Dean’s Prize for Student Research Publications

Established in 2009, this prize aims to encourage students to publish their research and to assist and encourage them to participate in scientific meetings early in their research careers.

**Scholarship value and duration**

This Prize has a value of $500 and will be paid as a one off payment.

Additional funding of up to $500 may be available to the student for registration and/or travel expenses for presenting their research at a scientific meeting.

**Eligibility criteria**

Applicants must be currently enrolled and undertaking research in a course in the Sydney Medical School, University of Sydney.

Applicants must submit a journal article as part of their application. This journal must:

i. cite the submitting applicant as first author or equal first author,

ii. be published or accepted for publication in a peer-reviewed journal in the previous calendar year,

iii. include the ‘Faculty of Medicine, University of Sydney’ or ‘Sydney Medical School, University of Sydney’ as the author affiliation for the submitting applicant.

A publication can only be submitted once for this Prize.
