Elizabeth Wunsch Postgraduate Research Scholarship in Pharmacy

The scholarship was established to promote and encourage research work within the Faculty of Pharmacy at the University of Sydney.

Scholarship value and duration

The scholarship shall only be tenable whilst the successful applicant is enrolled in PhD studies in the Faculty of Pharmacy, University of Sydney. A thesis allowance, in line with University of Sydney Postgraduate Awards entitlements, shall also be available. For international applicants, the Wunsch Scholarship funds will be used in conjunction with the University of Sydney International Scholarships Scheme to provide the tuition fee and/or stipend.

Eligibility criteria

- Open to both local and international students.
- Applicants must have applied or will apply by the closing date of this scholarship, to commence a Doctor of Philosophy in the Faculty of Pharmacy on a full time basis.
- Applicants must not have completed a degree at the same level as the proposed candidature.
- Applicants must have completed a Bachelor Degree with First Class Honours (or H1 equivalent results) or have completed a four-year degree with an outstanding record of professional and/or research achievements since graduation.
- Applicants with a Bachelors and Masters degree (predominately by coursework but with enough research components to be accepted into the PhD program) are also eligible to be considered.

Background

Established in 1982 by a bequest from Elizabeth Wunsch for the purpose of pharmaceutical research within the Faculty of Pharmacy at the University of Sydney.

Selection criteria

- Awarded on the basis of academic merit and research potential, demonstrated by previous research experience, published work and conference presentations,

Ongoing eligibility

- The scholarship may be held for up to three years for Research Doctorate studies.
- A Research Doctorate candidate may apply for a maximum extension of up to six months in exceptional circumstances subject to evidence of satisfactory progress.
- The maximum tenure will be reduced by any periods of study undertaken towards the degree prior to the commencement of the scholarship, during suspension of the scholarship, and/or during the tenure of a previous Higher Degree Research Award.

Payment schedule

- The scholarship shall be valued at the same rate as the University of Sydney Postgraduate Award (UPA), and indexed annually.

Termination

- Successful applicants must apply for externally funded scholarships where eligible.
- Where a successful applicant does not apply for externally funded scholarships, their Elizabeth Wunsch PhD Scholarship will be forfeited.
The Elizabeth Wunsch Postgraduate Research Scholarship in Pharmacy was established in 1982 by a bequest from Elizabeth Wunsch for the purpose of pharmaceutical research. The scholarship shall be awarded under the following conditions:

1. The name of the scholarship shall be the Elizabeth Wunsch Postgraduate Research Scholarship.

2. The object of the scholarship shall be to promote and encourage research work within the Faculty of Pharmacy at the University of Sydney.

3. The scholarship shall be open to graduates or graduands of the University of Sydney or any other university who are eligible to enrol in a higher research degree in the Faculty of Pharmacy on a topic approved by the Dean. Both local and international students may apply for the scholarship; however, the scholarship does not cover any fees payable by international students. The scholarship is only available for full-time study.

4. The scholarship shall be valued at the same rate as the University of Sydney Postgraduate Award (UPA). A thesis allowance, in line with UPA entitlements, shall also be available.

5. The scholarship may be held for up to three years by a PhD candidate, or for up to two years by a Master by research candidate. A PhD candidate may apply for a maximum extension of up to six months in special circumstances and no extensions are possible for a Master candidate. Periods of study undertaken towards the degree prior to the commencement of the scholarship will be deducted from the maximum tenure of the scholarship.

6. The scholarship shall be awarded on the basis of academic merit and research potential, as demonstrated by previous research experience, published work and conference presentations, by the Faculty of Pharmacy on the recommendation of its Postgraduate Studies committee.
