Background
The aim of this scholarship is to give an outstanding female postgraduate student enrolled in the School of Chemistry at the University of Sydney the opportunity to present a paper or poster dealing with her research at a major international conference.

Selection criteria
In awarding the scholarship the Selection Committee shall take into account:
- the applicant's academic performance in their Honours year and subsequent years
- The scientific merit of their research to be presented at the conference.

Payment schedule
- Payment will be made after the census date.
