PART 7 SPECIAL ADMISSION PROGRAMS

25 Application for a special admission program

(1) While eligibility for admission to the University is based on academic merit, the University recognises that, for many reasons, some domestic applicants are unable to demonstrate their full potential for success at tertiary level study through the normal qualifying processes. The University has established flexible entry schemes and educational access schemes to assist these domestic applicants to gain admission to undergraduate courses.
(2) Special admission programs may be faculty or course specific and must be approved by the Academic Board. All approved special admission programs must be set out in the relevant faculty resolutions or course resolutions.

(3) Domestic applicants may apply for admission under more than one flexible entry scheme and educational access scheme, provided that their ATAR or equivalent lies within the approved eligibility band for each scheme. Except for Conditional Early Offers Schemes, the Cadigal Program and the Dux Entry Scheme, no such applicant will be admitted to a course if his or her ATAR or equivalent is more than five rank points below the relevant cut-off for the course. For the Dux Entry Scheme, no applicant will be admitted to a course if his or her ATAR is below the Minimum Eligibility Score for that course.

(4) Despite anything in this Part, flexible entry schemes and educational access schemes are subject to any quota set in accordance with clause 6 of this Policy.

26 Flexible entry schemes

(1) The Academic Board may by resolution, on the recommendation of a faculty, establish or amend a flexible entry scheme for an undergraduate award course.

   (a) are eligible Australian recent school leavers, including applicants who hold an International Baccalaureate;
   (b) have an ATAR or ATAR equivalent that lies below the ATAR cut-off for that course; and
   (c) do not have a tertiary record.

(4) Flexible entry schemes comprise two components:
   (a) a flexible entry ATAR band, lying between the ATAR cut-off and a lower limit that is not more than 5 rank points below the ATAR cut-off; and
   (b) a flexible entry criterion or criteria, selected from the list approved by the Academic Board in clause 26(5), that allows admission of eligible applicants whose ATAR lies within the flexible entry band

(5) The Academic Board approved flexible entry criteria are:
   (a) satisfactory performance in the HSC, or HSC equivalent, in subjects relevant to the course;
   (b) satisfactory performance in extra-curricular academic activities relevant to the course;

   Note 17: For paragraph (5)(b), extra-curricular activities might, for example, include Science Olympiads

   (c) aptitude for the award course, demonstrated by:

   (a) are eligible current school leavers attending a school listed in S4.9, including applicants who hold an International Baccalaureate;

(a) complete and submit an application form to the Student Centre by the due date (usually the last date for change of preference for main round offers); and

(b) attach supporting documentation, including:

(i) a reference from their school Principal; and
(ii) a reference from at least one other rural community leader.

34 Special Consideration for Admission Scheme

(1) The purpose of the Special Consideration for Admission Scheme is to help applicants who have experienced serious disadvantage during secondary study, or a previous attempt at tertiary study, to gain admission to undergraduate courses.

(2) Applicants who are eligible for admission under the Special Consideration for Admission Scheme are permitted to compete for admission with an ATAR or equivalent of up to five rank points below the relevant cut-off for the award course.

(3) The Special Consideration for Admission Scheme is available to applicants who:
   (a) have successfully completed Year 12 or equivalent secondary education (including at a high school or a technical and further education college, or an equivalent educational institution); or
   (b) have a record of previous tertiary study; and
   (c) have suffered serious disadvantage during the course of those studies.

PART 8 ADMISSION DECISIONS AND OFFERS

35 Basis for admission decisions

(1) Admission decisions must be made in accordance with the Coursework Rule and this policy.

(2) Subject to this policy, when deciding whether to make an offer of admission to an award course to an applicant, the Dean must adopt the principle that offers are to be made on the basis of the applicants’ academic merit.

(3) For admission to undergraduate award courses, applicants’ academic merit is to be measured principally by their secondary or tertiary results.

(4) The University may make more than one round of offers to applicants for an award course. The ATAR cut off points may be different for different rounds of offers.

Note 24: See also clause 2.5 of the Coursework Rule and clause 7 of this Policy.

36 Conditional offers

(1) An offer of admission to an award course may be made subject to specified conditions.

(2) Examples of conditions that might be imposed include conditions relating to:
   (a) health screening of the applicant;
   (b) criminal record checks;
   (c) child protection checks;
   (d) verification of the applicant’s academic record;
   (e) visa requirements;
   (f) English language requirements; and
37 Accepting an offer

(1) An offer of admission to an award course can be accepted only in the manner described in the offer.

(2) An applicant is not considered to be admitted to an award course at the University until he or she has completed, to the satisfaction of the University, all requirements for enrolment in the course.

(3) An applicant who has accepted an offer of admission to an undergraduate award course and, prior to commencing that course, wishes to transfer to a different award course, may apply for and be admitted to the new course, provided that:

(a) the applicant has met the minimum admission requirements for the new course at a standard equal to or higher than applicants who were offered admission to the course in the main round of offers made by the UAC;

(b) a place is available in the course;

(c) all available places are offered on the basis of merit; and

(d) the offer is made and accepted before the commencement of teaching in the new course.

PART 9 DEFERRAL

38 Deferred admission by commencing undergraduate applicants

(1) An applicant offered a place in an undergraduate award course may defer admission to that course, but only as provided in this Part.

(2) The University may permit an applicant to defer admission provided that the offer of admission has not lapsed or been withdrawn by the University due to the applicant’s actions prior or subsequent to the offer being made.

(3) Subject to subclause (4) below, the maximum period of deferral is one year.

(4) The Dean of the relevant faculty may extend the period of deferral for an individual applicant to a maximum of two years.

(5) Applicants who are offered a place in an undergraduate award course at the Sydney Conservatorium of Music must undertake a further satisfactory audition prior to admission.

(6) The Dean of the relevant faculty may decline to allow deferral for a particular course.
PART 10  CHANGE OF RESIDENCY

39  International applicants and students changing from international to domestic status

(1) If an international undergraduate applicant changes from international to domestic status prior to enrolling in his or her course and:
   (a) his or her ATAR or equivalent is equal to or higher than the ATAR required for domestic applicants to be admitted to the same course; and
   (b) there are places available in the course;
      the applicant will be transferred to a Commonwealth supported place.

(2) If an international undergraduate applicant changes from international to domestic status prior to enrolling in his or her course and either or both of the requirements in paragraphs 39(1)(a) and (b) are not met, the applicant’s offer of admission will be cancelled and withdrawn.

(3) If an international undergraduate student changes from international to domestic status prior to the census date for his or her course and:
   (a) his or her ATAR or equivalent is equal to or higher than the ATAR required for domestic applicants to be admitted to the same course; and
   (b) there are places available in the course;
      the applicant will be transferred to a Commonwealth supported place.

(4) If an international undergraduate student changes from international to domestic status prior to the census date for his or her course and either or both of the requirements in paragraphs 39(3)(a) and (b) are not met, the applicant will be transferred to a domestic fee-paying place.

