7. Each award shall provide a tax exempt amount of A$25,000 per annum, payable 2x$12,500.

8. Colgate Palmolive Scholarship holders will be granted a HECS-exempt place under the Research Training Scheme for the tenure of their award.

Leave Arrangements
9. Colgate Palmolive Scholarship holders receive up to 20 days recreation leave each year of the award and this may be accrued. However, the student will forfeit any unused leave remaining when an award is terminated or completed. Recreation leave does not attract a leave loading and the supervisor’s agreement must be obtained before leave is taken.

10. Colgate Palmolive Scholarship holders may take up to ten days sick leave each year of the award and this may be accrued over the tenure of the award. Students with family responsibilities caring for sick children or relatives may convert up to five days of their annual sick leave entitlement to carer’s leave on presentation of medical certificate/s. Students taking sick leave must inform their supervisor as soon as practicable.

11. Colgate Palmolive Scholarship holders may receive additional paid sick leave of up to a total of twelve weeks during their award for medically substantiated periods of illness lasting longer than ten days. Students applying for additional paid sick leave must do so at the start of absence or as soon as practicable. Periods of additional paid sick leave are added to the normal duration of the award. All claims must be supported by a medical certificate.

12. Once Colgate Palmolive Scholarship holders have completed twelve months of their award, they are entitled to a maximum of twelve weeks paid maternity leave during the tenure of the award. If employed by the University, the appointment must not exceed half time or 50% of a full time position. However, work undertaken must not interfere with the student’s study programme and progress. There is no limit on how much income an award holder can receive from part-time work but this income will not be tax-exempt.

**Research overseas**
14. PhD students must complete a minimum of two semesters at the University. Approval to conduct research outside Australia must be sought from the student’s supervisor and the Faculty, and will only be granted if the research is essential for completion of the degree. Students must remain enrolled at the University and submit a Candidature Variation form through the Faculty Office in order to obtain permission to count the time at the overseas institution.

**Transfer**
15. Scholarship holders may convert from a Research Masters degree to a Research Doctorate degree or vice-versa provided such change in candidature is approved by the relevant Faculty and Research Office is notified. **Suspension**
16. Students may not apply for a suspension within the first 6 months of the tenure of their award.

17. Colgate Palmolive Scholarship holders may apply for up to 12 months suspension for any reason during the tenure of their award. Periods of suspension are cumulative and failure to resume study after suspension will result in the award being terminated. Approval to suspend must be given both by the Faculty and by the head of the department concerned. Periods of study towards the degree during suspension of the Colgate Palmolive Scholarship will be deducted from the maximum tenure of the award.

**Changes in Enrolment**
18.
