HOW TO GET HERE

CAMPERDOWN AND DARLINGTON CAMPUSES (MAIN CAMPUS)
Most Open Day activities take place on the University of Sydney’s Camperdown Campus and the adjacent Darlington Campus. These campuses are located between Parramatta Road and Abercrombie Street, and separated by City Road. They are served by most major transport routes.

LOCATION MAP

On Open Day, a free shuttle bus will run between Central railway station (Railway Square) and the Camperdown Campus (see page 24). The Darlington Campus is a short (10-minute) walk from Redfern train station.

KEY
- Open Day bus to Central Station
- Free shuttle bus to outlying campuses and Shepherd Street carpark
- Railway station
- Public bus stop

GET THE MOST FROM OPEN DAY

STEP 1
GET ONE-ON-ONE ADVICE
Do you have questions about admissions, courses or other aspects of studying at the University of Sydney? Talk to our faculty representatives, career experts and admissions advisers at the information booths in the Quadrangle. Between them, they can answer all your questions. Look at the detailed maps on pages 26 and 27 to find out where to get the answers you need.

STEP 2
TAKE IN A LECTURE OR THREE
We’re running a program of mini lectures all day, covering many different aspects of life and study at the University. Find the lectures that interest you on pages 19 to 23.

STEP 3
INVITE YOUR PARENTS TO A SEMINAR
If your parents or guardians are coming along to Open Day, they might want to catch the Parents’ Seminar at 11am in the New Law Building Annex – Auditorium 101. They’ll get some useful information about how they can help support you during your time at university.

STEP 4
SEE THE SIGHTS
All throughout Open Day we run regular tours of the campus, faculty buildings, museums and residential colleges. Pick the ones that interest you on pages 12 to 15, and don’t forget to check out the other hands-on activities at University Place by the Quadrangle.

STEP 5
SOAK UP THE ATMOSPHERE
Entertainment, food and music will be provided by current students in several locations across campus. Relax, hang out with friends, make new ones, and get a glimpse into your life as a Sydney student!

STEP 6
SORT OUT YOUR ACCOMMODATION OPTIONS
If you’re planning to move out of home when you start studying, talk to our team from Student Accommodation Services and representatives from the residential colleges at the Quadrangle stalls.

NEED HELP ON THE DAY?
Look for students wearing red T-shirts with ‘Student Ambassador’ on the back – they can give you directions and help. You’ll also find information booths at the Quadrangle, Fisher Library, Science Road, Manning Road, Eastern Avenue and Railway Square.
University is a lot more than just lectures. From building racing cars to performing on stage and travelling around the world – come along and find out what our students get up to inside and outside the classroom.

**CLUBS AND SOCIETIES**
All day at University Place
See what clubs and societies are available to our students. It’s a great way to meet people, make friends and learn skills outside your degree.

**CARILLON RECITAL**
10am and 12pm at the Clocktower
Enjoy a 10-minute recital of the University Carillon – one of only two such instruments in Australia. If you’re lucky you might catch them playing the Game of Thrones or Harry Potter theme tune.

**FOOD, DRINK AND ENTERTAINMENT**
All day at University Place
Grab a bite to eat and soak up the live entertainment on the main stage, thanks to the University of Sydney Union and Sydney Uni Sport & Fitness. Learn how to get involved in some of our 200 clubs and societies.

**CAREERS ADVICE AND EMPLOYER MEETINGS**
All day at the Quadrangle
Book into a session on the day and get one-on-one careers advice. Company representatives are also on hand to talk about what they look for in graduates.

**FSAE RACING CAR**
All day at the Quadrangle front lawns
Every year, students from the School of Aerospace, Mechanical and Mechatronic Engineering team up to design and manufacture a small, open-wheeled car to race in the FSAE (Formula Society of Automotive Engineers) competition against teams from universities around the world. Check out the car for yourself and talk to this year’s Sydney team.

