Business Dean’s Scholarship for Academic Excellence

The Business Dean’s Scholarship for Academic Excellence was established to recognise and reward high achieving postgraduate students in their second or subsequent semester of study who have yet to complete their degree.

Scholarship value and duration

The scholarship will pay tuition fees to the value of two standard units of study.

Eligibility criteria

- Open to continuing full time international, as well as full time or part time domestic students in an eligible postgraduate coursework program. To be considered, part time students need to complete a minimum 12 credit points, while full time candidates need to complete a minimum 18 credit points in the semester prior to award.

- To be considered, part time students need to complete a minimum 12 credit points, while full time candidates need to complete a minimum 18 credit points in the semester prior to award.

- Grades achieved in a prior degree within the Business School or at another institution can't be counted towards the grade performance. However, units completed in Graduate Certificates or Graduate Diplomas may be considered if they are in an embedded sequence within a master’s degree, and if the student has upgraded to the higher qualification.

- Students who received this award in a previous semester can be considered again the following semester. However commencing students are not eligible for the Business Dean’s Scholarship.

Background

Tailored to create a competitive environment and enable students to perform at their best, the Business Dean’s Scholarship for Academic Excellence was established to promote student engagement and recognise exceptional academic performance by continuing postgraduate coursework students.

Selection criteria

- Scholarship recipients are selected solely on their average mark in the prior semester of study. Postgraduate coursework students who are ranked in the top 6 positions at the School based on their completed units in a full time load and the top 6 students ranked on a part time load, will be considered for the award.

- No application is required.

- Only postgraduate students enrolled in one of the eligible award course programs will be considered, based on their previous semester’s unit of study results (summer school and winter school units are inclusive) if the results are available at the time of selection.

- Candidates are considered when undertaking one of the eligible postgraduate coursework programs listed below:
  o Master of Commerce
  o Master of Business Administration
  o Master of Professional Accounting
  o Master of Human Resource Management and Industrial Relations
  o Master of International Business
  o Master of Logistics Management
  o Master of Marketing
  o Master of Transport Management
  o Master of Management
  o Master of Management (CEMS)

- Students who have completed units under non-award or study abroad (Inbound) programs cannot be considered for the award.

- The selection of the final 6 candidates will be deemed by a scholarship committee chaired by the Business School Dean, or delegate.
Payment schedule

- Payment will be made after the census date.

Ongoing eligibility

- Students need to enrol in units that meet the regulations of their coursework program
- Students who suspend their enrolment, or withdraw below the minimum enrolment load of two units of study, may have to repay scholarship funds

Conditions of award

- The scholarship needs be taken up in the semester it is offered and can't be deferred or transferred
- The scholarship cannot be held concurrently with any other university scholarship funding that assists with tuition fees – notably the Business Leader Postgraduate Scholarship and Master of Management Scholarship
- We encourage scholarship holders to promote the program they are enrolled in, as well as represent the Business School at student orientation, marketing events and corporate networking events.