(5) If an international undergraduate student changes from international to domestic status after the census date for his or her course and:
   (a) his or her ATAR or equivalent is equal to or higher than the ATAR required for domestic applicants to be admitted to the same course; and
   (b) there are places available in the course;
      the applicant will continue as an international fee paying student for that semester and transfer to a Commonwealth supported place in the subsequent semester.

(6) If an international undergraduate student changes from international to domestic status after the census date for his or her course and either or both of the requirements in paragraphs 39(5)(a) and (b) are not met, the applicant will continue as an international fee paying student for that semester and transfer to a domestic fee-paying place in the subsequent semester.

(7) Subject to this clause, if an international postgraduate applicant changes from international to domestic status prior to enrolling in his or her course, the applicant will be transferred to a domestic fee-paying place.

(8) If an international postgraduate student changes from international to domestic status before the census date for his or her course, the student will be transferred to a domestic fee-paying place.
(9) If an international postgraduate student changes from international to domestic status after the census date for his or her course, the student will continue as an international fee paying student for that semester and transfer to a domestic fee-paying place in the subsequent semester.

(10) International students who are transferred to a domestic fee-paying place are permitted to compete for any available Commonwealth supported places in subsequent semesters.

(11) International applicants for the Doctor of Medicine will not be transferred to a domestic fee-paying place in accordance with sub-clause (7).

PART 11 RECOGNITION OF PRIOR LEARNING

40 Forms of recognition of prior learning

(1) The University recognises that students commence courses with different levels, areas and forms or prior learning.

(2) The University may recognise prior learning by granting:

(a) credit, which may take the form of:

   (i) specific credit;
   (ii) non-specific credit;
   (iii) reduced volume of learning for an award course; or

(b) a waiver of a requirement to undertake a compulsory or a pre-requisite unit of study.

41 Specific credit, non-specific credit and reduced volume of learning

(1) Specific credit is the recognition of previously completed studies as directly equivalent to specific units of study offered by the University.

(2) Subject to this Policy and the course resolutions, specific credit may be granted for a unit of study where there is a substantial overlap of skills, knowledge and experience at a level deemed by the Associate Dean to be equivalent to a specific University of Sydney unit of study.

(3) Non-specific credit is ‘block credit’ given for a specified number of credit points at a particular level, in accordance with the course resolutions. These credit points may be in a particular subject area but are not linked to a specific unit of study.

(4) Reduced volume of learning is a reduction in the number of credit points required for a student to complete his or her award course, in recognition of the student’s:

(a) level and subject area of qualifications completed prior to admission; or

(b) equivalent professional experience.

Note 25: An example of specific credit is credit given for Physics 1 [PHYS1001] at the University of Sydney for Physics 1 undertaken at the University of Adelaide.

Note 26: Examples of non-specific credit are: the University of Sydney does not teach Russian but a student may be granted credit for a full first year of study in Russian undertaken at the University of New South Wales, as 12 junior credit points; a student may be granted 48
junior credit points for the first year of an Arts degree completed at another Australian university.

**Note 27:** Where possible, the University will assess credit before making an offer of admission. Where possible, the University will make an offer of credit to an applicant concurrently with his or her offer of admission. If accepted, credit offered to an applicant prior to enrolment will be granted at the time he or she is admitted to the award course. See the Coursework Credit Procedures 2015.

### 42 Awarding specific credit and non-specific credit for previous studies

1. An Associate Dean may, in accordance with this Policy, the faculty resolutions and the course resolutions, grant specific credit or non-specific credit to an undergraduate or postgraduate student for study undertaken:
   - (a) in another award course at the University;
   - (b) in an award course at another Australian tertiary institution;
   - (c) at a recognised overseas tertiary institution;
   - (d) in an accredited higher education course offered by a registered private provider;
   - (e) in a course offered by the Vocational Education and Training Sector;
   - (f) in another award program approved by the Dean following an evaluation process; or
   - (g) in a non-award program approved by the Academic Board.

2. Factors to be taken into account by an Associate Dean when evaluating a program for the purposes of subclause (1) include:
   - (a) the general educational practices and standards of the institution or system;
   - (b) the objectives of the particular course and the methods adopted to achieve those objectives;
   - (c) the duration of the course;
   - (d) the breadth, depth and balance of the course material;
   - (e) the methods of assessment in the course;
   - (f) the teaching staff conducting the course, including the numbers of teachers, and their professional qualifications, experience and educational expertise; and
   - (g) the accommodation and facilities offered to students undertaking the course, including equipment, library, laboratories, workshops and other instructional or research resources.

3. Entry to the University’s courses is competitive and eligibility for credit does not guarantee an applicant a place in a course.

4. Credit will not be granted:
   - (a) for units of study completed more than:
     - (i) 10 years; or
     - (ii) if the faculty resolutions prescribe a shorter period, the prescribed period;
prior to admission to candidature in the course that the credit is applied to;

(b) for units of study in an uncompleted course, unless the student provides evidence that he or she has abandoned credit in respect of that course;

(c) except with the permission of the Associate Dean, for units of study undertaken at another tertiary institution from which the student has been excluded;

(d) except with the permission of the Associate Dean, for units of study or on-specific credit listed in an offer of credit made by the University prior to enrolment or during candidature, and declined by the applicant or student in accordance with sub-clause 43A(2); or

(e) except with the permission of the Associate Dean, to reinstate specific credit or non-specific credit that has previously been rescinded, on request by the student in accordance with clause 43B.

(5) When granting credit, an Associate Dean may impose requirements on a student with respect to:

(a) progression to more advanced units of study within a particular course; and

(b) time limits for completion of the course.

(6) Regardless of any credit granted, a student must meet any pre-requisite or co-requisite requirements for an award course, unless the unit of study coordinator gives the student a waiver for those requirements.

(7) Regardless of any credit granted, a student must achieve and demonstrate the learning outcomes for the award course.

Note 28: See clause 46 regarding waivers.

43 Awarding reduced volume of learning

(1) An Associate Dean may, in accordance with this Policy and the course resolutions, and on request by a student, approve a reduction in the volume of learning required for the student to complete his or her award course, in recognition of:

(a) a prior qualification in the same discipline as the award course;

(b) a prior qualification in a cognate discipline deemed by the Associate Dean to provide comparable preparation to paragraph (a);

(c) relevant professional experience deemed by the Associate Dean to provide comparable preparation to paragraph (a); or

(d) a prior qualification in an appropriate discipline at AQF level 8 or above.

(2) Factors to be taken into account by an Associate Dean for the purposes of subclause (1) include:

(a) the factors set out in subclause 42(2) above;

(b) whether the student’s experience is documented;

(c) whether any documentation provided by the student demonstrates skills, knowledge or understanding that are equivalent to those that would be gained in relevant University studies.