**PREPARE FOR UNI LIFE**
All day at the Quadrangle
Whether it’s finding a place to live or getting the most out of uni, we support you every step of the way. Visit the stalls in the Quadrangle to learn about the many helpful student services you can access.

**UNITED STATES STUDIES CENTRE**
1.30pm, New Law Lounge
Watch the final of the United States Studies Centre senior high school debating competition.
With this year’s topic focused on policy challenges in the US, high school students will be debating these proposals:
- That the US needs an Australian style gun control policy
- That the US should grant amnesty to its illegal immigrants
- That the US needs an European style austerity policy
- That US government surveillance has gone too far

The debate will be judged by Professor Bates Gill, the centre’s Chief Executive. Lunch will be provided.

**MOOT DEMONSTRATION**
11am, New Law Building Annex, Moot Court
A team of students from the Sydney University Law Society will put on a moot demonstration, introducing the key elements of brief drafting and oral argument participation. The moot will be judged by Professor Joellen Riley, Dean of Sydney Law School.

**SYDNEY COLLEGE OF THE ARTS (SCA)**
All day at the Quadrangle
The footpaths across Camperdown Campus will be decorated with chalk during Open Day. Don’t miss your chance to meet the talented artists behind these drawings. You can learn about their techniques and practices, and find out what it’s like to study at SCA.
HANDS-ON ACTIVITIES

ALL DAY AT UNIVERSITY PLACE, QUADRANGLE FRONT LAWNS

The iconic map that appears in the opening credits of *Game of Thrones* gives us an idea of what the land of Westeros might look like. But how would it look if it was mapped properly? The Faculty of Architecture, Design and Planning will be running workshops to produce a large-scale topographical map of these imagined lands.

Extract and compare the DNA of your favourite foods to find out why they are so delicious! Check out some of the amazing insects and molluscs that either destroy or benefit crops.

Explore the biological sciences across the spectrum – from cells to whole animals. Interact with live organisms, preserved specimens and plants in pieces.

Come and see our 3D globe projector.

Watch a range of demonstrations including magnets, super conductors and a solar telescope.

Learn how bacteria are identified through demonstrations of the principles of simple tests for measuring glucose and DNA.

View phytoplankton (microorganisms from Sydney Harbour) through a microscope and see how a litmus paper test monitors ocean acidification.

Put your problem-solving skills to the test with our range of maths problems and activities.

Be entertained by current students throughout the day at the University of Sydney Union main stage.

Meet the clever and curious robots that work with us in the School of Information Technologies, and find out how they ‘think’, act and help us with daily activities.

Make sure you’re healthy and ready for uni with a free health check from Sydney Nursing School students.

See a variety of demonstrations from the School of Chemistry on Eastern Avenue outside the Chemistry Building.
ENGINEERING AND IT PRECINCT

ALL DAY AT THE ENGINEERING AND IT PRECINCT

Come and see the University-built, six-wheeled, all terrain vehicles that are the same size and style as NASA’s Mars Rovers. Discover how we conduct experiments in a similar way to those carried out on the red planet.

Help our chemical engineering students make bouncing balls from latex and vinegar. While you’re there, sample some ice cream made with liquid nitrogen. You can choose your own colour and flavour.

Take part in the Project Management Challenge, an exciting mission with objectives that will test your strategic planning, teamwork and coordination skills. Winners receive prizes!

Explore the latest in touch-screen computing that transforms walls and tables into interactive surfaces.

Discover how light can be used for telecommunications. Watch as audio signals are carried by multiple colours of light and then transmitted via optical fibres.

See how Microsoft Kinect cameras are used to monitor environmental data to address today’s health and sustainability challenges.

Learn how a small screening device can identify malnutrition in newborn babies. This technology is helping us to fight the greatest cause of infant death in the developing world.

Discover how a jelly snake is a hydrogel just like human skin, and why a Kit Kat chocolate bar resembles bone and fibre. You’ll never look at your lollies the same way again.

Experience life as a student at the University of Sydney.

