema pallidum* strain types and association with macrolide resistance in Sydney, Australia: New TP0548 gene types identified. *Journal of Clinical Microbiology*, 54(8), 2172-2174. [More Information]

2015

Iedema, R., Hor, S., Wyer, M., Gilbert, G., Jorm, C., Hooker, L., O'Sullivan, M. (2015). An innovative approach to strengthening health professionals' infection control and limiting hospital-acquired infection: video-reflexive ethnography. *BMJ Innovations*, 1(4), 157-162. [More Information]

Gilbert, G., Kerridge, I. (2015). Communication and Communicable Disease Control: Lessons from Ebola Virus Disease. *The American Journal of Bioethics*, 15(4), 62-65. [More Information]

Solano, T., Gilbert, G., Kerridge, I., Nayyar, V., Berry, A. (2015). Ethical considerations in the management of ebola virus disease. *Medical Journal of Australia*, 203(4), 193-195.e.1. [More Information]

Ko, D., Zurynski, Y., Gilbert, G. (2015). Group B streptococcal disease and genotypes in Australian infants. *Journal of Paediatrics and Child Health*, 51(8), 808-814. [More Information]

<http://dx.doi.org/10.1111/jpc.12830>>[More Information]

Degeling, C., Johnson, A., Kerridge, I., Wilson, A., Ward, M., Stewart, C., Gilbert, G. (2015). Implementing a One Health approach to emerging infectious disease: reflections on the socio-political, ethical and legal dimensions. *BMC Public Health*, 15(1307), 1-11. [More Information]

Wyer, M., Jackson, D., Iedema, R., Hor, S., Gilbert, G., Jorm, C., Hooker, L., O'Sullivan, M., Carroll, K. (2015). Involving patients in understanding hospital infection control using visual methods. *Journal of Clinical Nursing*, 24(11-12), 1718-1729. [More Information]

Gilbert, G. (2015). Knowing when to stop antibiotic therapy. *Medical Journal of Australia*, 202(3), 121-122. [More Information]

Gilbert, G. (2015). Knowing when to stop antibiotic therapy. *Medical Journal of Australia*, 202(11), 571-572. [More Information]

Gilbert, G. (2015). Laboratory testing in management of patients with suspected Ebolavirus disease: infection control and safety. *Pathology*, 47(5), 400-402. [More Information]

Lowbridge, C., McIntyre, P., Gilmour, R., Chiu, C., Seale, H., Ferson, M., Gilbert, G. (2015). Long term population impact of seven-valent pneumococcal conjugate vaccine with a "3+0" schedule-How do "2+1" and "3+1" schedules compare? *Vaccine*, 33(28), 3234-3241. [More Information]

Zhou, F., O'Sullivan, M., Iredell, J., Sintchenko, V., Gilbert, G., Dwyer, D. (2015). Molecular analysis of Enterovirus C species using the 5' untranslated region and VP1 region. *Journal of Human Virology & Retrovirology*, 2(2), 1-12. [More Information]

Geno, A., Gilbert, G., Song, J., Skovsted, I., Klugman, K., Jones, C., Konradsen, H., Nahm, M. (2015). Pneumococcal Capsules and Their Types: Past, Present, and Future. *Clinical Microbiology Reviews*, 28(3), 871-899. [More Information]

Sadler, C., Nayyar, V., Stachowski, E., O'Sullivan, M., Gilbert, G., Byth Wilson, K. (2015). Rapid, Highly Discriminatory Binary Genotyping to Demonstrate Methicillin-Resistant Staphylococcus aureus Transmission in a Tertiary Care Intensive Care Unit. *Infection Control and Hospital Epidemiology*, 36(2), 160-168. [More Information]

Satzke, C., Dunne, E., Porter, B., Klugman, K., Mulholland, K., Vidal, J., Sakai, F., Strachan, J., Hay Burgess, D., Gilbert, G., et al (2015). The PneuCarriage Project: A Multi-Centre Comparative Study to Identify the Best Serotyping Methods for Examining Pneumococcal Carriage in Vaccine Evaluation Studies. *PLoS Medicine*, 12(11), 1-30. [More Information]

