This is the University of Sydney (Higher Degree by Research) Rule 2011.

1.2 Commencement

This Rule commences on 25 March 2011.
1.3 Statement of intent

This Rule deals with all higher degrees by research offered at the University. These are:

(a) Master’s degrees by research;
(b) Doctorates by research; and
(c) Higher Doctorates by research.

Note: This Rule should be read in conjunction with, but not subject to, any course resolutions applying to the degree.

1.4 Interpretation

(1) In this Rule:

applicant means an applicant for admission as a candidate for a higher degree by research.

Associate Dean means the Associate Dean of a faculty with authority for matters relating to higher degrees by research within the faculty or the Deputy Chairperson of a Board of Studies or a person appointed by the Dean to have authority for matters relating to higher degrees by research within the faculty.

Board of Studies means an academic body with the same authority in relation to the supervision of an award course or courses as a faculty, except that it is headed by a Chair rather than a Dean.

candidate means a candidate for a higher degree by research.

completion occurs when:

- the faculty is satisfied that the final version of the thesis meets the requirements arising from the examination; and
- the candidate complies with any conditions to which certification is subject, including but not limited to the requirement to lodge a copy of the final thesis with the University Library.

Note: See Thesis and Examination of Higher Degrees by Research Policy 2015, particularly clause 23.

cotutelle agreement means an agreement between the University and another university or institution that:

(a) permits joint candidature in the Doctor of Philosophy; and
(b) allows a candidate to receive a doctorate from the University and from the other university or institution, each testamur acknowledging the circumstances under which the award was made.
course resolutions means resolutions made by the Academic Board in accordance with clauses 2.1 and 3.1

Note: The Doctor of Philosophy is offered by the University, not by individual faculties. Accordingly, there is no power for faculties or the Academic Board to make course resolutions for the Doctor of Philosophy.

Dean means the Dean of a faculty, the Head of School and Dean of a University school or the Chair of a Board of Studies.

delegate means an officer, employee or committee of the University, or any other person or entity to whom or to which, Senate has made a delegation of power.

Doctorate by research means a degree with the word “doctor” in the title comprising a minimum of two-thirds research that is approved by the Academic Board.

Note: The Academic Board will not approve a Doctorate by research unless it complies with the Australian Qualifications Framework.

English Language Proficiency Standards means the Admissions Standards – English Language Proficiency, as determined by the Academic Board from time to time.

faculty means the relevant faculty, University school or Board of Studies.

full-time candidature means a candidature in which the student works on the requirements for the degree for a minimum of 35 – 40 hours per week for 48 weeks per year or as stipulated by the faculty.

good cause means circumstances beyond the reasonable control of a student, which may include serious ill health or misadventure.

higher doctorate has the meaning given to it by clause 5.1 of this Rule.

Master's by research means a degree with the word “Master” in the title comprising a minimum of two-thirds research that is approved by the Academic Board.

Note: The Academic Board will not approve a Master's by research unless it complies with the Australian Qualifications Framework.

part-time candidature means a candidature in which the student works on the requirements for the degree for a proportion of the period specified for a full-time candidature over a proportionately longer time.

Postgraduate Coordinator means the member of academic staff with overall responsibility for the planning and coordination of postgraduate research studies within a faculty, school or University school.

Progress Policy means the Progress Planning and Review for Higher Degree by Research Students Policy 2015.
progress plan means a progress plan developed in accordance with the Progress Policy.

Note: Research periods are published on the University’s website at: http://sydney.edu.au/study/study-dates.html

Review Panel means a panel established in accordance with the Progress Policy.

school means the academic unit, however so called, responsible for a student’s higher degree by research candidature. It may be called a discipline. School delegations may be exercised by faculties.

semester means a duration of time equal to any two research periods.

student means a person who is currently admitted to candidature in an award course of the University.

supervisor means, in relation to a higher degree by research student, a person appointed to discharge the responsibilities set out in the Supervision of Higher Degree by Research Students Policy 2013. For the purpose of this Rule, the generic term supervisor(s) will be used to include research supervisors, co-ordinating supervisors, or auxiliary supervisors.

thesis means the whole of the assessable work submitted by a student for examination as required by the Thesis & Examination of Higher Degrees by Research Policy 2015

(2) Unless the contrary appears, a provision in this Rule that specifies matters that are to be or may be considered in relation to a determination or other decision does not imply that they are the only matters to be considered.

(3) A delegate of the Senate is not authorised to sub-delegate (by way of an agency or in any other way) any or all of the delegate’s delegated functions to another person or group of persons.

(4) Delegates more senior in the lines of accountability to a delegate named in this Rule, may exercise a delegation conferred on that named delegate.