Discover what campus life means for 12 students, as they attend classes and events, play sport and meet with friends. Explore the best places on and around campus – from libraries and lecture theatres, to cafes, bars and green spaces.

ATTENTION PARENTS

PARENTS’ SEMINAR
Time: 11am
Venue: New Law Building Annex, Auditorium 101
If your child is in Year 11 or Year 12, don’t miss the Parents’ Seminar, which will help you navigate the admissions and enrolment process. We cover topics such as:
- how to support your child during their HSC
- university study and what it costs
- financial assistance and scholarships
- the transition from school to uni.

PRACTICAL ADVICE AND STRATEGIES TO SUPPORT YOUR CHILD AT UNIVERSITY
Time: 12pm
Venue: New Law Building Annex, Auditorium 101
Find out how key interpersonal skills can help your child succeed at university.

POSTGRADUATE STUDY
Is the prospect of your son or daughter starting university making you think about studying too? Why not give it a go!
Check out the courses each faculty has to offer, learn about postgraduate scholarships, attend the postgraduate options mini lecture, and talk to staff and postgraduate students.

POSTGRADUATE EXPO
Time: 9am to 4pm
Venue: New Law Building, Law Foyer

EXPLORE OUR CAMPUS

CAMPUSS TOURS
Enjoy a 30-minute guided tour of the Camperdown Campus with a University student ambassador.
Tours depart at 9am, 9.30am, 10am, 10.30am, 11am, 11.30am, 1pm, 1.30pm, 2pm, 2.30pm and 3pm from under the Clocktower in the Quadrangle.

ACCOMMODATION TOURS
Living in a residential college on campus can add another dimension to your University of Sydney experience, providing academic support as well as a window into sporting, cultural and social pursuits.
Visit a college for tours of its facilities and to meet current residents, any time between 10 am and 4 pm.
Visit stalls 5 to 9 in the Quadrangle for more information about the residential colleges.

MUSEUMS TOURS
Enjoy a free 30-minute tour of the Nicholson and Macleay museums and University Art Gallery.
Handle genuine archaeological artefacts in the Nicholson Museum and history and ‘make a brain’ in the Macleay Museum speak with students of art, biology and archaeology.
Tours depart at 10 am, 11 am, 12 pm, 1 pm and 2 pm from the foyer of the Nicholson Museum in the Quadrangle.

FACULTY TOURS
You’re going to be spending a lot of time at uni, so make sure you know what resources are available to you within your faculty.

ARCHITECTURE
Take a 30-minute tour of the amazing facilities available to students of architecture and design computing. Each tour goes through the Wilkinson Building and into studios, workshops, the Tin Sheds Gallery, digital fabrication studios and more.
Tours depart every hour between 10 am and 3 pm from the Wilkinson Building.
EXPLORING OUR CAMPUS

ENGINEERING AND IT
Our labs, teaching spaces and learning hubs are designed to help you get the most out of your university experience. Take a tour of our many facilities, including the flight simulator, Jabiru plane, three-story distillation column and see our ‘Mars Rovers’ on the engineering lawn.

AERONAUTICAL ENGINEERING
Take a fascinating trip through our aeronautical engineering labs where you will see the flight simulator, wind tunnel, unpiloted aerial vehicles and a prototype aircraft.

Tours depart at 9.30am and 12.30pm from outside the PNR lecture theatre 2, PNR Building foyer, immediately after the mini lectures.

BIOMEDICAL ENGINEERING
On this tour you will learn about biomaterials engineering, total hip and knee replacements, synthetic scaffolds for bone reconstruction and microspheres for drug delivery.

Tours depart at 11.30am and 2.30pm from outside the PNR lecture theatre, PNR Building foyer, immediately after the mini lectures.

MECHANICAL ENGINEERING
Explore the mechanical labs where you’ll see our 3D printer, the motoman robot, rapid prototyping and the clubman car. This tour also includes a visit to the electron microscopes.

Tours depart at 11am and 2pm from outside the PNR lecture theatre 1, PNR Building foyer, immediately after the mini lectures.

