Background
Founded in 1889 by a bequest of £200 from Francis Horner, MA. Awarded for proficiency in mathematics at the matriculation examination. It cannot be held with two other scholarships in the University. One scholarship will be awarded each year.

Selection criteria
- Assessment is based on academic merit with preference given to a student matriculating direct from the King’s School in Parramatta, or in the absence of a student from that school, to a candidate from Newington College, Stanmore

Ongoing eligibility
- The scholar is required to attend junior units of study in mathematics to the value of 12 credit points in any Faculty.

Payment schedule
- One payment will be made after the census date.
