## PART 1 PRELIMINARY

### 1.1 Citation

This Rule is made by the Senate of the University, pursuant to section 37(1) of the University of Sydney Act 1989 ('Act') and section 5(1) of the University of Sydney By-law 1999 (as amended).

## 1.2 Commencement

This Rule commences on 30 June 2017, or such earlier date as the Vice-Chancellor determines in writing.

## 1.3 Purpose of Rule

The purpose of this Rule is to provide for the delegation by Senate to the University committees, authorities, officers, employees and consultants set out in Parts 4 to 14 of this Rule the activities and functions prescribed in those Parts.

## 1.4 Effect

- (1) Pursuant to section 37(2)(a) of the Act, this Rule has the same force and effect as a by-law.
- (2) The Senate delegates to the University committees, authorities, officers, employees and consultants set out in Parts 4 to 14 of this Rule the activities and functions prescribed in those Parts.
- (3) This Rule supersedes and revokes:
  - (a) the *Delegations of Authority: Academic Functions* 1999;
  - (b) the *Supplementary Delegations of Authority: Academic Functions* 2014; and
  - (c) all earlier delegations of authority for academic functions.
- (4) Nothing in this Rule has the effect of invalidating past acts validly performed by delegates under any previous delegations.
- (5) In exercising a delegation of authority conferred by this Rule, a delegate must ensure that he or she is familiar with, and complies with:
  - (a) the Act and any delegated legislation (such as by-laws or rules of the University) as amended from time to time;
  - (b) applicable industrial instruments (i.e. the University's Enterprise Agreement, Awards, Australian Workplace Agreements and Individual Transitional Employment Agreements);
  - (c) University policies and procedures, and guidelines as amended from time to time (except to the extent of any inconsistency with this Rule).
- (6) A University committee, authority, officer, employee or consultant may not exercise a function without delegated authority from the Senate.

## **PART 2 PRINCIPLES GOVERNING THE EXERCISE OF DELEGATIONS**

---

- (1) The following principles apply to a delegate's level and scope of authority under any delegation of authority (whether it appears in this Rule or elsewhere).
- (2) This Rule constitutes an important legal document (not a policy or guideline) conferring on the individual delegates specified the authority of the Senate to perform the particular functions delegated to them. To the extent of any inconsistency, this Rule prevails over any University policy, procedure or guideline.

- (3) If the exercise of a function in accordance with this Rule requires the exercise of some preliminary or ancillary administrative function, then the delegated authority extends to the exercise of that function.
- (4) Where authority is delegated in this Rule to approve transactions, then that authority extends to the negotiation of all terms and execution of all documents necessary to give effect to those transactions, as prescribed in the section relevant to such transactions.
- (5) A delegation applies only to a delegate's accountability area unless otherwise specified.
- (6) A delegate of the Senate is not authorised to sub-delegate (by way of an agency or in any other way) any or all of the delegate's delegated functions to another person or group of persons.
- (7) In the performance of a delegated function that a delegate has been authorised to perform, a delegate may use input from a designated source of expertise provided that the Senate delegate retains ultimate responsibility and accountability for the exercise of the delegation. Some delegations include a specific requirement to consult with a named officer, body, or person more senior in the lines of responsibility. When exercising their delegations, delegates should undertake consultation to the extent required by this Rule, or otherwise as reasonably considered appropriate, whilst retaining ultimate responsibility and accountability for the performance of the delegated function.
- (8) A delegation of authority applies to the occupant of the position described in this document, and may be exercised by a person formally appointed in writing, whether by means of the person's job description or otherwise, on an acting or temporary basis to that position.
- (9) These delegations of authority apply to all University activities including foundations, centres, associations and institutes not separately incorporated.
- (10) A delegate who is ultimately subject to the direction and supervision of the Vice-Chancellor through established lines of accountability is, in the exercise of delegations, also subject to the direction and supervision of delegates more senior than the delegate in the lines of accountability. Delegates more senior in the lines of accountability to a delegate named in these delegations of authority may exercise a delegation conferred on that named delegate but in accordance only with its terms.
- (11) For Faculties, the line of accountability is:
  - (a) Provost;
  - (b) Dean;
  - (c) Deputy Dean;
  - (d) Associate Dean; Head of School;
  - (e) Program Director, however named; and
  - (f) Unit of Study Coordinator; Postgraduate Coordinator, however named.
- (12) For University Schools, the line of accountability is:
  - (a) Provost;
  - (b) Head of School and Dean (University School);
  - (c) Deputy Head of School and Deputy Dean;
  - (d) Associate Dean;

- (e) Program Director, however named; and
  - (f) Unit of Study Coordinator; Postgraduate Coordinator, however named.
- (13) Delegations to a Faculty or University School must be exercised by resolution of the Faculty or University School board, in accordance with the *University of Sydney (Governance of Faculties and University Schools) Rule 2016*.
- (14) The Vice-Chancellor has authority to exercise any delegations made by Senate in this Rule.
- (15) Where the Senate or an authorised delegate of the Senate approves a change to the University's administrative structure or to the title of an employee's position, with the effect that there is a reassignment of responsibility for a particular delegated function, authority to perform that delegated function is reassigned accordingly.
