Hilmer, S., Gnjidic, D. (2013). Rethinking psychotropics in nursing homes: While evidence supports psychotropic use in nursing homes in some scenarios, we use them too often, for too long, at doses too high and in dangerous combinations with other medications. *Medical Journal of Australia*, 198(2), 77-77. <a href="http://dx.doi.org/10.5694/mja12.11593">[More Information]</a>
