

Faculty of Medicine Research Top-Up Scholarship

Established in 2007 by the Faculty of Medicine, the purpose of the scholarships is to promote and encourage postgraduate research in medicine at the University of Sydney. The scholarships shall be awarded under the following conditions:

1. The scholarships are awarded to eligible postgraduate research students and are tenable in the Faculty of Medicine only.
2. A scholarship may be awarded to a research student who has accepted an offer of an APA, or a fully-funded UPA, in the current year and who has enrolled. The Faculty of Medicine reserves the right not to recommend the award of a Faculty of Medicine Research Top-Up Scholarship.
3. A scholarship provides a top-up of up to the value of \$5,000 p.a. A student who is eligible for the scholarship but is receiving other supplementary scholarship(s) will have the value of the other top-up scholarship(s) deducted from the value of the Faculty of Medicine Research Top-Up Scholarship.
4. Students who are approved to hold a part-time scholarship will receive a top-up of up to \$2,500 per annum.
5. The top-up scholarship will have the same tenure as the APA or UPA.
6. The scholarship shall be awarded by the Dean of the Faculty of Medicine on the recommendation of the Faculty Scholarships Committee.