Example: A Dean may exercise a delegation conferred on an Associate Dean. An Associate Dean may exercise a delegation conferred on a Postgraduate Coordinator.

(5) A heading to a Part or Schedule is a provision of this Rule. Other headings are not provisions of this Rule, but the number of a section or subsection is a provision of this Rule even if it is in a heading.

(6) A note, marginal note, footnote or endnote is not a provision of this Rule.

(7) A reference to a policy or procedures includes a reference to that policy or those procedures as amended from time to time, and to any replacement policy or procedures which may be adopted in substitution for them.

(8) A reference to a committee includes a reference to any restructured or replacement committee to which the functions or responsibilities of the original committee are reassigned.
1.5 **Authorities and responsibilities**

(2) The procedures for consideration of, and deadlines for submission of, proposals for new and amended award courses will be determined by the Academic Board.

1.6 **University may change courses and units of study**

(1) Despite any policy, or the course resolutions and any other provision of the agreement between a student and the University, the University:

   (a) is not obliged to offer a particular course or unit of study in any academic year; and

   (b) is not liable to a student for not offering a particular course or unit of study in a particular academic year.

1.7 **Overall requirements**

(1) The University will not admit a person to a course unless the person:

   (a) is eligible for admission to the course;

   (b) applies for admission in accordance with this Rule and the course resolutions;

   (c) accepts an offer made by the University for admission to the course;

   (b) the student be required to show good cause why they should be permitted to continue the candidature.

(3) After considering a recommendation made by the Postgraduate Coordinator in accordance with sub-clause 2.5(2), the Associate Dean may:

   (b) require the student to show good cause why they should be permitted to continue the candidature.

Note: See clause 2.13 for details of the ‘show good cause’ process.

(4) The candidature of a student that is confirmed in accordance with sub-clause 2.5(3)(a) will be considered by the University to have commenced on the date of the student’s probationary admission to candidature.

2.7 Limit on credit for previous studies

The amount of credit for previous studies that may be granted to a student in accordance with clause 2.6 is limited by the following requirements:

   (b) the Associate Dean;
   (c) the Deputy Vice-Chancellor (Education) or
   (d) their Supervisor;
   including units of study, lectures, seminars, workshops, online modules, non-award courses, or practical work.

Note: In accordance with this Rule, a Master’s degree must comprise a minimum of two-thirds research.

(2) Failure satisfactorily to complete training documented in the student’s progress plan may be considered as evidence of unsatisfactory progress.

(3) A faculty may decline to examine a thesis if the student has not satisfactorily completed training documented in the progress plan.

2.10 Supervision

The Postgraduate Coordinator will appoint suitably qualified supervisors for each student undertaking a Master’s degree by research, in accordance with policy for supervision determined by the Academic Board.

Note: See also Supervision of Higher Degree by Research Students Policy 2013

2.11 Location of candidature

(1) Subject to the annual approval of the supervisors and Postgraduate Coordinator, students will pursue their candidature:
   (a) within the University, including its research stations and teaching hospitals;
   (b) on fieldwork, including in the field or in libraries, museums or other repositories;
   (c) within industrial laboratories or research institutions or other institutions considered by the Postgraduate Coordinator to provide adequate facilities for that candidature; or
   (d) within a professional working environment.

(2) Throughout the course of their candidature, a student will attend the University for such:
   (a) face-to-face consultation with their supervisors;
   (b) school and faculty or University school seminars; and
   (c) coursework or other studies required under clause 2.9 of this Rule;
   as specified annually by the Postgraduate Coordinator.
(3) Subject to subclause 2.11(4), a student who pursues their candidature outside Australia must complete a minimum of two research periods of candidature within the University prior to submitting their thesis for examination.

(4) For the purposes of subclause 2.11(3), the two research periods of candidature to be completed within the University may be completed:

(a) at any time during the candidature; and

(b) continuously or in several non-consecutive periods.

2.12 Progress

(1) At intervals no longer than one year, Postgraduate Coordinators must require students to:

(a) provide evidence of satisfactory progress in their candidature (including any required progress and review forms); and

(b) participate in a progress review interview.

(2) Satisfactory progress will be assessed by a Review Panel in accordance with the Progress Policy.

(3) On the basis of any evidence provided by the student and any information obtained during the interview, the Postgraduate Coordinator may determine that the student:

(a) has demonstrated satisfactory or marginal progress, and specify the conditions of candidature to apply the following year; or

(b) has demonstrated unsatisfactory progress, and:

(i) allow the student to continue to be enrolled with conditions, including a supplementary progress review in accordance with the Progress Policy; or

(ii) recommend to the Associate Dean that the student be asked to show good cause why they should be permitted to continue the candidature.

