Background
Up to three V. John Plummer Scholarships are awarded annually to students.

Selection criteria
- Scholarships are awarded to students who demonstrate academic ability and meet equity criteria.

Ongoing eligibility
- The scholarship is conditional on the recipient maintaining satisfactory progress (deemed as a Credit average 65%).
- Recipients must also maintain a full-time enrolment (24 credit points) per semester. If extenuating circumstances arise, scholarship holders may submit a request to decrease their load to a minimum full time load of three units of study (18 credit points) per semester with the permission of the Business School. The normal scholarship duration will not be extended if a student undertakes a minimum full time load.
- Requests to hold the scholarship part-time will be approved under exceptional circumstances such as a medical condition which limits the student’s capacity to undertake full-time study. Requests must be approved by the Dean of the Sydney Business School.

Payment schedule
- Payment will be made in two equal instalments after each census date.

Termination
- The scholarship will be terminated if the recipient:
  a) accepts another scholarship of equal or higher value
  b) fails to maintain satisfactory progress in the agreed degree program
  c) enrolls part-time without the prior approval from the University
  d) withdraws from the agreed degree program.
- Once terminated, a scholarship will not be reinstated.