Grayson, M., Macesic, N., Huang, G., Bond, K., Fletcher, J., Gilbert, G., Gordon, D., Hellsten, J., Iredell, J., Keighley, C., et

al (2015). Use of an Innovative Personality-Mindset Profiling Tool to Guide Culture-Change Strategies among Different Healthcare Worker Groups. *PLoS One*, 10(10), 1-17. [More Information]

2014

Read, P., Jeffreys, N., Tagg, K., Guy, R., Gilbert, G., Donovan, B. (2014). Azithromycin-Resistant Syphilis-Causing strains in Sydney, Australia: Prevalence and Risk Factors. *Journal of Clinical Microbiology*, 52(8), 2776-2781. [More Information]

Lochindarat, S., Teeratakulpisarn, J., Warachit, B., Chanta, C., Thapa, K., Gilbert, G., Wangroongsarb, Y., Pircon, J., Van Dyke, M., Liu, Y., et al (2014). Bacterial etiology of empyema thoracis and parapneumonic pleural effusion in Thai children aged less than 16 years. *Southeast Asian Journal of Tropical Medicine and Public Health*, 45(2), 442-454.

Hooker, L., Mayes, C., Degeling, C., Gilbert, G., Kerridge, I. (2014). Don't be scared, be angry: the politics and ethics of Ebola. *Medical Journal of Australia*, 201(6), 352-354. [More Information]

Licciardi, P., Russell, F., Balloch, A., Burton, R., Nahm, M., Gilbert, G., Tang, M., Mulholland, E. (2014). Impaired serotype-specific immune function following pneumococcal vaccination in infants with prior carriage. *Vaccine*, 32(20), 2321-2327. [More Information]

Lam, C., Octavia, S., Sintchenko, V., Gilbert, G., Lan, R. (2014). Investigating genome reduction of Bordetella pertussis using a multiplex PCR-based reverse line blot assay (mPCR/RLB). *BMC Research Notes*, 7(1), 1-8. [More Information]

Xue, G., Wang, Q., Yan, C., Jeffreys, N., Wang, L., Li, S., Gilbert, G., Sun, H. (2014). Molecular characterizations of PCR-positive Mycoplasma pneumoniae specimens collected from Australia and China. *Journal of Clinical Microbiology*, 52(5), 1478-1482. [More Information]

Gilbert, G. (2014). One moment doctor! Have you forgotten hand hygiene? *Medical Journal of Australia*, 201(5), 265-266. [More Information]

Gilbert, G. (2014). One moment doctor! Have you forgotten hand hygiene? *Medical Journal of Australia*, 200(9), 508-509. [More Information]

Chan, W., Chua, S., Gidding, H., Ramjan, D., Wong, M., Olma, T., Thomas, L., Gilbert, G. (2014). Rapid identification of group B streptococcus carriage by PCR to assist in the management of women with prelabour rupture of membranes in term pregnancy. *Australian and New Zealand Journal of Obstetrics and Gynaecology*, 54(2), 138-145. [More Information]

Lam, C., Octavia, S., Ricafort, L., Sintchenko, V., Gilbert, G., Wood, N., McIntyre, P., Marshall, H., Guiso, N., Keil, A., et al (2014). Rapid Increase in Pertactin-deficient Bordetella pertussis Isolates, Australia. *Emerging Infectious Diseases*, 20(4), 626-633. [More Information]

Information]

Chen, X., Wang, B., Yang, W., Kong, F., Li, C., Sun, Z., Jelfs, P., Gilbert, G. (2014). Rolling circle amplification for direct detection of rpoB gene mutations in Mycobacterium tuberculosis isolates from clinical specimens. *Journal of Clinical Microbiology*, 52(5), 1540-1548. [More Information]

Zhou, F., Wang, Q., Sintchenko, V., Gilbert, G., O'Sullivan, M., Iredell, J., Dwyer, D. (2014). Use of the 5' Untranslated Region and VP1 Region to Examine the Molecular Diversity in Enterovirus B Species. *Journal of Medical Microbiology*, 63(PT10), 1339-1355. [More Information]

2013

Ho, J., Marais, B., Gilbert, G., Ralph, A. (2013). Diagnosing tuberculous meningitis - have we made any progress? *Tropical Medicine and International Health*, 18(6), 783-793. [More Information]

