Science Centenary Fund Scholarship

The scholarship is to be awarded annually to the Honours student from the Faculty of Science who is ranked highest on the basis of academic merit over four years and proceeds to a postgraduate research degree in the Faculty.

**Scholarship value and duration**

$2,500, tenable for one year only.

**Eligibility criteria**

- To be considered, candidates must have completed their undergraduate coursework degree and honours year in the Faculty of Science.

- Candidates must enrol full-time in postgraduate studies for a Doctor of Philosophy or a research Masters degree in the Faculty of Science at the University of Sydney in the year following the honours year.

**Background**

Established in 1989 from funds raised through an appeal to graduates of the Faculty of Science to mark the centenary in 1985 of the graduation of the Faculty’s first students.

**Selection criteria**

- Awarded to the Honours student from the Faculty of Science who is ranked highest over four years and proceeds to a postgraduate research degree in the Faculty.

- Ranking is based on a weighted average of the student’s SCIWAM across their undergraduate coursework degree (weighted 75%) and the student’s final Honours mark (weighted 25%).

- One scholarship will be awarded each year.

- The scholarship may be shared.

**Ongoing eligibility**

- Recipient must maintain full-time enrolment

**Payment schedule**

- Two equal instalments in April-May and September-October, subject to continued full-time enrolment.

**Termination**

- The scholarship will be terminated if the recipient enrols part-time or withdraws from the degree program.

- Once terminated, the scholarship will not be reinstated
