James S Ashton Memorial Scholarship

Established in 1995 by donations through the initiative of Professor Fred and Claire Hilmer with the assistance of Susan and James W Ashton in memory of their son James S Ashton (BScAgr 1993), to encourage and assist outstanding undergraduate students in Agriculture.

**Scholarship value and duration**

$3,000 per annum

**Eligibility criteria**

- The student will show potential for making a significant contribution to the application of science and technology to the animal industries.
- (A) Briefly describe your background and relationship to the animal industries and related areas. Include references to appropriate academic achievement and professional experience activities.
- (B) Briefly describe your career aspirations.
- (C) Any other information that would indicate your level of interpersonal and communication skills, self-motivation and initiative, integrity of character and diligence, regard for fellow students and interest and involvement in competitive sports.

**Selection criteria**

- While the student's overall academic record must be of sufficient merit it is not intended that the scholarship be limited to the applicant with the strongest academic record.
- Additional criteria will include performance in project work and work experience in animal science and related areas and participation in community and University activities which would demonstrate evidence of integrity of character, diligence and regard for fellow students.
- At the time of award, the recipient may not be in receipt of any other substantial scholarship award.
- Enrolled full time in the Fourth Year of the BAnimVetBio or BScAgr degree.
- Ranked by WAM

**Payment schedule**

Single payment

**Conditions of award**

Please refer to the terms and conditions of this Scholarship for a full list of the conditions that apply.

Established in 1995 by donations through the initiative of Professor Fred and Claire Hilmer with the assistance of Susan and James W Ashton in memory of their son James S Ashton (BScAgr 1993), to encourage and assist outstanding undergraduate students in Agriculture. The scholarship may be awarded annually, on the recommendation of the Dean on the advice of a Faculty Selection Committee, to a student who enrolls full time in the Fourth Year of the BAnimVetBio or BScAgr degree, provided the student's work is of sufficient merit. The student will show potential for making a significant contribution to the application of science and technology to the animal industries. While the student's overall academic record must be of sufficient merit it is not intended that the scholarship be limited to the applicant with the strongest academic record. Additional criteria will include performance in project work and work experience in animal science and related areas and participation in community and University activities which would demonstrate evidence of integrity of character, diligence and regard for fellow students. At the time of award, the recipient may not be in receipt of any other substantial scholarship award. Value $3000. Application forms are available at the Faculty of Agriculture, Food and Natural Resources Office.
