Notification of Independent Assessor nominations Level D and E only

Applications for promotion to Level D must contain one assessor report, and two reports for Level E. Applicants are notified by email of the names of all suitable assessors (up to 3 nominees for Level D, and 4 for Level E).

If an applicant believes any listed assessor has a conflict of interest, they must provide details no later than 7 days after the initial notification. Claims of conflict will be determined by the committee Chair.

Once all conflicts have been determined the APU will obtain one assessor report for Level D and two assessor reports for Level E from among the listed nominees. Applicants will not be informed which of the nominees are contacted, and in what order.