(4) When determining the conditions of candidature to apply the following year, the Postgraduate Coordinator must indicate whether they are satisfied that the proposed supervision arrangements are satisfactory.

(5) After considering a recommendation made by the Postgraduate Coordinator in accordance with subclause 2.12(3)(b)(ii), the Associate Dean may:

(a) allow the student’s candidature to continue and specify the conditions of candidature to apply the following year; or

(b) require the student to show good cause why they should be permitted to continue the candidature.

2.13 Students may be required to show good cause

(1) An Associate Dean may require a student to show good cause:

(a) following a progress review, in accordance with subclauses 2.5(3)(b) or 2.12(5)(b); and

(b) if the student has not submitted their thesis for examination by the latest date to do so as required by clause 2.20; or
(c) at any other time, on the recommendation of the Postgraduate Co-ordinator.

(2) A student who is required to show good cause will be sent a notice that:

(a) requires the student to show good cause why they should be permitted to continue the candidature, on or before a specified date;

(b) states why the student is being asked to show good cause;

(c) sets out the actions that may be taken in respect of the candidature; and

(d) advises the student of their right to seek independent advice and assistance in preparing their response.

(3) The Associate Dean must give the student a reasonable opportunity to make written submissions about the matter.

(4) If, after considering any submissions made by the student, progress reports, any reports by the supervisors or Postgraduate Coordinator, and any other relevant information, the Associate Dean forms the opinion that the student has shown good cause, the Associate Dean will permit the student to continue the candidature.

(5) If, after considering the information referred to in subclause 2.13(4), the Associate Dean forms the opinion that the student has not shown good cause, the Associate Dean must, by written notice setting out their reasons:

(a) terminate the student's candidature; or

(b) impose conditions or restrictions on the continuation of the student's candidature.

Note. For review of these decisions see University of Sydney (Student Appeals against Academic Decisions) Rule 2006.

(6) In addition to the decision made under sub-clause 2.13(4) or sub-clause 2.13(5), the Associate Dean may also offer the student the option to transfer to another course within the faculty for which the student is eligible. The Associate Dean may impose conditions or restrictions on that offer.

(7) A person whose candidature for a higher degree by research has been terminated by an Associate Dean in accordance with sub-clause 2.13(5)(a) will not be permitted to re-enrol in that candidature.

(8) Where a person whose candidature for a higher degree by research has been terminated by an Associate Dean in accordance with sub-clause 2.13(5)(a), that person may be excluded by the Associate Dean from applying for admission to a higher degree by research within the faculty for the longer period of:

(a) at least two academic years; or

(b) if the person is applying for a Research Training Program place, the period of time until the person is entitled to the maximum period allowed for the course under the Research Training Program.

Note: As at the date of this Rule, detailed information about entitlement for Research Training Program can be found in Research Training Program: Conditions of Grant, which can be found at https://www.education.gov.au/research-training-program
2.14 Discontinuation of candidature

(1) Subject to this clause and the course resolutions, a student in a course may, by notice to the faculty, discontinue their enrolment in the course or in one or more units of study.

(2) The notice must be in a form approved or accepted by the faculty.

(3) A student’s enrolment in the course or the relevant units of study will be treated as discontinued from the date of the notice, unless they produce evidence that:

(a) the discontinuation occurred at an earlier date; and

(b) there was good reason why the application could not be made at an earlier time.

(4) A student who discontinues enrolment in a course during the first year of enrolment in the course will not be permitted to re-enrol in that course unless:

(a) the Associate Dean granted prior permission to re-enrol; or

(b) the student applies for and gains a new admission to the course.

(5) A student may not discontinue enrolment in a course or a unit of study after the end of classes in that course or unit of study, except in accordance with sub-clauses 2.14(3)(a) and (b).

2.15 Suspension of candidature

(1) Subject to the course resolutions and to any restrictions imposed on student visa holders by the Education Services for Overseas Students Act 2000, a student in a course may, by notice to the faculty, suspend their enrolment in the course:

(a) for a maximum period of one year; or

(b) with the approval of the Associate Dean, for a longer period.

(2) The notice must be in a form approved or accepted by the faculty.

(3) At the end of the suspension period, the student must comply with any requirements notified by the Associate Dean for completing the course. Those requirements apply to the student, despite anything to the contrary in the course resolutions.

2.16 Lapse of candidature

(1) If a student does not enrol by the last census date for enrolment in each research period, and the student has not discontinued or sought approval to suspend enrolment, the student’s candidature lapses.

(2) If a student’s candidature in a course lapses, then, despite any contrary provision in this Rule, the student must apply for and gain a new admission to the course in order to re-enrol.
2.17 Return to candidature
