

2016 INTERCOLLEGIATE SPORT REPORT

GENERAL

The 2016 year saw strong athletic achievement and some close and exciting rivalries across both the Rosebowl and Rawson competitions. The Intercollegiate committee worked well together to discuss relevant issues and make necessary procedural changes which assisted in the smooth running of events.

Congratulations to St Andrew's college for their successful Rosebowl and Rawson campaigns, taking both cups back to the college for another year. While Andrew's finished the year ahead there was some great challenges across the board, with St Paul's college contesting strongly in the Rawson. In the Rosebowl Andrews showed their dominance early in the year winning 100% of semester 1 sports. The interesting part of the competition then became to see who would secure second place with positions rotating several times throughout the year. St John's finally taking out 2nd with their first ever win in Rosebowl Athletics.

As well as the regular Rosebowl and Rawson there were a number of social sports elected in 2016 however only social Touch Football proceeded, largely due to a lack of time towards the end of semester. For future years it will be important to discuss and plan dates for social sport early in the year and assign college representatives to ensure the events go ahead and provide additional access to sport for students.

While the culture at various Intercollegiate events in 2016 was at times disappointing it did seem apparent that there was less spectator incidents from previous years with respect to 'banter'. The issues are far from eradicated however the presence and 'reporting in' of senior student representatives did seem to decrease the amount of issues from that seen previously. It is imperative that the committee and colleges continue to provide students with clear guidelines around their expected behaviour and remind them of the importance of the Intercollegiate code of conduct before each event.

In the accounts area, the Intercol committee has finished 2016 with a small surplus in their events accounts. This will be rolled over and taken off the event budget for 2017.

The year was concluded with a successful Intercol Sports Dinner held at St Paul's college. The guest speaker and Paul's ex-student, Alexandra Belonogoff, was able to share his sporting experience both from college and the recent Rio Olympics and no doubt inspire many of the athletes in the room.

Operational changes made to College sporting events in 2016:

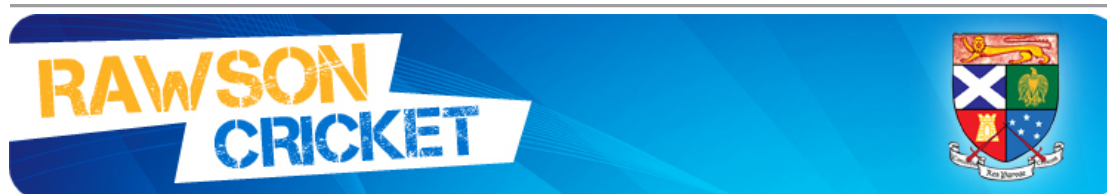

- Move of location for Rosebowl Hockey to Kyeemagh to increase access to later afternoon and evening games.
- Senior student asked to be present and responsible for their college's crowd behaviour at Intercol fixtures, particularly final rounds.
- Rosebowl Netball played at SUSAC court 3 & 4 for whole tournament to avoid potential wet weather delays.
- Intercol Committee put together guidelines for MCing at events (Rowing/Swimming/Athletics) to assist with more professional commentary.
- Reduced security presence at Sydney International Rowing Centre due to previous years good behaviour (at SIRC's suggestion).
- Final round of Rawson tennis moved to SUSAC due to wet weather.

Recommendations for 2017:

- Continue to ensure senior student, Intercol representative or responsible allocated student is present from each college and fixtures to monitor their own college's behaviour and comments.
- Ensure any issues with spectators/players/umpires are reported to SUSF representative immediately to allow changes to be made.
- Continue with use of official referees and St John's First Aiders in social sport where required (i.e. contact sports).
- Move Rosebowl Netball to SUSAC courts 1 & 2. Spectators can be in grandstand, away from risk of interfering with umpires and in a more controlled environment.
- Possible need for bag checks at Rosebowl Netball final nights as several students were asked to leave SUSF facility due to intoxication.

Please see individual sport sections for additional recommendations.