Hueston, L., Toi, C., Jeoffreys, N., Sorrell, T., Gilbert, G. (2013). Diagnosis of Barmah Forest Virus Infection by a Nested Real-Time SYBR Green RT-PCR Assay. *PloS One*, 8(7), 1-5. [More Information]

Kudinha, T., Johnson, J., Andrew, S., Kong, F., Anderson, P., Gilbert, G. (2013). Distribution of phylogenetic groups, sequence type ST131, and virulence-associated traits among Escherichia coli isolates from men with pyelonephritis or cystitis and healthy controls. *Clinical Microbiology and Infection*, 19(4), e173-e180. [More Information]

Sadsad, R., Sintchenko, V., McDonnell, G., Gilbert, G. (2013). Effectiveness of Hospital-Wide Methicillin-Resistant Staphylococcus aureus (MRSA) Infection Control Policies Differs by Ward Specialty. *PloS One*, 8(12), 1-8. [More Information]

Pinto, A., Seth, R., Zhou, F., Tallon, J., Dempsey, K., Tracy, M., Gilbert, G., O'Sullivan, M. (2013). Emergence and control of an outbreak of infections due to Pantone-Valentine leukocidin positive, ST22 methicillin-resistant Staphylococcus aureus in a neonatal intensive care unit. *Clinical Microbiology and Infection*, 19(7), 620-627. [More Information]

Kudinha, T., Johnson, J., Andrew, S., Kong, F., Anderson, P., Gilbert, G. (2013). Escherichia coli sequence type 131 as a prominent cause of antibiotic resistance among urinary Escherichia coli isolates from reproductive-age women. *Journal of Clinical Microbiology*, 51(10), 3270-3276. [More Information]

Van Kerkhove, M., Siddhivinayak, H., Koukounari, A., Mounts, A., Allwinn, R., Bandaranayake, D., Bella, A., Bone, A., Carrat, F., Chadha, M., Gilbert, G., et al (2013). Estimating age-specific cumulative incidence for the 2009 influenza pandemic: A meta-analysis of A(H1N1)pdm09 serological studies from 19 countries. *Influenza and Other Respiratory Viruses*, 7(5), 872-886. [More Information]

Lin, T., Hwang, K., Liu, C., Tang, R., Lin, C., Gilbert, G., Thapa, K., Monegal, J., Pircon, J., Van Dyke, M., et al (2013). Etiology of empyema thoracis and parapneumonic pleural effusion in Taiwanese children and adolescents younger than 18 years of age. *Pediatric Infectious Disease Journal*, 32(4), 419-421. [More Information]

Couldwell, D., Tagg, K., Jeoffreys, N., Gilbert, G. (2013). Failure of moxifloxacin treatment in Mycoplasma genitalium infections due to macrolide and fluoroquinolone resistance. *International Journal of STD and AIDS*, 24(10), 822-828. [More Information]

Tagg, K., Jeoffreys, N., Couldwell, D., Donald, J., Gilbert, G. (2013). Fluoroquinolone and Macrolide Resistance-Associated Mutations in Mycoplasma genitalium. *Journal of Clinical Microbiology*, 51(7), 2245-2249. [More Information]

Kudinha, T., Johnson, J., Andrew, S., Kong, F., Anderson, P., Gilbert, G. (2013). Genotypic and Phenotypic Characterization of Escherichia coli Isolates From Children With Urinary Tract Infection and From Healthy Carriers. *Pediatric Infectious Disease Journal*, 32(5), 543-548. [More Information]

Oftadeh, S., Gidding, H., Gilbert, G. (2013). Laboratory surveillance of invasive pneumococcal disease in New South Wales, Australia, before and after introduction of 7-valent conjugate vaccine: reduced disease, but not antibiotic resistance rates. *Epidemiology and Infection*, 141(9), 1797-1806. [More Information]

Xiao, K., Kong, F., Wang, Q., Jin, P., Lee, T., Xiong, L., Zhou, H., Gilbert, G. (2013). Multiplex PCR targeting slpA: a rapid screening method to predict common Clostridium difficile ribotypes among fluoroquinolone resistant clinical strains. *Pathology*, 45(6), 595-599. [More Information]

