PART 1         PRELIMINARY

1 Name of policy

This is the Student Recognition Awards Policy 2016.
2 Commencement

This policy commences on 1 January 2017.

3 Statement of intent

This policy establishes the framework for establishing and managing student recognition awards.

4 Application

(1) This policy applies to all student recognition awards at the University, except to the extent that it conflicts with the terms or conditions required by applicable trust conditions or contractual terms.

(2) This policy does not apply to loans, bursaries or ex-gratia payments made by the University to students.

Note: Information about student financial support is available at http://sydney.edu.au/stuserv/financial_assistance_office/index.shtml. Student loans are administered according to the Student Loan Procedures – Accounts Receivable.

5 Definitions

delegate means an officer, employee or committee of the University to whom Senate has made a delegation of authority.

prize means a payment or benefit that carries no condition of further study which is received by a student on the basis of either or both of prior academic performance or fulfilling relevant selection and eligibility criteria. The benefit can be monetary or non-monetary.

procedures means the procedures associated with this policy.

SAS PSU means the Student Administrative Services professional services unit, within the portfolio of the Deputy Vice-Chancellor (Registrar).

scholarship means a payment or benefit to a student which is:
- usually monetary;
- awarded on the basis of academic merit or potential, alone or in combination with other criteria;
- awarded in connection with ongoing or future study;
- subject to satisfactory future performance requirements; and
- awarded for a specified period up to a maximum duration of a full course of study.
student recognition award means any form of scholarship, prize or subsidy, including those awarded under the research training program.

subsidy means a form of scholarship consisting of a monetary benefit to support a student or graduate for a specific activity or purpose (such as travel or accommodation), usually for a minimum teaching or research period.

6 Principles for student recognition awards

(1) Student recognition awards may take the form of:
   (a) scholarships;
   (b) subsidies; or
   (c) prizes.

(2) New student recognition awards may only be established:
   (a) by a relevant delegate;
   (b) if there is sufficient funding available; and
   (c) if gift funded, consistently with the requirements of the Gift Acceptance Policy 2013.

(3) New student recognition awards must:
   (a) recognise and support any or all of:
       (i) academic excellence;
       (ii) equity of access;
       (iii) fairness; and
       (iv) the University’s strategic priorities;
   (b) have appropriately broad, inclusive and fair eligibility and selection criteria; and
   (c) provide for the University to be the ultimate decision maker in relation to recipients.

(4) Student recognition awards funded by third parties should recognise donor philanthropy and foster partnerships and shared objectives with third party participants.

(5) Existing student recognition awards may only be awarded in any given year if the relevant delegate is satisfied that there are sufficient funds available.

(6) All student recognition awards must be established and administered consistently and transparently, and in accordance with this policy and the procedures.

(7) Except with the prior approval of the relevant delegate the availability of all student recognition awards must be appropriately advertised.
PART 2 ESTABLISHING STUDENT RECOGNITION AWARDS

7 Funding and approval

(1) The Deputy Vice-Chancellor (Registrar), in consultation with the relevant delegates, will establish annually the categories and minimum values for categories of student recognition awards. In doing so, the Deputy Vice-Chancellor (Registrar) will take into consideration currently applicable government allowance and payment thresholds where relevant.

(2) Student recognition awards may be funded by any, or a mixture, of:
   (a) donated funds;
   (b) contractually provided funds, including sponsorships;
   (c) government funding schemes; or
   (d) internal University funds.

(3) Where internal University funds are to be used, the relevant academic or business unit must obtain the funds through the annual budget process in the financial year before the year in which the student recognition award is offered.

Note: See University of Sydney (Delegations of Authority – Administrative Functions) Rule 2016.

8 Terms and conditions

(1) In establishing a student recognition award the relevant delegate must determine its terms and conditions.

(2) The terms and conditions for a student recognition award must:
   (a) except to the extent that they are governed by trust or contractual requirements, comply with this policy and the procedures;
   (b) be drafted in consultation with the SAS PSU; and
   (c) be endorsed by the Office of General Counsel.

(3) The terms and conditions for each student recognition award must specify:
   (a) the eligibility criteria for applicants;
   (b) selection criteria for recipients;
   (c) any ongoing eligibility criteria;
   (d) the total value of the recognition award;
   (e) the payment schedule;
   (f) the composition of a selection committee which will determine recipients; and
   (g) the circumstances in which the award may be terminated prematurely.
(4) Eligibility and selection criteria must:

(a) set clear standards and benchmarks against which applicants can be ranked and recipients selected; and

(b) be broad enough to allow a reasonable number of people to be eligible.

PART 3 MANAGING STUDENT RECOGNITION AWARDS

9 Marketing and applications

(1) SAS PSU will establish and maintain a publicly available page on the University’s website, which will be the core communications channel for all student recognition awards.

(a) Delegates must provide details of each student recognition award they approve to the SAS PSU in the manner and form specified in the procedures, as soon as possible after approval is given.

(b) Any reference to a student recognition award in any publication or website published by or on behalf of the University must link to, or provide details of, the relevant webpage.

(2) In relation to each student recognition award, the relevant webpage must publish or link to:

(a) its terms and conditions;

(b) application dates and processes; and

(c) details of information about applicants or recipients which need to be provided to any donor or other third party.