INFORMATION TECHNOLOGIES
After hearing about computer science and information systems at our mini lecture, take a tour of our facilities and participate in demonstrations of information visualisation, table-top technology and robotics.

Tours depart at 11am and 2pm from outside the PNR lecture theatre 1, PNR Building foyer.

CHEMICAL AND BIOMOLECULAR ENGINEERING
Experience a first-year teaching session, and check out the three-storey distillation column, crystalliser, and many other interesting demonstrations.

Tours depart every half hour between 10.30am and 2pm from the upstairs PNR Building entrance (on the footbridge).

You can also enjoy coffee and cakes from the mobile café situated at the Chemical Engineering main entrance.

PROJECT MANAGEMENT
On this tour, you will be shown around the new state-of-the-art teaching spaces for project management. This is a great opportunity to hear about our complex systems research and see how it is informing our teaching. Check out visualisations of social network models and have a go at making one yourself.

Tours depart at 11.30am and 2.30pm from outside the PNR lecture theatre 2, PNR Building foyer, immediately after the mini lectures.

CIVIL ENGINEERING
Take a tour of our geomechanics, structures, particle and grain labs.

Tours depart at 10am and 1pm from outside PNR lecture theatre 1, PNR Building foyer, immediately after the mini lectures.

ELECTRICAL AND INFORMATION ENGINEERING
Visit our state-of-the-art Sir William Tyree Laboratory in Power Engineering, where our students enjoy a professional environment working with actual industrial systems.

See the new solar power switching demonstration as well as the national broadband network fibre optics display.

Tours of the lab depart every half hour between 9am and 3pm from outside the PNR lecture theatre, PNR Building foyer.
OPEN DAY AT OUR OTHER CAMPUSES

The University of Sydney has several faculties based at other campuses, three of which are available to visit on Open Day.

If music, art or nursing is your passion, why not pay a visit to the Sydney Conservatorium of Music, Sydney College of the Arts, or Sydney Nursing School on Open Day?

Free buses will be running between these campuses and our main Camperdown Campus on the day. You can also meet representatives from these faculties at the stalls in the Great Hall, Ante Room or MacLaurin Hall on the Camperdown Campus.

SYDNEY CONSERVATORIUM OF MUSIC – CITY CAMPUS
Corner of Bridge Street and Macquarie Street, Sydney CBD
Open: 10am to 4pm

ARE YOU PASSIONATE ABOUT MUSIC?
Make music your career at the Sydney Conservatorium of Music – Australia’s global centre of excellence in music. Visit our campus on Open Day and see what’s on offer.

GET ONE-ON-ONE ADVICE
Our faculty representatives and admissions advisers will be on hand to answer your questions about admissions, courses, and any other aspects of studying.

Attend a masterclass, lecture or performance. We’ll be running mini-concerts and performances from a number of musical maestros throughout the day. There will also be lectures and hands-on masterclasses, along with regular tours of the building and facilities.

For a full timetable of activities, please visit us at stall 7 in the MacLaurin Hall on the Camperdown Campus, or refer to our website: sydney.edu.au/music

Free shuttle buses run between the Camperdown Campus and Sydney Conservatorium of Music Campus, every half hour from 11am to 1.30pm.

SYDNEY COLLEGE OF THE ARTS – ROZELLE CAMPUS
Balmain Road, Rozelle
Open: 10am to 4pm
Tours depart: 11am, 12pm, 1pm, 2pm and 3pm

Take a guided tour of the state-of-the-art studios, workshops and facilities available to students studying visual arts at the Sydney College of the Arts. Meet staff, students and graduates. You can also visit us at stall 6 in the MacLaurin Hall on the Camperdown Campus.

SYDNEY NURSING SCHOOL – MALLETT STREET CAMPUS
88 Mallett Street, Camperdown
Open: 9.30am to 4pm
Tours depart: 9.30am, 10.30am, 11.30am, 12.30pm, 1.30pm and 2.30pm

Take a tour of the newly renovated and cutting edge clinical simulation laboratories, where our nursing students prepare for the real world of nursing.