O'Sullivan, M., Sintchenko, V., Gilbert, G. (2013). Quantitative Estimation of the Stability of Methicillin-Resistant Staphylococcus aureus Strain-Typing Systems by Use of Kaplan-Meier Survival Analysis. *Journal of Clinical Microbiology*, 51(1), 112-116. [More Information]

Sultana, Y., Jeoffreys, N., Watts, M., Gilbert, G., Lee, R. (2013). Real-time polymerase chain reaction for detection of strongyloides stercoralis in stool. *American Journal of Tropical Medicine and Hygiene*, 88(6), 1048-1051. [More Information]

Mckechnie, M., Kong, F., Gilbert, G. (2013). Simultaneous Direct Identification of Genital Microorganisms in Voided Urine Using Multiplex PCR-based Reverse Line Blot Assays. In Mark Wilks (Eds.), *Methods in Molecular Biology: PCR Detection of Microbial Pathogens (Volume 943)*, (pp. 229-245). New York: Humana Press. [More Information]

O'Sullivan, M., Sintchenko, V., Gilbert, G. (2013). Software for selecting the most informative sets of genomic loci for multi-target microbial typing. *BMC Bioinformatics*, 14(148), 1-8. [More Information]

href="http://dx.doi.org/10.1186/1471-2105-14-148">[More Information]

Gilbert, G., Sintchenko, V. (2013). The use of mycobacterial interspersed repetitive unit typing and whole genome sequencing to inform tuberculosis prevention and control activities. *NSW Public Health Bulletin*, 24(1), 10-14. [More Information]

2012

Gilbert, G., Sintchenko, V. (2012). Assignment of recA reference sequence types for enhanced identification of the Burkholderia cepacia complex. *Pathology*, 44(4), 373-375. [More Information]

Heywood, A., Newell, A., Gao, Z., Wood, J., Breschkin, A., Nicholson, S., Gidding, H., Dwyer, D., Gilbert, G., Macintyre, C. (2012). Changes in seroprevalence to hepatitis A in Victoria, Australia: A comparison of three time points. *Vaccine*, 30(42), 6020-6026. [More Information]

Xiao, M., Kong, F., Jin, P., Wang, Q., Xiao, K., Jeoffreys, N., James, G., Gilbert, G. (2012). Comparison of Two Capillary Gel Electrophoresis Systems for Clostridium difficile Ribotyping, Using a Panel of Ribotype 027 Isolates and Whole-Genome Sequences as a Reference Standard. *Journal of Clinical Microbiology*, 50(8), 2755-2760. [More Information]

Song, N., Gao, Z., Wood, J., Hueston, L., Gilbert, G., MacIntyre, C., Quinn, H., Menzies, R., McIntyre, P. (2012). Current epidemiology of rubella and congenital rubella syndrome in Australia: Progress towards elimination. *Vaccine*, 30(27), 4073-4078. [More Information]

Gilbert, G. (2012). Electronic Surveillance for Communicable Disease Prevention and Control: Health Protection or a Threat to Privacy and Autonomy? In Christian Enemark, Michael J Selgelid (Eds.), *Ethics and Security Aspects of Infectious Disease Control: Interdisciplinary Perspectives*, (pp. 127-143). Farnham, UK: Ashgate.

Pang, S., Octavia, S., Reeves, P., Wang, Q., Gilbert, G., Sintchenko, V., Lan, R. (2012). Genetic Relationships of Phage Types and Single Nucleotide Polymorphism Typing of Salmonella enterica Serovar Typhimurium. *Journal of Clinical Microbiology*, 50(3), 727-734. [More Information]

Sintchenko, V., Wang, Q., Howard, P., Ha, C., Kardamanidis, K., Musto, J., Gilbert, G. (2012). Improving resolution of public health surveillance for human Salmonella enterica serovar Typhimurium infection: 3 years of prospective multiple-locus variable-number tandem-repeat analysis (MLVA). *BMC Infectious Diseases*, 12(31 March 2012), 1-10. [More Information]

Campbell, P., McIntyre, P., Quinn, H., Hueston, L., Gilbert, G., McVernon, J. (2012). Increased Population Prevalence of Low Pertussis Toxin Antibody Levels in Young Children Preceding a Record Pertussis Epidemic in Australia. *PloS One*, 7(4), 1-7. [More Information]

