Stipend

7. Each award shall provide a tax free stipend at the Australian Postgraduate Award rate. The stipend rate will be indexed on the anniversary of the commencement date of the award. 8. Muriel and Walter Lumley Research Scholarship holders will be granted a HECS-exempt place under the Research Training Scheme for the tenure of their award.

Leave Arrangements

9. Muriel and Walter Lumley Research Scholarship holders receive up to 20 days recreation leave each year of the award and this may be accrued. However, the student will forfeit any unused leave remaining when an award is terminated or completed. Recreation leave does not attract a leave loading and the supervisor's agreement must be obtained before leave is taken.

10. Muriel and Walter Lumley Research Scholarship holders may take up to ten days sick leave each year of the award and this may be accrued over the tenure of the award. Students with family responsibilities caring for sick children or relatives may convert up to five days of their annual sick leave entitlement to carer's leave on presentation of medical certificate/s. Students taking sick leave must inform their supervisor as soon as practicable.
11. If employed by the University, the appointment must not exceed half time or 50% of a full time position. However, work undertaken must not interfere with the student's study programme and progress. There is no limit on how much income an award holder can receive from part-time work but this income will not be tax-exempt.

Research overseas

14. PhD students must complete a minimum of two semesters at the University and master's students must complete a minimum of one semester at the University. Approval to conduct research outside Australia must be sought from the student's supervisor, head of department and the Faculty, and will only be granted if the research is essential for completion of the degree. All periods of overseas research are cumulative and will be credited to a student's candidature. Students must remain enrolled at the University and submit a Candidature Variation form through the Faculty Office in order to obtain permission to count the time at the overseas institution.

Transfer

15. Scholarship holders may convert from a research masters degree to a research doctorate degree or vice-versa provided such change in candidature is approved by the Faculty of Medicine and the Research Office is notified. The maximum duration of a converted Muriel and Walter Lumley Research Scholarship becomes that for the new candidature.

Suspension

16. Students may not apply for a suspension within the first 6 months of the tenure of their award.
17. Muriel and Walter Lumley Research Scholarship holders may apply for up to 12 months suspension for any reason during the tenure of their award. Periods of suspension are

cumulative and failure to resume study after suspension will result in the award being terminated. Approval to suspend must be given both by the faculty and by the head of the department concerned. Periods of study towards the degree during suspension of the Muriel and Walter Lumley Research Scholarship will be deducted from the maximum tenure of the award.

Changes in Enrolment

18. Termination

19. The award will be terminated on resignation or withdrawal of the student, upon submission of the thesis or at the end of the award, whichever is earlier. Awards will be terminated before this time if after due enquiry the University concludes that a student has not carried out the course of study with competence and diligence or in accordance with the offer of the Muriel and Walter Lumley Research Scholarship, or fails to maintain satisfactory progress, or has committed serious misconduct.

Annual Report

20. All students must complete an Annual Progress Report form towards the end of each year. Renewal of awards will be dependent on the report being considered satisfactory by the Chair of the Combined Board of Postgraduate Studies for the Faculties of Dentistry, Medicine and Pharmacy.