Once you’ve had a tour of our facilities, make sure you attend our mini lecture on the Bachelor of Nursing (Advanced Studies) and combined nursing degrees. You can also visit us at stall 5 in the Great Hall at the Camperdown Campus.

Free shuttle buses run between the Camperdown Campus and Rozelle Campus, every half hour from 10am to 3pm.

Free shuttle buses run between the Camperdown Campus and Mallett Street Campus, every hour from 9am to 3pm.

HEALTH SCIENCES – CUMBERLAND CAMPUS
Please note: the Cumberland Campus is not available to visit on Open Day. However, you can talk to our faculty representatives at stall 1 in the Great Hall and Ante Room at the Camperdown Campus.
**MINI LECTURE TIMETABLE**

Select the mini lectures that appeal to you, and create your own Open Day timetable.

TRANSPORT OPTIONS

FREE BUS SERVICES
On Open Day, free shuttle buses will run between the following locations:

Railway Square at Central, at the George Street and Lee Street intersection to and from the Camperdown Campus (outside Fisher Library). Buses will depart every 10 minutes between 8.30am and 4.30pm.

Shepherd Street car park (near Engineering Precinct), to and from the Quadrangle (corner of Manning and Fisher roads). Buses will depart every 15 minutes between 9.30am and 3.30pm.

FREE SHUTTLE BUSES TO OUTLYING CAMPUSES
Sydney Conservatorium of Music (Macquarie Street), to and from the Camperdown Campus (corner of Manning and Fisher roads). Buses will depart every 30 minutes between 11am and 1.30pm.

Sydney Nursing School (Mallett Street Campus), to and from the Camperdown Campus (corner of Manning and Fisher roads). Buses will depart every hour between 9am and 3pm.

Sydney College of the Arts (Rozelle Campus), to and from the Camperdown Campus (corner of Manning and Fisher roads), to and from Rozelle Campus. Buses will depart every 30 minutes between 10am and 3pm.

See the map on pages 32 to 33 for bus stops. For exact departure times, see the schedule at the bus stop, or look online at: sydney.edu.au/openday

WALK
We are a 10-minute walk from Redfern station and a 30-minute walk from Central station (Railway Square).

CYCLE
If you live nearby, why not cycle in? There are lots of cycle paths around the University and our secure bike racks mean you can lock your bike up while you are here.

TRAIN
Catch a train to Redfern station, and then walk for about 10 minutes to get to the Darlington Campus (the Camperdown Campus is a further five minutes).

Or you can catch a train to Central station and either walk or get our free Open Day shuttle bus at Railway Square.

BUS
BY BUS FROM THE CITY
For stops on Parramatta Road (closest to the Quadrangle) catch routes 412, 413, 435, 436, 437, 438, 440, 461, 480 and M10 from George Street or Railway Square.

For stops on City Road (close to the Darlington Campus) catch routes 422, 423, 426, 428 from Castlereagh Street or Railway Square.

BY BUS – CROSS ROUTES
Route 370 runs between Coogee and Leichhardt.
Route 352 runs between Bondi Junction and Marrickville.
Route M30 runs between Mosman, George Street in the city and Sydenham.

On any of the above routes, alight on City Road near Butlin Avenue, beside the entrance to the University of Sydney.

For more information about public transport, visit www.131500.com.au

PARKING
We highly recommend you take advantage of public transport and/or the free shuttle buses to get to and from campus. All on-campus parking is free on Open Day but spaces will be very limited.

Please comply with all relevant parking signs to avoid parking fines.

To enter the New Law Building carpark, drive city-bound along City Road and turn left into Barff Road.

The Shepherd Street carpark is located behind the Seymour Centre off Cleveland Street. It will have free parking all day, as well as a free shuttle bus to the Quadrangle between 9.30am and 3.30pm.