Kudinha, T., Kong, F., Johnson, J., Andrew, S., Anderson, P., Gilbert, G. (2012). Multiplex PCR-Based Reverse Line Blot Assay for Simultaneous Detection of 22 Virulence Genes in Uropathogenic Escherichia coli. *Applied and Environmental Microbiology*, 78(4), 1198-1202. [More Information]

Anthony, L., Meehan, A., Amos, B., Mtove, G., Mjema, J., Malahiyo, R., Yin, K., Oftadeh, S., Gilbert, G., Shingadia, D., Booy, R., et al (2012). Nasopharyngeal carriage of Streptococcus pneumoniae: prevalence and risk factors in HIV-positive children in Tanzania. *International Journal of Infectious Diseases*, 16(10), e753-e757. [More Information]

Bowater, R., Forbes-Faulkner, J., Anderson, I., Condon, K., Robinson, B., Kong, F., Gilbert, G., Reynolds, A., Hyland, S., McPherson, G., et al (2012). Natural outbreak of Streptococcus agalactiae (GBS) infection in wild giant Queensland grouper, Epinephelus lanceolatus (Bloch), and other wild fish in northern Queensland, Australia. *Journal of Fish Diseases*, 35(3), 173-186. [More Information]

Octavia, S., Sintchenko, V., Gilbert, G., Lawrence, A., Keil, A., Hogg, G., Lan, R. (2012). Newly emerging clones of Bordetella pertussis carrying prn2 and ptxP3 alleles implicated in Australian pertussis epidemic in 2008-2010. *The Journal of Infectious Diseases*, 205(8), 1220-1224. [More Information]

Marais, B., Crawford, J., Iredell, J., Ward, M., Simpson, S., Gilbert, G., Griffiths, P., Kamradt-Scott, A., Colagiuri, R., Jones, C., et al (2012). One world, one health: Beyond the Millennium Development Goals. *The Lancet*, 380(9844), 805-806. [More Information]

Strachan, R., Cornelius, A., Gilbert, G., Gulliver, T., Martin, A., McDonald, T., Nixon, G., Roseby, R., Ranganathan, S., Selvadurai, H., et al (2012). Pleural fluid nucleic acid testing enhances pneumococcal surveillance in children. *Respirology*, 17(1), 114-119. [More Information]

O'Sullivan, M., Zhou, F., Sintchenko, V., Gilbert, G. (2012). Prospective Genotyping of Hospital-Acquired Methicillin-Resistant Staphylococcus aureus by Use of a Novel, Highly Discriminatory Binary Typing System. *Journal of Clinical Microbiology*, 50(11), 3513-3519. [More Information]

Lam, C., Octavia, S., Bahrame, Z., Sintchenko, V., Gilbert, G., Lan, R. (2012). Selection and emergence of pertussis toxin promoter ptxP3 allele in the evolution of Bordetella pertussis. *Infection, Genetics and Evolution*, 12(2), 492-495. [More Information]

Sultana, Y., Gilbert, G., Ahmed, B., Lee, R. (2012). Seroepidemiology of Strongyloides stercoralis in Dhaka, Bangladesh. *Parasitology*, 139(11), 1513-1520. [More Information]

Sultana, Y., Gilbert, G., Ahmed, B., Lee, R. (2012). Strongyloidiasis in a high risk community of Dhaka, Bangladesh. *Transactions of the Royal Society of Tropical Medicine and Hygiene*, 106, 756-762. [More Information]

2011

Strachan, R., Cornelius, A., Gilbert, G., Gulliver, T., Martin, A., McDonald, T., Nixon, G., Roseby, R., Ranganathan, S., Selvadurai, H., et al (2011). A Bedside Assay to Detect *Streptococcus pneumoniae* in Children With Empyema. *Pediatric Pulmonology*, 46(2), 179-183. [More Information]

Raynes-Greenow, C., Roberts, C., Bell, J., Peat, B., Gilbert, G., Parker, S. (2011). Antibiotics for ureaplasma in the vagina in pregnancy (Review). *Cochrane Database of Systematic Reviews*, 2011 (9), 1-13. [More Information]