(3) The onus will be on the student to provide appropriate documentation or other evidence.
(4) Reduced volume of learning will not be granted, except with the permission of the
Associate Dean:
(a) where the reduced volume of learning was previously listed in an offer of
credit made by the University prior to enrolment or during candidature, and
declined by the applicant or student in accordance with sub-clause 43A(2); or
(b) to reinstate reduced volume of learning that has previously been rescinded,
on request by the student in accordance with clause 43B.

43A Accepting and declining offers of specific credit, non-specific
credit and reduced volume of learning

(1) The University may make offers to grant specific credit, non-specific credit and
reduced volume of learning prior to enrolment or during candidature.
(2) An applicant or student must accept or decline (in whole or in part) any offer of
credit made by the University:
(a) prior to enrolment, on or before the date of his or her first enrolment in the
award course for which credit is being offered;
(b) during candidature, within twelve months of the date of the offer of credit.
(3) If an applicant or student does not accept or decline the offer of credit within the
timeframe specified in subclause (2), the credit will not be processed and the
University will regard the offer as having lapsed.
(4) The University may vary any offer to grant credit made to an applicant prior to
enrolment, if the Dean has authorised a period of deferral of greater than one year.

Note 28A: See clause 38 regarding deferral.

43B Rescinding specific credit, non-specific credit and reduced
volume of learning

(1) An Associate Dean may, in accordance with this policy and the course resolutions,
an on request by a student, rescind any specific credit, non-specific credit or
reduced volume of learning previously granted to the student in accordance with
this policy.
(2) Except with the permission of the Associate Dean, once any specific credit, non-
specific credit or reduced volume of learning has been rescinded in accordance
with this clause, a student may not seek to have it reinstated.

44 Limits on credit and reduced volume of learning

(1) Subject to this clause, and notwithstanding any credit or reduced volume of
learning granted in accordance with clauses 42 and 43, in order to qualify for an
award:
(a) an undergraduate student must complete a minimum of:
(i) one year (or part-time equivalent) of the award course at the
University; and
(ii) 48 credit points of the award course at the University;
(b) a postgraduate student must complete at least 50 per cent of the course requirements at the University; and

(c) a student enrolled in a Master’s degree must complete a minimum of 48 credit points of postgraduate study (including any postgraduate study at another university) in order to qualify for the award.

(2) The Associate Dean may vary the requirements in paragraph (1) where the work was completed:

(a) as part of an embedded program at the University;

(b) as part of another award course undertaken at the University; or

(c) as part of an award course approved by the University as part of an approved conjoint venture with another institution.

(3) Except with the approval of the Academic Board at course level, credit granted on the basis of work completed at an institution other than a university will not exceed one third of the course requirements.

(4) Except as provided for in sub-clause (6), credit towards postgraduate awards will not be granted for undergraduate units of study.

(5) Except as provided for in sub-clause (6), credit towards postgraduate awards will not be granted for previously completed postgraduate awards, except in the case of awards:

(a) in an embedded program at the University; or

(b) in a program completed at another university or institution deemed by the relevant Associate Dean to be the equivalent of a University of Sydney embedded program.

(6) Despite sub-clauses (4) and (5), an Associate Dean may grant credit in the form of a reduced volume of learning in recognition of completed undergraduate and postgraduate award courses in accordance with clause 43 and the course resolutions.

(7) An Associate Dean may grant a graduate a limited amount of credit for a completed undergraduate course. Subject to this policy and the course resolutions, a graduate who is admitted to candidature for the degree of Bachelor with credit for units of study in the completed course must complete a minimum of two years (or part-time equivalent) in the award course, unless additional credit from an uncompleted course or courses has also been granted.

**Note 29:** The provisions for granting credit in an award course offered as part of an approved conjoint venture are prescribed in the Senate resolutions and the faculty resolutions for the course.

**45 Credit in embedded programs, including embedded honours**

**Note 30:** Faculties have authority to establish embedded programs in closely related academic or professional areas, to establish incrementally higher levels of attainment at Graduate Certificate, Graduate Diploma and Masters level. Faculties may specify in the faculty resolutions conditions for transfer from one award in the embedded program to another.

(1) Students enrolled in an embedded program who have met the conditions for, and elect to, transfer to a longer award course in that embedded program:

(a) may transfer their enrolment to the longer award course; and
(b) will receive credit for all of the units of study completed in the shorter award course, provided that the units of study are approved as a requirement for the longer award course; and

(c) will not be permitted to graduate from the shorter award course.

(2) Subject to the relevant course requirements, graduates of a course in an embedded program who subsequently become candidates for a longer award course in the same embedded program may be granted credit for units of study completed in the shorter award course.

(3) Students enrolled in an embedded program who have completed the requirements for any award course in that embedded program may elect to discontinue their enrolment and graduate from that award course.

(4) A student who has met the requirements for a Bachelor degree at pass level may, subject to the course resolutions:

(a) receive credit for completed units of study; and

(b) enrol in the same Bachelor degree award course at honours level.

Note 31: For information on admission to a Bachelor degree award course at honours level, see clause 93.

46 Awarding waivers

(1) An Associate Dean may, having regard to a student’s previous learning or experience, waive the requirement that the student undertake a compulsory unit of study.

(2) A unit of study co-ordinator may waive the requirement that a student meet a prerequisite requirement or a co-requisite requirement for a unit of study.

(3) A waiver given under subclause (1) or (2) may be subject to conditions set out in the waiver.

Note 32: For subclause (1): as the student will not have passed the compulsory unit of study, the student will have to make up the credit points by undertaking other units of study.

PART 12 ENROLMENT IN AND UNDERTAKING UNITS OF STUDY

47 Units of study

(1) In this Part, ‘table of units’ means a table of the units of study, as set out in the course resolutions.

(2) Each unit of study is assigned a specified number of credit points by the faculty responsible for the unit of study.

(3) A student must pass a unit of study to acquire the credit points for that unit of study.

(4) The total number of credit points required for completion of an award course, including a combined degree or double degree course, is specified in the Senate resolutions and the course resolutions.
Subject to this Policy, a student completes a unit of study if the student:
(a) participates in the learning experiences for the unit of study;
(b) meets the standards required by the University for academic honesty;
(c) meets all examination, assessment and attendance requirements for the unit of study; and
(d) demonstrates learning outcomes for the unit of study to a standard equivalent to a pass level or higher.

An Associate Dean may, subject to the course resolutions and with the approval of the Associate Dean in the faculty in which the unit of study is offered, permit a student to enrol in and obtain credit for a unit of study that is not listed in the table of units for the course.

48 Students must enrol in units of study
(1) Subject to this Policy, each student must, for each semester, enrol in units of study offered in his or her award course.
(2) The enrolments must be consistent with the requirements of this policy, the faculty resolutions and the course resolutions.

Note 33: See also Part 13.

