Background
An established Scholarship ($5,000 per annum) for Honours Year students will be offered by the ARC Centre of Excellence for Translational Photosynthesis at the University of Sydney. The number of Scholarships available will be determined annually by the Node leader of the University of Sydney Node of the ARC Center of Excellence for Translational Photosynthesis. The Scholarship is generally for a maximum of two consecutive academic semesters beginning in the semester in which the Honours course is commenced.

The recipient is responsible for making payment of all his/her tuition fees by the prescribed date (USyd information for Honours). The recipients are responsible for the cost of books, study materials, accommodation and all other costs of study.

Eligibility
The Scholarship shall be available for award to students who:
1) have been successful in gaining entry into the Honours year of an undergraduate program offered by the Faculty of Science;
2) Have a willing and suitable supervisors from ARC Centre of Excellence for Translational Photosynthesis.
3) The student shall enroll and remain enrolled on the full-time basis at the University of Sydney in either the Honours Years of a program of study leading to the award of the degree of Bachelor with Honours, or in the final year of a program of study leading to the award of the degree of Bachelor with Honours where the Honours component is an integral part of the final year.

Selection Criteria
1) A proposal of no more than one page in length describing the intended research within the theme related to photosynthesis, and the motivation for undertaking research on this topic;
2) The applicant's academic record;
3) Name and contact details of the applicant's identified supervisor/s;
4) Contact details for two academic referees familiar with the applicant.
5) The Scholarship shall be offered by the Node Leader of University Sydney Node of the ARC Center of Excellence for Translational Photosynthesis;
6) In any year the Node Leader at University of Sydney shall make the final determination on whether an application is eligible for consideration and in any semester, a Scholarship shall not be offered when there is not applicant to sufficient merit. A selection committee may be established to consider application and make recommendation.

Conditions of award
The Scholarship may not be deferred.
The Scholarship shall be payable in two equal installments ($2,500), that are made at the beginning of each semester.

In order to receive the second payment of the Scholarship, the Honours' students must demonstrate appropriate academic achievement in the first semester of the Scholarship. The determination will be made by the advices of the Honours Convener.

Students changing their project and/or supervisor within the Centre may continue to receive the Scholarship subject to approval by the Node leader and/or the Centre Director.

The scholarship will be terminated if:
1) the recipient withdraws from the agreed upon degree program;
2) the recipient enrolls part-time without prior approval;
3) the recipient fails to meet the academic achievement in the first semester.
