Background
The Coutts Scholarships were established in 1905, by a gift of 2700 pounds from Mrs Jane Coutts, widow of John Coutts. The deed of gift provides for the establishment of scholarships in two faculties, to be called respectively the James Coutts Scholarship and the John Coutts Scholarship, in memory of the donor’s sons who were graduates of the University. One scholarship will be awarded each year.

Selection criteria
- The leading student shall be determined on the basis of academic merit.
- For a student in their third and final year of the Bachelor of Science three-year degree, the Faculty will have regard to the student’s Average Annual Mark (AAM) in their final year of study.
- For a student in their fourth and final year of the Bachelor of Science (Honours) four-year degree, the Faculty will have regard to the student’s final Honours mark.

Payment schedule
- The scholarship will be paid in two equal instalments after the census date subject to continued full-time enrolment.

Termination
- The scholarship will be terminated if the recipient enrols part-time or withdraws from the degree program. Once terminated, the scholarship will not be reinstated.