49 Assumed knowledge
(1) The University assumes that students enrolling in some first year units of study have successfully acquired a certain level of knowledge, expressed in terms of program studies and performance achieved in the HSC or equivalent.
(2) The Academic Board may, on the recommendation of the relevant faculty, specify assumed knowledge and recommended study areas for undergraduate courses.
(3) Students who have not acquired the assumed knowledge may enrol in any unit of study in their award course, but should undertake any recommended supplementary work before the unit of study commences.

Note 34: For the current list of assumed knowledge and recommended study areas for undergraduate courses, see the Academic Board standards website.

50 Prerequisite and co-requisite requirements
(1) Faculties may determine prerequisite and co-requisite requirements for enrolment in a unit of study.
(2) Subject to subclause 46(2), a student may not enrol in a unit of study unless he or she has met the prerequisite requirements for the unit of study.
(3) Subject to subclause 46(2), a student may not enrol in a unit of study for which there is a co-requisite requirement unless he or she also enrolls in or has already completed the co-requisite unit of study.

Note 35: For details of prerequisite and co-requisite requirements for courses, see the relevant faculty handbook.
51 Enrolment restrictions

(1) Except with the permission of the Associate Dean or in accordance with the course resolutions, a student may not:
   (a) enrol in a unit of study that he or she has already completed towards the requirements for an award course;
   (b) enrol in any unit of study that overlaps substantially in content with a unit of study that has already been completed by the student, or for which credit or a waiver or exemption has been granted;
   (c) enrol in units of study additional to award course requirements;
   (d) enrol in units of study with a total credit point value exceeding:
       (i) for enrolments in any one semester – 30 credit points;
       (ii) for enrolments in the Summer School – 12 credit points;
       (iii) for enrolments in the Winter School – 6 credit points; or
   (e) enrol in a prohibited unit of study.

Note 36: The course resolutions may prescribe a lower credit point value limit.

Note 37: The Associate Dean will specify prohibited units of study in the table of units.

(2) A student who is permitted, in accordance with paragraph 1(a), to re-enrol in a unit of study may receive a higher or lower grade, but not additional credit points.

52 Repeating a unit of study

(1) Unless granted an exemption by the Associate Dean, a student who repeats a unit of study must:
   (a) participate in the learning experiences provided for the unit of study; and
   (b) meet all the examination, assessment and attendance requirements for the unit of study.

(2) Except with the permission of the Associate Dean, a student who presents for reassessment in any unit of study is not eligible for any prize or scholarship awarded in connection with that unit of study.

53 Concurrent enrolment

(1) A student may not enrol in more than one award course at any level, except:
   (a) with the permission of the relevant Associate Deans; or
   (b) as part of an approved combined degree or double degree program.

Note 38: This includes courses offered by other institutions.

(2) The same unit of study cannot be counted towards the requirements for two different courses, except:
   (a) for combined degrees;
   (b) for the purpose of satisfying prerequisite, co-requisite and admission requirements; and
(c) where a student is permitted to enrol in two postgraduate programs simultaneously, faculties may allow a maximum of two units of study to be cross-credited towards requirements for a maximum of two degrees as set out in clause 90.

54 Cross-institutional study

(1) A student may, with the permission of the Associate Dean, enrol in a unit or units of study at another university or institution and have those units of study credited to the student's award course.

(2) The Associate Dean may impose conditions on any cross-institutional study approved in accordance with subclause (1).

55 Attendance

(1) A faculty may specify the attendance and participation requirements for its courses and units of study.

(2) A student enrolled in a unit of study must comply with the requirements set out in the faculty resolutions, course resolutions or unit of study outline about undertaking the unit of study, including on matters such as:
   (a) attendance at and participation in lectures, seminars and tutorials; and
   (b) participation in practical work.

(3) An Associate Dean may specify the circumstances under which a student who does not satisfy attendance requirements may be deemed not to have completed a unit of study or award course.

(4) An Associate Dean may, having regard to the student's previous studies, exempt a student from a requirement mentioned in subclause (1).

PART 13 DISCONTINUATION AND SUSPENSION OF ENROLMENT

56 Discontinuation of enrolment

(1) Subject to this clause, a student may discontinue his or her enrolment in an award course or in one or more units of study.

(2) A student's enrolment in the course or the relevant units of study will be treated as discontinued from the date of discontinuation, unless he or she produces evidence that there was good reason why the application could not be made at an earlier time.

(3) A student who discontinues enrolment in a course during his or her first year of enrolment in the course will not be permitted to re-enrol in that course unless:
   (a) the Dean granted prior permission to re-enrol; or
   (b) the student is later re-selected for admission to the course.

(4) A student may not discontinue enrolment in a course or a unit of study after the end of classes in that course or unit of study, except in accordance with subclause (2).
A student who discontinues enrolment in a unit of study is to be awarded a grade set out in Schedule 1.

57 Suspension of enrolment by student

(1) Subject to restrictions imposed by the Education Services for Overseas Students Act 2000 on student visa holders, a student in a course may suspend his or her enrolment in a course:
   (a) for a maximum period of one year; or
   (b) with the approval of the Associate Dean, for a maximum period of two years.

(2) The suspension must be notified to the University in a manner approved or accepted by the faculty.

(3) At the end of the suspension period, the student must comply with any requirements notified by the Associate Dean for completing the course. Those requirements apply to the student despite anything to the contrary in the course resolutions.

58 Suspension and termination of candidature for failure to enrol

(1) If a student is not enrolled in any unit of study by the last of the census dates for that semester, and the student has not discontinued or suspended enrolment, the student's candidature is automatically suspended.

(2) If a student's candidature is automatically suspended, then, despite any contrary provision in this Policy, the procedures for the student to re-enrol in the course are to be as the faculty determines.

(3) If a student fails to re-enrol in that and the subsequent semester, his or her candidature will be automatically terminated.

59 Return to candidature

(1) If a student returns to candidature after a discontinuation or suspension, the course requirements in force at the time of the student's return to candidature apply to the student's candidature.

(2) Despite subclause (1), the Dean may, in writing, modify the application of the course requirements in a particular case.

PART 14 ASSESSMENT

60 Statement of intent

(1) The purpose of this Part is to:
   (a) set out the principles that underpin the University's approach to assessment;
   (b) support students' development and progressive demonstration of:
      (i) information literacy skills and understanding;
      (ii) ethical practices associated with academic and personal integrity; and
(iii) research, inquiry and communication skills;
(c) inform curriculum and teaching quality assurance programs; and
(d) underpin accountability for achievement of graduate outcomes.

(2) Assessments should be designed to provide feedback on performance or to establish that students have achieved an adequate standard to proceed or to graduate.

(3) This part applies to any coursework unit of study undertaken by a higher degree by research student.

61 Assessment principles and their implementation

(1) The following principles apply to assessment at the University.
(a) Assessment practices must advance student learning.
(b) Assessment practices must be communicated clearly to students and staff.
(c) Assessment practices must be valid and fair.
(d) Assessment practices must be continuously improved and updated.

(2) The University’s assessment principles will be implemented in accordance with the implementation statements set out in this policy.

