Semester One Orientation for New Students in 2012

Monday 27 February - Saturday 3 March

Welcome to the Sydney School of Public Health

Orientation is your opportunity to find out more about the School and your study program. You'll also receive an introduction to the School's online learning environment and information about the library and learn how to conduct literature searches.

More information on how to register for sessions will be available on our website <www.health@usyd.edu.au> in January 2012.