Cheng, A., Ferguson, J., Richards, M., Robson, J., Gilbert, G., McGregor, A., Roberts, S., Korman, T., Riley, T. (2011). Australasian Society for Infectious Diseases guidelines for the diagnosis and treatment of *Clostridium difficile* infection. *Medical Journal of Australia*, 194(7), 353-358. [More Information]

Strachan, R., Cornelius, A., Gilbert, G., Gulliver, T., Martin, A., McDonald, T., Nixon, G., Roseby, R., Ranganathan, S., Selvadurai, H., et al (2011). Bacterial Causes of Empyema in Children, Australia, 2007-2009. *Emerging Infectious Diseases*, 17(10), 1839-1845. [More Information]

Ferguson, J., Cheng, A., Gilbert, G., Gottlieb, T., Korman, T., McGregor, A., Richards, M., Roberts, S., Robson, J., van Gessel, H., et al (2011). *Clostridium difficile* laboratory testing in Australia and New Zealand: national survey results and Australasian Society for Infectious Diseases recommendations for best practice. *Pathology*, 43(5), 482-487. [More Information]

Lin, F., Lan, R., Sintchenko, V., Gilbert, G., Kong, F., Coiera, E. (2011). Computational Bacterial Genome-Wide Analysis of Phylogenetic Profiles Reveals Potential Virulence Genes of *Streptococcus agalactiae*. *PLoS One*, 6(4), e17964-1-e17964-10. [More Information]

Booy, R., Khandaker, G., Heron, L., Yin, J., Doyle, B., Tudo, K., Hueston, L., Gilbert, G., MacIntyre, C., Dwyer, D. (2011). Cross-reacting antibodies against the pandemic (H1N1) 2009 influenza virus in older Australians. *Medical Journal of Australia*, 194(1), 19-23. [More Information]

Kok, J., O'Sullivan, M., Gilbert, G. (2011). Feedback to clinicians on preventable factors can reduce hospital onset *Staphylococcus aureus* bacteraemia rates. *Journal of Hospital Infection*, 79(2), 108-114. [More Information]

Cao, Y., Kong, F., Zhou, F., Xiao, M., Wang, Q., Duan, Y., Kesson, A., McPhie, K., Gilbert, G., Dwyer, D. (2011). Genotyping of human adenoviruses using a PCR-based reverse line blot hybridisation assay. *Pathology*, 43(5), 488-494. [More Information]

Octavia, S., Maharjan, R., Sintchenko, V., Stevenson, G., Reeves, P., Gilbert, G., Lan, R. (2011). Insight into evolution of *Bordetella pertussis* from comparative genomic analysis: evidence of vaccine-driven selection. *Molecular Biology and Evolution*, 28(1), 707-715. [More Information]

Zhou, F., Kong, F., Wang, B., McPhie, K., Gilbert, G., Dwyer, D. (2011). Molecular characterization of enterovirus 71 and coxsackievirus A16 using the 5' untranslated region and VP1 region. *Journal of Medical Microbiology*, 60(3), 349-358. [More Information]

O'Sullivan, M., Zhou, F., Sintchenko, V., Kong, F., Gilbert, G. (2011). Multiplex PCR and Reverse Line Blot Hybridization Assay (mPCR/RLB). *Journal of Visualized Experiments*, 6(54), e2781-1-e2781-5. [More Information]

Kok, J., Wang, Q., Thomas, L., Gilbert, G. (2011). Presumptive identification of *Clostridium difficile* O27/NAP1/BI on Cepheid Xpert(R) - interpret with caution. *Journal of Clinical Microbiology*, 49(10), 3719-3721. [More Information]

Chen, X., Kong, F., Wang, Q., Li, C., Zhang, J., Gilbert, G. (2011). Rapid Detection of Isoniazid, Rifampin, and Ofloxacin Resistance in *Mycobacterium tuberculosis* Clinical Isolates Using High-Resolution Melting Analysis. *Journal of Clinical Microbiology*, 49(10), 3450-3457. [More Information]

Mckechnie, M., Hillman, R., Jones, R., Lowe, P., Couldwell, D., Davies, S., King, F., Kong, F., Gilbert, G. (2011). The prevalence of urogenital micro-organisms detected by a multiplex PCR-reverse line blot assay in women attending three sexual health clinics in Sydney, Australia. *Journal of Medical Microbiology*, 60(7), 1010-1016. [More Information]