(3) The procedures for operation of the implementation statements are set out in the Assessment Procedures 2011.

62 Principle 1 - Assessment practices must advance student learning

This principle requires that:

(1) Assessment practices align with goals, context, learning activities and learning outcomes.

(2) A variety of assessment tasks are used while ensuring that student and staff workloads are considered.

(3) Assessment tasks reflect increasing levels of complexity across a program and foster enquiry-based learning.

(4) Constructive, timely and respectful feedback develops students’ skills of self and peer evaluation and guides the development of future student work.

63 Principle 2 - Assessment practices must be communicated clearly to students and staff

This principle requires that:

(1) Unit of study outlines are available in the first week of any offering of the unit and communicate the purposes, timing, weighting and extent of assessment in sufficient detail to allow students to plan their approach to assessment.

(2) Unit of study outlines explain the rationale for the selection of assessment tasks (e.g. group task) in relation to learning outcomes.
(3) Procedures exist to ensure that all staff involved in teaching a unit of study share a common understanding of assessment practices.

(4) The process of marking and of combining individual task marks is explicitly explained in the unit outline.

64 Principle 3 - Assessment practices must be valid and fair

This principle requires that:

(1) Assessment tasks are authentic and appropriate to disciplinary and or professional context.

(2) Assessment incorporates rigorous academic standards related to the discipline(s) and is based on pre-determined, clearly articulated criteria with which students actively engage.

(3) Students’ assessment will be evaluated solely on the basis of students’ achievement against criteria and standards specified to align with learning outcomes.

(4) Assessment practices address issues of equity and inclusiveness to accommodate and build upon the diversity of the student body so as not to disadvantage any student.

65 Principle 4 - Assessment practices must be continuously improved and updated

This principle requires that:

(1) Assessment tasks and outcomes are moderated through academic peer review and used to inform subsequent practice.

(2) Assessments are regularly updated to ensure alignment with program learning outcomes or graduate attributes.

(3) Professional development opportunities that are related to design, implementation and moderation of assessment are provided to staff.

Note 39: A student does not have a right to a merits review by the Student Appeals Body under the University of Sydney (Student Appeals against Academic Decisions) Rule 2006, and cannot appeal against an academic decision on the ground that the student believes that the academic decision was made in a manner that was inconsistent with the Assessment Principles.

66 Common result grades

(1) The University will award common result grades as set out in Schedule 1.

(2) The grades of high distinction, distinction and credit indicate work of a standard higher than that required for a pass.

(3) A student who completes a unit of study for which only a pass or fail result is available will be recorded as having satisfied requirements.
66A Simple Extensions

(1) A unit of study co-ordinator, who is satisfied that it is appropriate to do so, may permit a student to submit a non-examination task up to two working days after the due date with no penalty.

(2) Such permission is an informal arrangement between the unit of study co-ordinator and the student which does not:
   (a) affect the student’s entitlement to apply for special consideration under this policy;
   (b) alter any time limits or other requirements relating to applications for special consideration; or
   (c) constitute an academic decision for the purposes of the University of Sydney (Student Appeals Against Academic Decisions) Rule 2006 (as amended).

Note: Any faculty resolution or local provision forbidding the granting of simple extensions is inconsistent with this policy

67 Special consideration due to illness, injury or misadventure

(1) Generally, an illness, injury or misadventure will be taken into account when considering a student's performance in a course or unit of study.

(2) Special consideration is provided in circumstances where well-attested illness, injury or misadventure occurs during a semester or at the time of an examination. It is an academic judgement which depends on the nature of the illness, misadventure or injury and its impact in relation to assessment or examination.

(3) Students who bear a primary carer responsibility toward another person at the time of an assessment may also apply for special consideration on the basis of illness, injury or misadventure on the part of the person for whom they care if their ability to prepare for or perform the assessment is adversely affected.

(4) Special consideration is also available to non-award students.

(5) Students who are granted special consideration must nonetheless be required to demonstrate achievement of designated learning outcomes.

(6) Rescinded.

(7) A student who is reasonably capable of attempting an examination should do so, despite any accompanying application for special consideration.

(8) All requests for special consideration must be genuine and made in good faith.
   (a) Attempts to use special consideration as a means of gaining an unfair advantage in an assessment must be rejected.
   (b) Making a request for special consideration that is not genuine or in good faith may lead to disciplinary action against a student.

(9) A request for special consideration does not guarantee that the request will be granted.

(10) Special consideration must not be granted for:
   (a) balancing workloads from other units of study, disciplines or faculties;
   (b) information and communications technology-related problems, except where they could not have been prevented, avoided or the effects minimised by reasonable diligence by the student; or
(c) jury service, military service, national sporting, religious or cultural commitments or other unforeseen events for which special arrangements may be provided in accordance with this policy.

(11) Special consideration granted to one or more students should not disadvantage other students.

68 Students with a disability

(1) Students with a permanent or temporary disability who have registered with the University’s Disability Services, and have satisfied the University’s requirements for supporting documentation, may be eligible for reasonable adjustments and or accessible examination and assessment arrangements.

Note 40: As at the date of these procedures, information about the University’s Disability Services can be found here: http://sydney.edu.au/study/academic-support/disability-support.html

(2) Disability Services will determine the student’s eligibility for adjustments and inform the student and faculty of the required reasonable adjustments.

(3) Students wishing to apply for accessible examination and assessment conditions must make their application through Disability Services within specified timeframes.

(4) Accessible examination and assessment conditions include, but are not limited to:

(a) extra time for reading, writing, resting or toilet breaks;
(b) use of a scribe;
(c) examination papers in alternative formats;
(d) use of assistive technology;
(e) ergonomic furniture;
(f) using a designated room and experienced supervisors;
(g) using a separate room with a scribe or assistive technology;
(h) rescheduling and or spacing of examinations into the deferred examination period.

69 Special arrangements for assessments

(1) The relevant delegate may make special arrangements available to any student who is unable to meet assessment requirements or attend examinations because of one or more of the following:

(a) essential religious commitments or essential beliefs (including cultural and ceremonial commitments);
(b) compulsory legal absence (such as jury duty or court summons);
(c) sporting or cultural commitments, including political or union commitments, where the student is representing the University, state or nation;
(d) birth or adoption of a child;
(e) Australian defence force or emergency service commitments (including Army Reserve);
(f) the relevant delegate forms the view that employment of an essential nature to the student would be jeopardised and that the student has little or no discretion with respect to the employment demand.

(2) The relevant delegate may make special arrangements for a student who is unable to meet assessment requirements or attend examinations for any other reason that is beyond the student’s reasonable control, at the delegate’s own discretion, on a case-by-case basis.

(3) Special arrangements are intended to support the University’s commitment to flexible learning. However, while every reasonable attempt is made to accommodate student needs, it may not be possible to provide such arrangements in all cases. This is particularly so where clinical placements and practicums are involved.

