**2014 Book Chapters and Reviews**

Sainsbury A, Hay P. Call for an urgent rethink of the ‘health at every size’ concept. *Journal of Eating Disorders.* Invited commentary, 2: 8, 2014 (Correction published in 2:13, 2014). Note this article has been designated by the publisher (BioMed Central) as a ‘Highly accessed’ article relative to its age and the journal in which it is published. It led to a Personal invitation to present for the Dietitian’s Association of Australia National Eating Disorders Interest Group, in a workshop entitled Do we need to re-think the health at every size (HAES) approach? Evidence for and against.
