**Background**
The University of Sydney Business School Strategic Exchange Partner Scholarship was established by the Business School in 2010 to assist with the strategic direction of the School’s Exchange Program.

**Selection criteria**
- Eligible students who have applied to a strategic partner will be reviewed and ranked on academic progression in their currently enrolled degree. Recipients will receive their scholarship offer via email.

**Ongoing eligibility**
- If the Strategic Exchange Partner Scholarship funds are not fully allocated, the remaining funds will be allocated under the Student Exchange Travel Scholarship scheme which runs concurrently with these awards.

**Termination**
- Recipients must have an active candidature in a degree with the University of Sydney Business School and meet the conditions of their degree program and exchange arrangements during the tenure of the scholarship or are liable to repay the scholarship funding.
- The scholarship offer cannot be suspended or deferred and must be taken up for the exchange session for which it is offered. The scholarship is offered for, and is tenable in, a specific Business School degree program and is not transferable to another degree program.
- Recipients of this scholarship may be eligible for other University awards for the purpose of exchange, pending the terms and conditions of that award.