70 Responsibilities for implementation of this Part

(1) The Academic Board is responsible for:

PART 15 PROGRESSION

71 Progression requirements

Note 41: A student enrolled in an award course must meet the progression requirements and all the course requirements for an award course within the time limits for the course.
See Part 4 of the Coursework Rule.

Subject to this Policy, a faculty will prescribe in the faculty resolutions or the course resolutions the progression requirements for coursework award courses in that faculty.

72 Statement of intent

(1) The University is committed to early identification and support of students who are not meeting progression requirements, and may therefore be at risk of exclusion from their award course.

(2) Faculties will assist and promote the progression of students who are not meeting progression requirements by:
   (a) regularly and effectively advising students of progression requirements;
   (b) identifying and alerting students who are not meeting progression requirements;
   (c) providing assistance to students who are not meeting progression requirements; and
   (d) tracking the progress of students after they are identified as not meeting progression requirements.

(3) Faculties will ensure that they have clear and transparent internal processes for handling students who are not meeting progression requirements, consistent with this policy.

73 Monitoring progression

(1) Faculties will monitor each student’s progression, including through reports generated by the student record keeping system.

(2) When monitoring each student’s progression, the faculty may take into account:
   (a) whether the student has attended compulsory teaching and assessment components of a unit of study;
   (b) whether the student has over-enrolled in an attempt to catch up on failed units of study; and
   (c) whether there are significant variations in the student’s academic performance.

(3) Where the attendance record of a student is deemed by the faculty to be unsatisfactory, that information will be recorded in the student record keeping system.

74 Progression profile

(1) Faculties will establish and maintain a progression profile for each student who is identified as not meeting academic progression requirements.

(2) The progression profile will include all documents relating to a student’s academic progression, including correspondence and interview records.

(3) The progression profile will be attached to the student’s file.
75 Triggers for identifying students who are not meeting academic progression requirements

(1) At the end of each semester, each faculty will identify the students in courses offered by the faculty who are not meeting academic progression requirements.

(2) A student will be identified as not meeting academic progression requirements in a semester if:
   (a) the student received a Fail, Discontinued - Fail or Absent Fail grade in more than 50% of the total credit points allocated to the units of study in which they were enrolled for the semester;
   (b) the student’s semester average mark was less than 50;
   (c) the course resolutions stipulate that:
       (i) an average mark above 50 is required in order to remain enrolled in an award course or stream; and
       (ii) alternative enrolment is available; and
       the student’s average mark for all the units of study in which they were enrolled for the semester was less than the required average mark;
   (d) the student failed one or more barrier units of study, compulsory units of study, field work, clinical work, practicum or other professional experience specified in the course resolutions;
   (e) the student has failed twice to pass the same unit of study (excluding Summer School and Winter School units of study);
   (f) the student’s attendance record during the semester was unsatisfactory; or
   (g) the student is unable to complete their award course within the maximum time limit, while carrying a normal student load.

76 Stage 1 - Students identified for the first time as not meeting academic progression requirements

(1) The faculty will send all students identified as not meeting academic progression requirements for the first time a letter and a self-reflective Staying on Track survey.

(2) The letter will advise each student:
   (a) that they have been identified as not meeting academic progression requirements;
   (b) why they have been identified as not meeting academic progression requirements;
   (c) that they are advised to:
       (i) complete a Staying on Track survey; and
       (ii) attend a Staying on Track information session;
   (d) that all correspondence and documents relating to their academic progression status will be recorded on their progression profile; and
   (e) where the student is enrolled in an award course whose normal full-time duration is two years or less, that:
(i) if they fail to meet progression requirements in the following semester, they may be asked to show good cause why they should be permitted to re-enrol in the award course; and

(ii) they are recommended to consult an academic adviser in their faculty.

(3) Faculties may require students to consult an academic adviser.

(4) The Staying on Track survey will:

(a) assist students to identify why they are having difficulties meeting academic progression requirements;

(b) advise students to avail themselves of, and include details of, student support services available at the University, including:

   (i) the Counselling Service;

   (ii) the Learning Centre;

   (iii) the University Health Service; and

   (iv) the student representative bodies.

(5) The Staying on Track information session will:

(a) provide information on study skills; and

(b) introduce students to the student support services in paragraph (4)(b).

Note 42: See clause 78 for information on the show cause process.

77 Stage 2 - Students at risk of being asked to show good cause

(1) Students who:

(a) are enrolled in an award course whose normal full-time duration is two years or less; and

(b) are identified for the second time as not meeting academic progression requirements, without an intervening period of satisfactory progress;

will be asked to show good cause why they should be permitted to re-enrol in the award course.

(2) Students who:

(a) are enrolled in an award course whose normal full-time duration is more than two years; and

(b) are identified for the second time as not meeting academic progression requirements, without an intervening period of satisfactory progress as prescribed in clause 82;

will be sent a warning letter and a Staying on Track survey by the faculty.

(3) The letter will advise each student:

(a) that they have been identified as not meeting academic progression requirements;

(b) why they have been identified as not meeting academic progression requirements;

(c) that they are advised to:

   (i) complete a Staying on Track survey; and
(ii) attend a Staying on Track information session, if they have not already done so;

(d) that they are required to consult an academic adviser in their faculty; and

(e) that all correspondence and documents relating to their academic progression status will be recorded on their progression profile.

(4) The Staying on Track survey will:

(a) assist students to identify and explain why they are having difficulties meeting academic progression requirements; and

(b) require students to consult with their year adviser or Associate Dean, who will ask them to provide information about any support services or other remedial action the student has taken since they were first identified as not meeting academic progression requirements.

(5) The faculty will record whether the student has consulted an academic adviser.

Note 43: The Associate Dean will take into account whether a student has consulted an academic adviser when determining whether a student has shown good cause for the purposes of clause 78.

78 Stage 3 - Being asked to show good cause

(1) The relevant Associate Dean may require a student who has not met the progression requirements or other standards set out in applicable faculty local provisions to show good cause why he or she should be allowed to re-enrol.

(2) For the purposes of this policy, ‘good cause’ means:

(a) circumstances beyond the reasonable control of a student, which may include serious ill health or misadventure, but does not include demands of employers, pressure of employment or time devoted to non-University activities, unless these are relevant to serious ill health or misadventure; and

(b) reasonable prospects of meeting progression requirements in the following semester.

(3) Students will be asked to show good cause where:

(a) they are enrolled in an award course whose normal full-time duration is two years or less, and they have been identified as not meeting progression requirements for that award course twice, without an intervening period of satisfactory progress as prescribed in clause 82;

(b) they are enrolled in an award course whose normal full-time duration is more than two years, and they have been identified as not meeting progression requirements for that award course three times, without an intervening period of satisfactory progress as prescribed in clause 82; or

(c) they have twice failed the same compulsory or barrier unit of study, field work, clinical work, practicum or other professional experience.

(4) A student may be asked to show good cause more than once.