(3) Wherever possible, application rounds will be aligned to the teaching or research period appropriate to the relevant student recognition award.

(4) Applications must be submitted electronically in the form and manner specified in the procedures.

(5) SAS PSU will confirm receipt of applications, and advise applicants of outcomes in the form and manner specified in the procedures.

10 Making student recognition awards

(1) SAS PSU is responsible for the receipt, collection and, where possible, initial ranking of applications.

(2) Ranked applications must be considered by the relevant selection committee, consistently with the applicable terms and conditions.

(3) The selection committee will then determine the final ranking of the applicants.

(a) Unless the terms and conditions specify otherwise, the selection committee will determine which of the selection criteria will be prioritised in order to resolve any deadlock in ranking.

(4) SAS PSU will notify applicants of the outcome of their applications, in the form and manner specified in the procedures.
(5) Notifications to successful applicants must include:
   (a) the terms and conditions of the award;
   (b) instructions on how and by when to accept it;
   (c) details of any proposed awards ceremony or other public recognition;
   (d) details of any additional information about the recipient proposed to be provided to a donor or other third party; and
   (e) whether, and if so how, a recipient may elect:
       (i) not to participate in any public recognition; or
       (ii) not to have their information provided to any donor or other third party.

(6) SAS PSU will manage student recognition award payments by:
   (a) identifying appropriate methods of payment based on the value of award;
   (b) using University systems and processes to issue funds to recipients.

11 Recognition

(1) The Alumni and Development Office, in collaboration with faculties and University Schools, may hold ceremonies or events to recognise both student recognition award recipients and donors.

(2) The Deputy Vice-Chancellor (Registrar) will determine which student recognition awards will appear on academic transcripts.

(3) Recipients may elect not to participate in any recognition ceremony or similar event.

(4) SAS PSU will maintain award and merit lists that may be published and made publically available on the University website.

12 Terminating individual students’ recognition awards

(1) The recipient of a student recognition award may terminate it at any time by:
   (a) notice in writing to the SAS PSU; or
   (b) terminating their candidature in their award course.

(2) The delegate responsible for establishing the student recognition award may terminate an individual award if:
   (a) satisfied that the holder has failed to fulfil the eligibility criteria or breached any term on which the award is conditional; or
   (b) the holder has been found guilty of misconduct.

Note: See University of Sydney (Student Discipline) Rule 2016

(3) Prior to any decision to terminate an award under subclause 12(2):
   (a) SAS PSU will inform the holder of the proposal to consider termination and invite them to make submissions as to why it should not be terminated, in a specified manner and within a specified time; and
   (b) will provide the relevant delegate with any such submissions received.

(4) SAS PSU will inform the holder of the delegate’s decision in writing.
13 Reviewing student awards

(1) SAS PSU will conduct an annual review of all student recognition awards to identify those with:
   (a) low numbers of eligible students;
   (b) low numbers of applicants; or
   (c) possibly insufficient funds to continue.

(2) At least once in every five years, the SAS PSU will recommend to the relevant delegates any student recognition awards which should be considered for cessation.

(3) The relevant delegate will determine whether or not a student recognition and support award should cease to be offered.

PART 4 RESEARCH TRAINING AWARDS

14 Research Training Program

(1) The Academic Board, in consultation with the Deputy Vice-Chancellor (Registrar), the Deputy Vice-Chancellor (Education) and the Deputy Vice-Chancellor (Research) where applicable, will determine the terms and conditions on which research training program scholarships will be offered and awarded, consistently with government and University funding requirements.

(2) Research Training Program Scholarships may be funded by any, or a mixture, of:
   (a) donated funds;
   (b) contractually provided funds, including sponsorships;
   (c) government funding schemes; or
   (d) internal University funds.

(3) The terms and conditions for research training program scholarships must specify:
   (a) eligibility requirements;
   (b) benefits provided;
   (c) duration of support;
   (d) application, selection and offer processes;
   (e) extension and suspension arrangements;
   (f) paid leave or work arrangements;
   (g) arrangements for changes in student circumstances, such as:
      (i) change in award course;
      (ii) change from full time to part time study or vice versa;
      (iii) change of institution;
      (iv) change of research area.
   (h) circumstances in which support may be terminated; and
   (i) any necessary transitional arrangements for scholarship holders under prior schemes.
(4) SAS PSU will establish and maintain a publicly available page on the University’s website for research training program scholarships. This web page:

(a) must be linked to the student recognition and support awards web page established under clause 9 and

(b) will be the core communications channel for all research training program scholarships.

PART 5 ADMINISTRATIVE MATTERS

15 Transitional provisions

(1) SAS PSU, together with the relevant delegates, will undertake a review of currently offered student recognition awards within one year of the commencement of this policy.

(2) That review will classify the student recognition awards as follows:

(a) those which should continue as presently operating (this will include those subject to trust or contract terms);

(b) those which should continue, but should be brought into compliance with this policy and the procedures; and

(c) those which should cease to be offered.

(3) SAS PSU, together with the relevant delegates must then establish and implement a programme for conversion or cessation of relevant student recognition and support awards.
