Background
Established in 2004 by a bequest of $400,000 from the residual estate of Bruce Veness Chandler.

The purpose of the bequest was to encourage research involving the application of the knowledge of chemistry to the study of any aspect of food; the subject and the approach to be such that the research could lead to scientific papers. The aim of the scholarship is to foster research and to recognise and encourage excellence amongst postgraduate candidates working in the field of Food Chemistry in the School of Chemistry.

Selection criteria
The scholarship shall be awarded on the basis of:
- Academic excellence
- Outstanding research potential.

Payment schedule
- A single payment will be made after the census date.

Faculty: Science
Scholarship name: Bruce Veness Chandler Research Support Scholarship in Food Chemistry No 1
Scholarship number: SC0071
RC/PC: L0901T0789