(5) A student who is asked to show good cause will be invited to provide written reasons why they should be permitted to re-enrol in their award course.

(6) A student’s response to a request to show good cause should:

(a) outline the circumstances that have negatively affected the student’s study performance;
(b) explain the specific effects or impacts of those circumstances;

(c) outline the steps that the student has taken, or will take in the future, to address each of those circumstances, with a view to ensuring that they will not negatively affect the student’s study performance in the future;

(d) if the student has previously been asked to show good cause, explain whether previously identified factors affecting their study performance have recurred, including reasons why previous strategies to address those factors have been ineffective; and

(e) attach any relevant documentary evidence.

(7) In all cases the onus is on the student to provide the Associate Dean with satisfactory evidence to establish good cause.

(8) The Associate Dean will provide reasons for his or her decision, which will be recorded on the student’s progression profile.

Note 44: Documentary evidence for paragraph (6)(e) may include medical certificates, police reports, statutory declarations or academic transcripts. The Associate Dean may take into account relevant aspects of a student’s record in other courses or units of study within the University, and relevant aspects of academic studies at other institutions, provided that the student presents this information to the Associate Dean.

Note 45: A response to a request to show good cause is not a substitute for a special consideration or special arrangement application, which should be lodged as appropriate in accordance with this policy.

79 Permission to re-enrol

(1) The Associate Dean will permit a student who has shown good cause to re-enrol.

(2) Subject to clause 82, a student who is permitted to re-enrol will remain at Stage 3 of the process outlined in this Part.

80 Actions that may be taken where a student does not show good cause

(1) Where a student has not shown good cause why he or she should be allowed to re-enrol, the Associate Dean may:

(a) exclude the student from the relevant course; or

(b) permit the student to re-enrol in the relevant award course subject to restrictions on units of study, which may include but are not limited to:

   (i) passing a unit or units of study within a specified time;

   (ii) exclusion from a unit or units of study; and

   (iii) specification of the earliest date upon which a student may re-enrol in a unit or units of study.

(2) The Associate Dean may not exclude a student who subsequently does not meet any restrictions on enrolment imposed under paragraph (1)(b) without allowing the student a further opportunity to show good cause.

Note 46: For information on student appeals against decisions made by an Associate Dean under this clause, see the University of Sydney (Student Appeals against Academic Decisions) Rule 2006.
81 Applying for re-admission after exclusion for failure to meet progression requirements

(1) A person who has been excluded from an award course may apply for re-admission to the award course after at least two years.

(2) Re-admission will not be permitted without the approval of the Associate Dean.

(3) With the written approval of the Associate Dean, a person who is re-admitted to his or her award course may be given credit for any work completed elsewhere in the University or at another institution during a period of exclusion.

Note 47: For information on student appeals against decisions made by an Associate Dean under this clause, see the University of Sydney (Student Appeals against Academic Decisions) Rule 2006.

Note 48: For information on applying for admission to other courses at the University after exclusion, see clause 11.

82 Reversion

(1) Where a student previously identified as not meeting academic progression requirements meets progression requirements for two consecutive semesters, his or her name will be removed from the academic progression register.

(2) If, having been removed from the academic progression register, a student who has previously been identified as not meeting academic progression requirements fails again to meet progression requirements, he or she will be regarded as being at Stage 1 of the process outlined in this Part. These students may, at the faculty’s discretion, be required to consult an academic advisor about their progress.

PART 16 SHOW GOOD CAUSE FOLLOWING FAILURE, DISCONTINUATION OR EXCLUSION

83 Show good cause following failure, discontinuation or exclusion

(1) The Associate Dean may require a student to show good cause why he or she should be permitted to re-enrol in a unit of study that he or she has failed or discontinued more than once, whether that unit of study was failed or discontinued when the student was enrolled in an award course offered by the current faculty or by another faculty.

(2) The Associate Dean may require a student who:
   (a) has had his or her candidature in an award course at the University, or at another institution, terminated due to failure or discontinuation; and
   (b) has subsequently been admitted or re-admitted to an award course at the University;

to show good cause why he or she should be permitted to re-enrol in a year of candidature or a unit of study that he or she has failed or discontinued in the year immediately following the admission or re-admission.

(3) Where a student has not shown good cause why he or she should be allowed to re-enrol, the Associate Dean may:
   (a) exclude the student from the relevant course; or
permit the student to re-enrol in the relevant award course subject to restrictions on units of study, which may include but are not limited to:

(i) completion of a unit or units of study within a specified time;
(ii) exclusion from a unit or units of study; and
(iii) specification of the earliest date upon which a student may re-enrol in a unit or units of study.

(4) The Associate Dean may not exclude a student who subsequently does not meet any conditions on enrolment imposed under paragraph (3)(b) without allowing the student a further opportunity to show good cause.

Note 49: For information on student appeals against decisions made by an Associate Dean under this clause, see the University of Sydney (Student Appeals against Academic Decisions) Rule 2006.

PART 19 AWARDS WITH HONOURS

93 Admission to an award course with honours

(1) On the recommendation of the relevant Head of Department, a Dean may admit a student to an appended honours course, if the student has:
   (a) met the requirements for a pass degree in the course;
   (b) achieved a weighted average of at least 65, calculated from at least 48 credit points of undergraduate study (excluding any 1000 level units if the course is available on a full-time basis to high school graduates); and
   (c) met any additional requirements set by the faculty resolutions or course resolutions for admission to honours in the course.

(2) On the recommendation of the relevant Head of Department, a Dean may admit a student to an integrated honours course:
   (a) if the student has:
       (i) met the requirements for a pass degree in the course;
       (ii) achieved a weighted average of at least 65, calculated from at least 48 credit points of undergraduate units of study (excluding any 1000 level units if the course is available on a full-time basis to high school graduates); and
       (iii) met any additional requirements set out by the faculty resolutions or course resolutions; or
   (b) from the commencement of the award course if:
       (i) the Academic Board has approved the award course as one that meets the learning outcomes of an AQF Level 8 honours qualification; and
       (ii) the course resolutions incorporate explicit requirements for completion of the award course that are consistent with the awarding of honours as prescribed in this Policy.

(3) A student who is enrolled in an appended honours course:
   (a) may not graduate with the pass degree; and
   (b) may not enrol part-time, except in accordance with the course resolutions.

(4) A student who fails or discontinues an appended honours year may not re-enrol in it, except with the approval of the Dean.

94 Principles for the award of honours

The principles for the University's offering degrees with honours are:
   (a) the award of honours is reserved to indicate special proficiency;
(b) the University offers courses leading to a degree with honours to provide research training opportunities to students who demonstrate special proficiency and the ability to undertake further study and research within a discipline;

(c) a course leading to a degree with honours is intended to attract and stimulate students of high ability;

(d) honours awards are in classes, to recognise and reward outstanding academic ability;

(e) an honours course:
   (i) will provide the foundations of research training within the relevant discipline; and
   (ii) will have an identifiable, discipline-specific individual research, scholarly or creative component that is allocated at least 12 credit points; and

(f) the assessment tasks for research units of study will comprise, at least in part, a dissertation.