Recommendations for 2017:

- Spectators too close to umpires and had to be constantly moved back (unsafe for umpires as possible trip hazard).
- Move competition to SUSAC court 1 to provide spectators with one seated area in grandstand. Players can be seated away from spectators on opposing side and ample space will be available for umpire movement courtside.

Incident at Swimming:

- Competitors in relay B race – inappropriate attire worn. Some students duct taped their own arms and legs which was stopped by swim centre officials. Some were missed and entered the pool. Extremely unsafe.
- Students taking far too long to get out of the pool after B lane race.
- Student climbed diving platform and dived off the top despite rules strictly stating not to. Security guard who was supposed to be stationed there had called in sick and not present.

Recommendations for 2017

- Design a B Lane race that is actually a race (with float devices or something a little different). The current set up is both time wasting, boring for majority of spectators and at times dangerous.
- Get divers to prefill in their dive choices prior to event night to avoid delay

Recommendations

- Continue to use Kyeemagh turf given availability of later games and addition of evening games.
- Some comments received at the end of the tournament around umpiring standards. SU Hockey club to be reminded that badged umpires are needed. Intercol committee to inform organise of issue prior to tournament end so changes can be made where possible.

Incident/ Recommendations:

- Convening college struggled to retain balls they had provided. One match had only 1 ball available and time was lost in retrieving the ball. One ball boy to be provided per college for their match to assist retrieving balls and ensuring balls are not lost/stolen.
- Red card awarded for foul play. Tribunal called and player sanctioned accordingly.
- Continue to warn committee and college players of sanctions prior to event to minimize offences.
- Remain a sanctioned event for safety of players and referees.
- Spectators to remain in grandstand or outside fence during Rugby matches and not on the side of the field.

Recommendations

- Clarify disciplinary process when a red card is awarded prior to tournament. This year we decided on automatic 1 match ban for red card. Need to look at adjusting constitution to reflect this.
- Two conflicting clauses around rescheduling of Rosebowl games (due to wet weather) in the Intercol Constitution were disputed. Committee meeting called to discuss. Clause 41.C was adopted over Soccer-By-Lay 4.A . Given this choice causes more disruption due to scheduling and was also changed for potential wash out in Rosebowl tennis, this needs further discussion amongst committee and edits made to the constitution to improve clarity.
- Rosebowl games were increased to 30 min halves which worked well. Need to adjust constitution to reflect this change so can be held.
- Possibility of moving finals fixtures to evenings to encourage more spectators. This was initially done for 2016 and then changed due to Intercol Committee preferences.

Recommendations:

- Security presence assisted with prevention of excess alcohol consumption. Issues kept to a minimum. Continue this for 2017 event.
- Ensure referees collect match balls at the end of game and these are not lent to teams warming up. Much time spent trying to find balls that disappeared.

FINAL STANDINGS

College	Rd 1	Rd 2	Rd 3	Total	Rank
Andrew's	2	2	0	4	2 nd
John's	0	0	0	0	4 th
Paul's	2	2	2	6	1 st
Wesley	0	0	2	2	3 rd

Incidents/ Recommendations:

- Still offensive and unsportsmanlike comments from spectators and a number of students warned over the course of the tournament.
- Final day of Rawson moved to SUSAC due to wet weather.
- Continue to ask for senior student presence at each fixture to assist with minimising this language/behavior as while it did not eradicate comments, seemed to help in reducing.
- Continue to book SUSAC facility as a wet weather back up alongside calendar where possible.

PAUL'S	3
WESLEY	1

Incidents/ Recommendations:

- Several students intoxicated and caused disruption at events. Need to enforce tighter bag checks with security prior to entry (i.e. drink bottles) to ensure events are not disrupted and Intercol relationship with venue and Athletics NSW remains strong.
- Many spectators made their way onto the field for events and were asked to go back to stands. Need to maintain a 'competitors only' presence in middle of track during field events due to risk of misuse/interference with events and equipment.
