

**M Med (Clin Epi) Treatise Topic Registration Form**

When you have decided on a topic and supervisor for your treatise, you should complete this form ask your proposed supervisor/s to sign it, get it counter-signed by the course coordinator, Jonathan Craig, and hand it to the Student Manager in room 329 for recording.

**Name of Candidate:** .....

**Email Address:** .....

**TREATISE TOPIC** *(Describe in general terms. Please write in block letters)*

.....  
.....  
.....  
.....  
.....

**Name and Address of Supervisor:** .....

.....  
.....

**I agree to supervise this candidate for his/her treatise topic**

**Signature of Supervisor:** .....**Date**.....

**Note:** One supervisor must be on the staff of the School of Public Health. If your supervisor is not a member of the School you should have an associate supervisor within the School.

**Name and Address of Associate Supervisor** (if applicable) .....

.....

**Signature of Associate Supervisor:** .....

**Approved:** ...../...../.....

Dr. Jonathan Craig

Date

Registration of a topic and supervisor is not binding - if you want to change, fill in another form. The topic does not have to define the final title of the treatise, just an indication of the research area.

Please return to: Student Manager, Public Health and Community Medicine, Edward Ford Building A27, University of Sydney NSW 2006.