95 Qualifying for an award with honours

(1) To qualify for an award with honours, a student must meet the requirements set out in the faculty resolutions and course resolutions.

(2) The award of a degree with honours, and the grade of honours awarded, will be assessed and calculated according to two mechanisms:
   (a) for appended honours - by an honours mark; or
   (b) for integrated honours - by a grade average calculated across at least 48 credit points of study.

(3) Each faculty will publish the grading systems and criteria for the award of honours in that faculty.

96 Determining honours awards for appended honours and integrated honours (using a 48+ credit point average)

(1) This clause applies to:
   (a) an appended honours course; and
   (b) an integrated honours course where, under the course resolutions, the conferral of the degree with honours, and the class of honours, is determined using a mark calculated across units of study attracting at least 48 credit points but less than 96 credit points.

(2) A student who achieves a mark within a range set out in the following table is to be awarded honours in the class set out in the table for that range.

<table>
<thead>
<tr>
<th>Item</th>
<th>A student who achieves an honours mark in the range …</th>

<tbody>

<td>Second Class / Division 1</td>
</tr>
<tr>
<td>3</td>
<td>70 ≤ honours mark &lt; 75</td>
<td>Second Class / Division 2</td>
</tr>
</tbody>
</table>
A student who achieves a mark of less than 65 is not awarded honours.

Determining honours awards for appended honours and integrated honours (using a 96+ credit point average)

This clause applies to an integrated honours course where, under the course resolutions, the conferral of the degree with honours, and the class of honours, is determined using an honours mark calculated across units of study that together have at least 96 credit points.

A student who achieves an honours mark within a range set out in the following table is to be awarded honours in the class set out in the table for that range.

<table>
<thead>
<tr>
<th>Item</th>
<th>A student who achieves an honours mark in the range …</th>

<td>Second Class / Division 1</td>
</tr>
<tr>
<td>3</td>
<td>65 ≤ honours mark &lt; 70</td>
<td>Second Class / Division 2</td>
</tr>
</tbody>
</table>

The course resolutions for a course may require a student to achieve higher honours marks for particular classes of honours.

A student who achieves a mark of less than 65 is not awarded honours.

PART 20 UNIVERSITY MEDALS

Qualifying for a University Medal

A student who has qualified for a Bachelor degree with honours with an outstanding academic record throughout the award course may be eligible for the award of a University Medal.

Awarding University Medals

Faculties may signal outstanding achievement in a Bachelor degree course with honours by awarding a University Medal to one or more students.

Faculties will discuss and determine the normal minimum levels of academic performance required for the award of a University Medal, using broadly comparable University-wide criteria based on the conditions for the award of First Class Honours.

The award of a University Medal will not be based solely on a numerical mark or faculty formula. A minimum criterion will be regarded as a necessary but not sufficient consideration for the award of a University Medal.
PART 21  TERMINATION OF CANDIDATURE

100  Failure to complete within time limits

The candidature of a student who has not completed the course requirements for an award course within the period prescribed under clause 4.2 of the Coursework Rule, is by force of this clause, automatically terminated at the end of that period.

Note 53: The candidature of a student who discontinues his or her enrolment in a course during his or her first year of enrolment in the course, without prior permission from the Dean to re-enrol, is automatically terminated in accordance with subclause 56(3) of this Policy.

Note 54: The candidature of a student who does not enrol for any unit of study for two consecutive semesters is automatically terminated in accordance with subclause 58(3) of this Policy.

101  Termination of candidature where disqualifying circumstances exist

(1) Subject to this clause, the Registrar may terminate the candidature of a student if one or more of the following disqualifying circumstances exist:

(a) the student, or someone acting on the student’s behalf, made a material misrepresentation in applying for admission to an award course;

(b) the student failed to disclose to the University a fact or circumstance material to its decision to admit the person to an award course; or

(c) the student was admitted to an award course on the basis of a degree, diploma or certificate obtained wholly or partly by fraud, academic misconduct or other dishonesty.

(2) Before terminating the candidature of a student in accordance with this clause, the Registrar must give the student written notice of the proposed termination of candidature.

(3) The notice must:

(a) set out the basis on which it is proposed that the student’s candidature be terminated;

(b) inform the student that he or she may make written submissions to the Registrar on the proposed termination of candidature, and by when to make such submissions;

(c) inform the student that the Registrar will determine, after considering any submissions from the student, whether to terminate the student’s candidature.

(4) The period for making submissions under subclause (3) must be at least 20 working days.

(5) The Registrar will:

(a) consider the student’s submissions within 10 working days of receiving them; and
(b) take all reasonable measures to finalise the process as soon as practicable.

(6) If the Registrar is satisfied, after considering any submissions made by the student, that:

(a) the disqualifying circumstances specified in the notice exist; and
(b) because of those disqualifying circumstances the student’s candidature in the award course should be terminated;

the Registrar will terminate the student’s candidature in the award course.

(7) The Registrar will notify the student of the decision in writing, including reasons, as soon as possible after it is made.

(8) If the Registrar terminates the candidature of a student in accordance with this clause:

(a) any liability of the student to pay fees or charges to the University is not affected; and
(b) the student is not entitled to a refund, repayment or set off of any fee or other amount paid; and
(c) the student will not be eligible for admission to any course at the University for a period of three years from the date of termination of candidature.

Note 55: A decision made by the Registrar in accordance with this clause is not an ‘academic decision’ and cannot be appealed to the Student Appeals Body in accordance with the University of Sydney (Student Appeals against Academic Decisions) Rule 2006.

102 Rescissions, replacements and transitional arrangements

(1) This document replaces the following, which are rescinded as from the date of commencement of this document:

(a) Admission: Advanced Standing, Credit and Exemption Policy, which commenced on 15 April 1998;
(b) Admission to Undergraduate Courses Policy, which commenced on 16 October 2002;
(c) Assessment Policy 2011, which commenced on 9 November 2011;
(d) Academic Board Policy on Awards with Honours, which commenced on 13 August 2003;
(e) Postgraduate English Language Requirements Policy, which commenced on 24 August 2011; and
(f) Student Academic Progression Policy, which commenced on 13 December 2006.

(2) A reference in any course resolution, faculty resolution or policy to any document rescinded by this Policy should be construed as a reference to this Policy.
SCHEDULE 1

Common Result Grades

(1) The Academic Board has adopted a set of grades that are common to all undergraduate and postgraduate courses that award merit grades for coursework, as set out in the following table.

(2) Learning outcomes for units of study are reported in one of two ways:
   (a) by grade and mark: the mark and grade must correspond as indicated in the Schedule below;
   (b) by grade only: the grade should be either Satisfied Requirements (SR) or Failed Requirements (FR).

(3) Learning outcomes for a unit of study must be reported in the same way for all students enrolled in the unit.
