TERMS & CONDITIONS
SC0417 - Norman I. Price Supplementary Scholarship

From 2012 Semester two, a Norman I Price Supplementary Scholarship will be awarded to enrolled full-time research students (MPhil and PhD) of the School of Electrical and Information Engineering (‘School’), except those in receipt of the University of Sydney International Scholarship (USydIS), under the following conditions.

1. The value of the scholarship will be $3,000 per semester.
2. The award is tenable for a period of one year.
3. The award is available only to students who are living in Australia during the study.
4. The award for PhD students only may be renewable on annual application at the discretion of the School for such further period(s) and on such varied terms and conditions as the School determines.
5. Students must notify the School’s postgraduate coordinator, in writing, of any change in their enrolment that would affect this award, e.g. change from full time to part time or leave Australia for another country permanently or more than four weeks. Failure to comply with this condition may result in repayment by the students of the funds.
