The Muriel Anderson Scholarship for female students in the Faculty of Engineering & IT

The Muriel Anderson Scholarship for female students in the Faculty of Engineering & IT was established to encourage and assist female students who are beginning their studies in the Faculty of Engineering and Information Technologies.

Scholarship value and duration
$6,000 for 1 year.

Eligibility criteria
- The scholarships shall be open to all female citizens or permanent residents of Australia who qualify in the final year of schooling to enter the Faculty of Engineering at the University of Sydney with an ATAR of 95 or above
- The scholarship is tenable in any specialisation in the disciplines of Chemical, Biomedical, Mechanical, and Electrical engineering.

Background
Established in 2004 by the Faculty of Engineering & IT at the University of Sydney with funding from the late Mrs Muriel Anderson to encourage and assist female students who are beginning their studies in the Faculty of Engineering & IT.

Selection criteria
- The scholarship shall be awarded based on academic merit (as indicated by the applicant’s performance at the N.S.W. HSC examination or equivalent), leadership potential and personal qualities.

Ongoing eligibility
- The scholarship shall be tenable for one year only and subject to academic progress deemed satisfactory for a scholarship recipient, which shall be at minimum a good credit level (a weighted average mark of 70).
- Each scholarship shall be tenable at the University of Sydney and shall not be transferable to another University.

Payment schedule
Payments shall be made in equal instalments after the Census date of each semester.

Termination
The scholarship will terminate if the following conditions are not met:
- The Scholar will comply with all rules, regulations, by laws, resolutions and other requirements made by the University with respect to both enrolment and attendance at the University and the taking up of the Muriel Anderson Scholarship, for female students in the Faculty of Engineering & IT.
Termination continued

- The Scholar will inform the Faculty of Engineering & IT if: - their course or enrolment is varied in any way;
- their course is discontinued for any reason. In the event that the scholar discontinues their course any money paid to the student during that academic year must be paid back to the Faculty of Engineering & IT.
- The scholarship may be withdrawn in the event of unsatisfactory performance in their academic studies.
- If the scholarship is withdrawn or terminated for any reason, the Scholar will, without any demand by the University, repay that part of the scholarship stipend received after the date of withdrawal or termination of the scholarship.
